Scenes at recent Delegates Meetings.

— Our NNJSDA Bylaws say that a club must be represented at a majority of the Delegates Meetings each year to remain in good standing. For the first time in a number of years there are several clubs falling within the "endangered good standing" category. At the delegates meeting it was noted ALEMO SQUARES, KINGS SQUARES, MOUNTAIN SQUARES, & PRINCETON SQUARES have missed 2 out of 3 delegates meetings and GRAND PROWLERS all 3.

It was also observed that while one club was holding its dinner dance later that afternoon a number of attendees were at the meeting-leaving at the coffee break after the main business had been concluded. Also that a number of attendees who were also participants in weekends in PA & Atlantic City had made the effort to attend. The NNJSDA appreciates your efforts to serve your club and your Association.

We include the Delegate Meeting Dates for 1985-86 season - September 15, 1985; January 19, 1986; April 20, 1986. New club delegates and presidents please plan accordingly.

(And would you believe before the Mosseaus went out of office they have reserved VFW in Elmwood Park, NJ for all those dates as well as Sept. 21 1986, January 18, 1987 and April 5, 1987 for the following season!!!!!!)

BLOOD BANK NEWS

We do not have to repeat how important a BLOOD BANK is. There are many S/D who do not work for employers who have Blood Banks, & a program like ours is needed. Several S/D have already had blood replaced, thanks to our Blood Bank.

Support for our NNJSDA Blood Bank was enthusiastically given last year, but NOW we must channel that vocal support into greater participation. Last year, the clubs in the Edison area came through with flying colors. Merri Eights have donated close to a 100 pints in the 3 years their program has existed. Several dancers from other clubs, primarily Lakeland Squares, set up their own date when the donor date was cancelled last Thanksgiving. We recognize that giving on a holiday weekend is a problem, & are now scheduling donor days close by, but not on, the holiday weekend. In areas where we cannot recruit enough dancers to warrant a team from the Red Cross, we have lists of all the open dates in each area of NJ. If you or your club can secure at least 20 donors, we shall set up a date for that group. If you cannot, we can tell you where and when you can give in any area on an individual basis. We do need your support.

If you are unable to give blood, you can always come and help out. Helping one way or the other is something to be proud of. NNJSDA has attractive Blood Donor Dangles which are presented to all those members who do participate in some way. If you have participated in one of our Blood Drives and have not received your dangle, please contact our Chairman. Also if you gave blood and have not received your card from Red Cross, contact the Chairman.

Finally, if you do give blood on your own, through the Red Cross, our group number is 9192. Be sure to mention this so we can get credit. If you or any member of your family needs blood, or has to replace blood, please contact our chairman. Thank you for your support. 201-679-8079

WORKING TOGETHER - "MINI LUST"

For the past several months, 8 NNJSDA CLUBS (Bee Sharps, Country Promenaders, Dancing Squares, Hill City Squares, M T Squares, Merri Eights, Rutgers Promenaders & Y Squares) have been conducting their own "mini LUST". Using ideas presented at last year's LUST meeting, the presidents have been meeting monthly to discuss common problems & looking for ways to help each other.

Recognizing that most of the problems are shared by S/D clubs everywhere, & that solutions, if they are to be found, will require thinking & action by the entire S/D movements these presidents feel their get-togethers can be helpful. Some of the problems are: small classes, new graduates who stop dancing, low attendance at dances, lack of participation by members in club activities. During this first year the group tried to define the areas they felt they could and should be involved with. While results of some of their discussions & activities won't be known for some time, an indication of the areas of discussion are:

*Rutgers Promenaders ran into a problem with getting a hall for classes. During discussion it was recommended the NNJSDA President & other officers & members who are professors or key employees at Rutgers be involved to approach the college. The club was, on its own, finally able to obtain a hall, but felt better knowing there was a group of their peers they could count on for advice and action.

* In December, and later in April, the clubs involved ran a joint class dance using five of the class instructors. Together, with the Angels, approximately 200 people attended. It was an eye opener for the many class members who did not know that there were so many other students in the same area.

* The clubs involved are contemplating running a joint advertisement for classes in selected newspapers. They feel the cost would be too great for any club to handle, but could be done by a group of clubs.

* By meeting regularly & getting to know each other's problems, there has been a conscious effort to support each other's dances. The meetings have acted as catalysts, encouraging clubs to do more raiding with each other.

* Another problem concerns S/D weekends that are scheduled after clubs have advertised "special" dances - in many cases where a large turnout is needed. While there may be no way to prevent these conflicting schedules completely, the group hopes that by working together they can make arrangements whereby there would not be the kind of competition that will hurt either activity.

* This group ran the first and most successful of the NNJSDA Blood drives last year. A second is planned for May 18.

The NNJ's summer dance program is geared for the newer dancer and will be MAINSTREAM. All the callers have been apprised of this situation before signing their contract. The time period for free dances for those earning their FREELOADER has been extended to two years allowing the graduate two years in which to choose the six NNJSDA dances in the S/D program they are most comfortable.

Heard about our covered wagon yet? It was created for our 20th Anniversary back in Nov. 1983 & given to the couple who traveled farthest to dance with us that night. Instructions were placed on it to do likewise at every club it reached. Turns out it went through Canada & ended up now in New Zealand. The Koenig's, our presidents, have been in touch with the people who carried it there to try to keep track of it. Think we'll see it again before our 25th? ... This is the last issue of Grand Square for the season, so look for our ad. It tells all about our air-conditioned summer dances. Great practice for new dancers as well as fun for those with more experience. Got some interesting callers too.

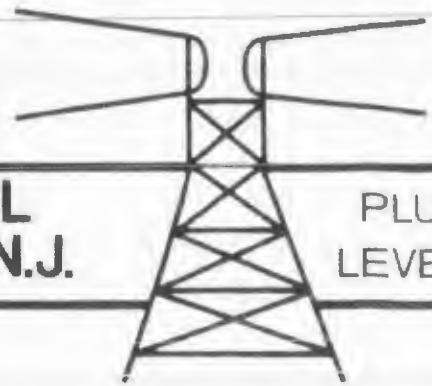

Many thanks to the Torodes who did such a fine job with the class this year. It was under the tutelage of Wayne Applegate. Also, many thanks to all other officers, without whose labors we would not have a club. ... See you on the dance floor.

WESTERN WHEELERS --- Westwood, NJ (MS & +)
2nd Wed: MS to +; 2nd & 4th Sat: + Methodist Ch, Kinderkamack Rd/Bergen

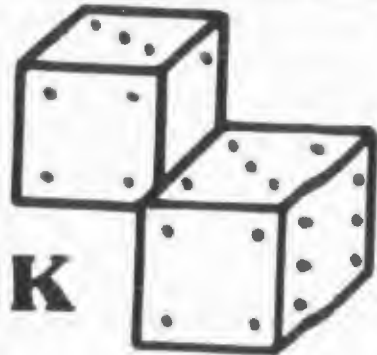

By the time this issue of GS rolls off the press, we'll have only 2 dances left in the regular season (our flower festival, at which flower & vegetable plants for your garden will be distributed, Dalt Young calling, & our Wed. June dance/workshop with Wayne Applegate calling); but this does not mean that we are slowing down. We will hardly even take a breather! Beginning the 1st Mon. in July we sponsor dancing alfresco at Petruska Park, with an open house scheduled the last Mon. in Aug.

Our spring dances have been well attended. Callers Wayne Applegate, Paul Brody, Bob Tarrant, & Bob Robinson have provided great dancing, & we have welcomed many new faces to our hall. In addition to our published schedule, we hosted a barn dance for the membership of the church at which we dance. We also enjoyed a dinner dance at the Brownstone which was, indeed, a highlight of our year. Many thanks to the Dudas, the Rogers, Carolyn Monahan, & Walter Britt who worked hard to make this project such a success! ... We are happy to report that Esther Taffel, Charlie Baumuller, & Bob Young are on the mend after their various surgeries & will soon be back with us on the dance floor. Our class, co-sponsored with See Saws & instructed by Andy Woerner, has graduated in fine style & has been welcomed to club level dancing with a round of special dances. ... Our presidents Leo/Rose Rogers have guided our club through a very successful year, & we are moving forward to another year of growth & innovation. For starters, we are expanding our program to include the 2nd Sat. of each month in addition to the 4th. Please watch for flyers distributed early in the fall for our complete new schedule.

It has been an active & exciting year for T.T. Our Amateur Caller's Nite was a howling success. Six brave souls did a fabulous job of calling & cueing. Each participant received a special dangle for their efforts. ... As usual our covered dish supper was well attended by healthy "appetizers," as evident by the "licked the platters clean." The fresh fruit center pieces on each table always bring forth many OOO's, ah's, & mmmmm goods! ... Congratulations to our r/d cuers, Doc/Peg Tirrell on the celebration of their 25th year of teaching & cueing. The Tirrells can teach anyone & anything to dance as evident by the demonstration of their newest & most interesting pupil, Mr. Dancing Robot, & did he strut his stuff at our April dance. On the same evening, Spinning Wheels of Wayne raided T.T., & when Spinning Wheels raids, - they raid in no uncertain terms, 4 sets...unbelievable. What a great night it was. ...If you enjoy good fellowship & excellent calling & cueing, John Kaltenthaler on Squares, Tirrells on Rounds, we are the club to visit.

Did you know that all this season a dedicated group of dancers have been meeting in Paul/Jeanne Brody's basement to learn clogging. Their teacher would come up once a month with Jeanne carrying on with the weekly lessons. 12 of the clogging group (so far nameless - altho "Toe-tappers - Brody's Bunch - Drano's" have been suggested) gave their premiere performance at our April Dance. Their enthusiasm & ability was fantastic. Thanks for coming & return again soon.

Congratulations to all new graduates! Now you're all anxious to get out & practice what you learned, & the best way to do that is to sashay over to Alpine for our June dance. It will be held in the pavilion at the Alpine Boat Basin, down on the Hudson River. You might even want to begin the evening with a picnic supper in the park near the pavilion. It's our last dance until Sept., but we'll be looking for you at the summer dances. Don't miss them. ... When we start up again in the fall, (a lucky Fri. the 13th) we'll be welcoming all dancers, new graduates as well as veterans, for evenings of relaxed dancing & friendly fellowship. Our season has been the greatest. Seems like yesterday that we were introducing the beginning fall classes & dances. The + workshop taught us that we needed more lessons & now we are in great shape thanks to John Kaltenthaler, & Ted Knauss & their expertise.

The St. Pat's Day Dance was fun even though a lot of us were not Irish. Helen/Carl Ostertag were honored at our President's Ball. They did a beautiful job this year as our Presidents & you could always tell who they were when you visited our dances because they would greet you & make you feel welcome & most important. Now that spring is here we didn't mind an April Showers Dance & the Graduate's Dance will be free to all new graduates. Come visit our club & know we welcome beginners & old timers as well. ... See you at the Sussex Farm & Horse Show in Aug. Enjoy your summer dancing & come to our opening dance in Sept.

DELEGATES MEETING - continued from page 3)

During the Open Discussion period among Delegates - Discussion mainly on how to help graduates make a successful transition from class to club - and encouraging the dancers to attend the MAINSTREAM CLUBS...and not pushing these new dancers into the plus workshops. Our area is fortunate in having many MS clubs and MS dances just for the newer dancers. A preliminary report on the LEGACY dancer survey was given. Hostess clubs for this meeting: Spinning Wheels of Wayne, Leisure Sq. and Montville Squares. Next meeting Sunday, Sept. 15. VFW in Elmwood Park, NJ 2 PM. All welcome.

Let it snow, let it snow; that's just what it did, causing us to cancel our 1st dance in Feb. However, we sure made up for it at our next dance. A new face, new name, new style brought lots of excitement & chatter to SSS. Pete Diven from Maryland really captured the evening. We know we'll be seeing more of him because everyone took his card to bring back to their club. He'll be back with us in '86. Our 2nd Annual All Singing Calls Night with Ralph Trout was a singing success. It's a very different & interesting evening & lots of fun. We plan on doing this again next year. Country Promenaders picked this night to raid us, with 3 squares plus. Thanks Country, come again! You added much to the atmosphere. ... St. Patricks Day, corned beef, Glen Mathews, Joan Newman, happy friendly faces, put them together what do you get!?!? A night of dancing that lasts for a couple of days, socializing that keeps you smiling & snacking that's Oh Sooooo delicious. ...Raiding is contagious. SSS took the journey over the bridge to visit Country Promenaders. We took along with us 3 squares. What a fun filled evening we had. Red Bates was just the way we knew he'd be, GREAT!!!... We have some great new couples coming to SSS. They will be graduating soon & will finally be part of the big time. I know they can't wait. They have the list of summer dances & plan on making all of them. That makes for good dancers! Marie, Bill, Ronnie, John, Red, Lois, Thelma, Danny, "Welcome to the World of Square Dancing!"... Come & visit us! We dance for Fun & Friendship!!! (Ads on pp 39, 50 & 51) Bernadette/Stan Bevan 718-981-0625

Spring is when a young man's fancy turns to thoughts of love, & S/Ders turn to thoughts of raids. At least that's the way it seems to us. Three clubs raided us in March. Covered Bridge Squares, Lakeland Squares, & Cross Trail Squares each brought us their contingents of friendly people, & colorful raid outfits in March. We raided Lakeland Squares, & Tenakill Twirlers, & put on a demonstration at St. Catherine's School in Ringwood. We even had a raid that wasn't a raid. We have all seen raids that didn't come off, but we had one that wasn't to be one. One night, we found we had 2 squares at Cross Trail Squares, & Presto! We invented the instant Raid!

"TV or not TV," To paraphrase the immortal bard. Our bolder members got in the front squares, & our bashful ones hid in the Center ones, when we were taped for showing on Cable TV. At our April Class Night, over 8 squares gave the TV people a show full of color & fun.

We have been informed, much to our joy & relief, that we will have our hall for the 1986-87 season. However, we will have to look else-where from then on.

RAIN OR SHINE

FRIDAY-JUNE 14, 1985 - 8:30-11:00

It rained hearts at our St. Valentine's Day Dance & all those who attended had their picture taken in the "shower". The pictures of our members & guests decked out in their S/D finery were welcome additions to our scrapbooks. ... Our members were excited to once again capture the Attendance Banner from the Association at their March dance. We have no intention of giving it up. ... Eight members of our club danced a demo at the Morristown Rehab Center in Feb. We plan to do several demos over the summer, both for pleasure & to help spread the good word that SQUARE DANCING IS FUN! ... Our class members have now graduated as MS Club Level dancers. They have worked hard on their lessons & we are proud of them. We hope you will keep an eye out for them at your dances in the near future. ... As of this writing it is hard to tell where most of our members will be. The Kelly's have arranged a "Mystery Bus Ride" for early May. If you find our members "mysteriously missing" in the near future, send the search party! ... Our Strawberry Festival is coming up in June. Last year the berries were deliciously inviting. Can we tempt you? (See our ad for the remaining dances for this year.) Somerset Hills does not run any dances during the summer months, but don't think you won't see us dancing...we'll be out there. "See You in September."

Our annual dinner dance in April was enjoyed by all --- good friends, good food, & great caller. Bob Mitchell not only called for us that night, but also our next dance night. We always enjoy having Bob with us. Our last dance for the season will be early in June. Jim Adams will call for us, following our annual covered dish supper -- if we can move!! We'll begin again in Sept. at the same spot -- Ironia School. Open House will be the 1st Wed. in Sept. with Wilson Hoff.

Erma/Bill Donaldson were in a serious automobile accident. They are recovering nicely, but are confined at home & would love to hear from all their friends. Al Rosenbohm continues to recover from his heart attack. We all wish them well & a quick return to dancing.

Congratulations to Barb/Gary Cooper on the birth of their 11 lb. son. Mother, father, baby, & big brother are doing just fine. Margaret Brownell became a grandmother for the 6th time -- fifth granddaughter. Everyone tells me I don't look that old!! ... Graduation in March was very impressive. Reelers & Hanover Squares together have added 19 new dancers to their ranks. Workshops, commencing in April, continue to add to the graduates' readiness for club dancing. ... See y'all around!

RAMAPO SQUARES --- Oakland, NJ (A-2/APD)
2 & 4 Saturdays Heights School, Seminole Avenue

No doubt about it! This final report of events - past & upcoming - of our 1984-85 season is proof positive of one of Ramapo's most successful & enjoyable years. For starters, we welcomed back our returning snow birds (Boccaccios, Allisons, Smithe, Fletchers, Meyers, Marceaux, Spragues, et al) & travelers from more exotic places (like the Brandts who were on safari in Kenya, the Gallaghers from a luxury cruise that included stopovers at Cozumel & the Grand Caymans), & heard about some of their adventures. Pete/Aida Boccaccio, for instance, took part in a 36 motor home caravan all over Mexico that included putting all 36 vehicles on trains & ships. ... Our 2nd afternoon & evening dance in April C-2 tips from 2 to 2:30, C-1 from 2:30 to 5, regularly scheduled dance from 8:30 to 11, Bruce Busch in splendid command - was such a big hit, these all-day dances are bound to become part of our calendar by popular demand. Our annual picnic is taking place mid May at Bear Mt. in the Seven Lakes area at Kanawauke Circle at 11 o'clock. Our man in charge is John Natalo - 201-664-4214 is the number to call with questions about weather decisions & directions (by no later than 10 that morning). John's rhapsodic descriptions about the scenic splendors & delightful fellowship of these occasions made converts to nature strolls & bird watching, on the spot! ... See our ad for our end of season dances with Todd & Bruce A-2's APD most challenging & popular callers - & make sure to put a big red circle around the 4th Sat. in Sept. when Ramapo will launch it '85-'86 season, Peg/Doc Tirrell doing rounds as always. Until then, have a wonderful summer. Feel good, enjoy the warm & sunny weather, & dance to your heart's content!

Club members were saddened to learn of the death of Bill Sweet in March & we extend our sincere sympathies to Elayne & family. Bill was a very keen square dancer who enjoyed its many challenges, & he will be missed.

Host/Hostess Al/Joan Lawrence have been kept busy welcoming members & guests to our dances. Congratulations to members Jane Mello & Scotty Taylor on attaining their 2nd Patrons Award. ... Don't anticipate! Remember those important words when we were learning to S/D? Well, they still hold true as we all know when we dance to Joe (Landi). His ever changing combinations keep us on our toes & the computer squares keep us circulating so that our dances are never dull. There is still time to enjoy a couple of dances with us before we close for the summer on the 1st Wed. in June with our delicious pot-luck dinner at 6:30 p.m. followed by our final, fantastic fling fo the season. ... We wish everyone a happy & healthy summer & look forward to dancing with you again in Sept.

Iris/Ed Zimany

201-267-1917

We extend our deepest sympathies to Elayne Sweet & family on the death of Bill in March. Bill personified square dancing & will be remembered for his willingness to pitch in when needed, his cheerfulness, his bear hugs for the ladies, & his joy in dancing. God Bless you, our friend.

Montville Squares will conclude a very successful season with our last dance on the 4th Wed. in May. Herb/Carol Arkin had to step down as presidents due to Herb's business commitments, but continue as advisors. We thank them for a job well done. Dancing into the breach were Bill/Jane Monheimer who have done a super job of operating the club, & will hopefully have more assistance in the future.

The C-1 workshops on scheduled Fridays have been a great success thanks to the expertise of Roy Lever & Bruce Busch. They have proven once again that learning can be fun (and a challenge). Carol/Dick Wilson took charge of refreshments on these evenings providing a variety of tasty treats. Our fall schedule has not been completed as yet but flyers will be mailed out as soon as possible. We look forward to seeing you all at the NNJADA summer dances. Have a safe & happy summer 'til we meet again.

Word reached us as we went to press that ANN McKENNA had just lost her valiant fight against cancer. Old Timers will remember Ann and Jim as the energetic, ever smiling, pres. of Hi Taws - who gave everyone the Red Carpet Treatment. A kind, gentle, loving person, Ann always was a friend to all with a special brand of TLC for the new dancer. March was loaded with special dances for us. For our Dangle Dance this year, chaired by Elsie/George Ahrend, dancers were asked to wear their dangles in an unusual way. Jim Campbell won the prize for his "dangle beanie"; you had to see it to believe it! Our Green Dance, chaired by Carol/John McNiece & Irene/Ray Doyle, was green all over - from clothing to food & decorations. Our Bunny Hop, chaired by Luch/Rick Marx & Elsie/George Ahrend, featured 2 live bunnies, many jelly beans, prizes for a "jelly bean guessing" contest, & the Bunny Hop! The Barn Dance was a huge success due to the joint efforts of the Executive Board with special thanks to Bonnie/Ed Silverberg for making sure it all came together! The Nominating Committee has been announced: it is being chaired by Ursula Santoro/Phil Bonczek & includes Mary/John Hornby & Mary/Al Dulovitz. The General Membership Meeting is in May. The Constitution Committee - composed of Audrey/Pete Martucci, Bonnie/Ed Silverberg, & Evelyn/Barry Williams - have updated the By-Laws & it will be reviewed at that time. Graduation will also be in May & is being planned by Mary Ann Williams/Dick Torstrick, Shari/Carl Chmielewski, & Millie/Will Haug. The ceremony will be innovative, short, & VERY IMPRESSIVE! Our season culminates with the June Dinner Dance at which time the new officers will be installed. The Dinner Dance Committee consists of Evelyn/Bob McCullen, Gret/Bert Corcoran, Gladys/Avery Watt, & Joyce/Seymour Levine. We will have a summer dance program & hope you join us for air-conditioned dancing AT A NEW LOCATION. (Please see our ad for details.)

This - our last GS report - trumpets the approaching end of the dance season. We look back on the larger part of our dance year with a good deal of satisfaction. By any of the indicators one might use such as great dances held or attended, new club innovations tried, & accomplished, or just the fact that we look forward to the next dance all point to a season worth remembering. Our executive board, with their various committees, can be proud of their work this year & I can promise you, as a member of our current nominating committee, that we have not run out of capable & exciting leadership for the future. ... The end of the dance season may be approaching but we still have a few stimulating events to look forward to. Perhaps another raid or two & our annual dinner dance - always a treat - both endeavors chaired by our ubiquitous Bev/Gene Sensback. Graduation of our S/D class & the steady progress of our R/D lessons at both beginner & intermediate levels continue our club piquancy. The year may be winding down but the high level of callers is being maintained. We extend, as always, our invitation to our old friends, our new friends, & our yet to be friends to come dance with us.

We were certainly surprised to learn of the large number of members we have of Irish descent. Our dance honoring St. Patrick was very lively & the brogues were rather heavy. It was good to see Bette Gillman back dancing. Sorry to hear Jim/Dottie Harmon are moving to FL but our best wishes go with them. Our dance honoring the Presidents of other clubs was well attended. We had 11 squares including 17 Presidents. The class dance in March was great fun. Our new class is really doing well. Sorry to hear Anna Birmingham has been hospitalized with rheumatoid arthritis. Good luck to Chet Walker with his eye problems. Hope good news comes with your visit to Wills Eye Hospital. Our last dance of this season will be our ticket dinner dance in May. Hope to see you all when we resume dancing in October.

NEW GRADUATE DANCES EVERY WEDNESDAY, 8 PM
ONE PLUS WORKSHOP TIP EACH NIGHT

LAKELAND SQUARES --- Mountain Lakes, NJ (MS)
every Tuesday Community Church, Briarcliff Road

Lakeland will dance every Tues. through the end of July, with our season-ending dance featuring Dalt Young. ... Thanks to John/Mary Aquino who helped us welcome the 43 new graduates, including 3 with 100 per cent attendance, Ed DeCrescenzo, Frank Forrester, & Blanche Hearn. 19 angels earned the dangles of appreciation; Tony Stella (8yrs.), Les Patterson (6yrs.), Al/Mariel Kent (5), John Huntzinger (4), Bill/Thelma Ford (3), Bessie Sanchez (2), & 11 yearlings. Heartfelt thanks to class coordinators Bill/Thelma Ford, & Teacher Pal Johnson. ... Our class level dance in Mar. was a huge success, probably due to the rumor that Betsy Foley would kidnap Mike from the hospital so that he could call for us. Over 200 dancers welcomed Mike & his family, & enjoyed dancing also to Herb Conklin, Pal Johnson, Dot Loewenstein, & Bob Tarrant. We were raided by Somerset Hills, Belles & Beaux, & Kittatinny Rangers. Thanks, everybody. It was a most memorable evening. ... Special thanks to Bob Mitchell & Herb Conklin who filled in for Mike during his confinement. So glad to see that Mike is feeling better. ... Warm welcome to frequent visitors Pat Corcoran, Ruth Alloway, Henry Piersall, Janice/Howard Kaplan, & Frank/Ruth Pagano. Congratulations to Patron Award winners Dale/Dawn Mertz, Les/Lola Patterson, & Anne Gallo who received their dangles at the March NNJSDA dance in Rutherford. ... Anyone interested in joining Herb's Happy Hoofers should call him at 887-0974. The frolics will commence in Sept. ... This year's bus trip was to the Hunterdon 4H Hayshakers where we danced 3 levels in 2 halls. We enjoyed the exuberance & talents of the 4Hers, & also the dinner they provided for us. ... With the help of Doc/Peg Tirrell, we installed our new officers at the 12th anniversary dinner-dance in May. Welcome, new & returning illustrious leaders. We all look forward to another great year. Happy dancing!

KITTATINNY RANGERS --- Stillwater, NJ
1 & 3 Wednesdays Stillwater School, Route 527

Spring has arrived in the hills of northwest NJ & Kittatinny Rangers are busily getting ready for summer vacations. Pretty soon we'll be taking long walks on our lawns behind mowers & planting the flower & vegetable gardens. Square dancers have been known to do strange things at various times such as dancing in pools, on hillsides, in bare feet, & even blind-folded. Several intrepid Rangers were even fortunate (?) to dance in a jail in the area! After our last dance in June, we'll be off for the summer school vacation. We'll start up in the fall back at the Stillwater Elementary School in Stillwater. Hope to see you there. Here's hoping everybody has a pleasant, safe, & enjoyable summer.

Look at the brighter side of life - cast out gloom, despair, slippery snow & that biting wind & rain that kept the doors closed to many of our dances on the Island. Spring is really here. No more trifling weather to vex & irritate our dancing pleasure. Our RIOS beginners class is progressing remarkably well. Graduation Day is almost around the bend. A heartfelt warm congratulations to all the 1985 graduates. Be sure to attend as many dances throughout the NNJSDA area as you can to enhance your dancing ability & the pleasure found bubbling within a square dancing atmosphere. We had a lovely Valentine Dance chaired by the incomparable talents of the Tookers & the lively calling of Dick Pasvolsky. Come join us now or next fall & allow us the opportunity of showering you with warmth, enthusiasm, fun, & frolic. All our dances promise transcendent joy with exciting callers. Come join us!

Wonder how many readers know that AMERICAN SQUAREDANCE, which Stan & Cathie Burdick edit and which is celebrating its 40th year, began as American Squares in Woodbury, NJ Sept. of '45. It has changed hands & locations many times - including a long time mailing address in Newark, NJ with Rod LaFarge managing editor & Frank Kaltman publisher. (Hill City's 25th anniversary dinner had a display of very early American Squares magazines.) Congratulations to the Burdicks who have doubled the number of pages with many new and interesting features making it truly an international publication for dancers in their 17 years as editors.

If you planning to travel from this area this summer, or anytime, plan to take along the SQUARE DANCE DIRECTORY. The 1985 Edition is now available from your local S/D Supplier or send \$7.00 + \$2 postage to National S/D DIRECTORY PO Box 54055, Jackson, MS 39208.

HIX & CHIX --- Elmwood Park, NJ (1,3 MS; 2,4,5 +)
VFW Hall off Market Street

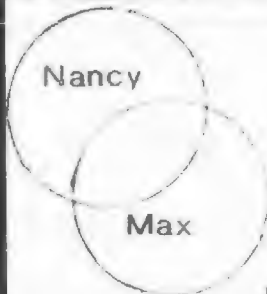

We want to welcome the new dancers to our world of S/Ding. It can be a wonderful new experience for you as you meet new people & travel about. S/Ding can be a great catalyst for forming new friendships - here & all over the world. We strongly urge all new dancers to come join us on our MS nights when Mike Foley will be calling. These 1 & 3 Thurs. will help you gain more confidence in your newly acquired skills. Mike will also call a + tip. On 2 & 4 Thurs., Dick Pasvolsky will call a + program for dancers who are comfortable in this program. The 5th Thurs. is our guest caller night - and always a + program. We always start off our evening of dancing pleasure with rounds either by the Shearwoods or McLaughlins. Our ad will fill you in on times, etc. So dance all summer with us in air conditioned comfort.

The year has gone by quickly, & our new graduates are now looking forward to the many opportunities of dancing during the summer, especially our MS dances, now every 1 & 3 Thursday. ... All of us were very happy to have our caller Mike Foley back with us - lookin' good, after a bout with illness. We're really glad to see that you're doing well, Mike! At the same time, we'd like to thank callers Bill Heyman & Bob Robinson for having filled in during Mike's absence. ... We also enjoyed dancing to guest-caller Bob Tarrant during the last week in March. ... Our annual dinner dance in April at the Rustic Lodge in Elmwood Park with John Kaltenthaler as caller was as enjoyable as always. A great time was had by all! Our graduates dance, free to all new grads, was the big event of the merry month of May. ... We are now looking forward to another wonderful (and cool) summer of dancing at our air-conditioned hall in Elmwood Park!

Fate decreed that our annual bout with a locked hall occurred on the night that Ralph Trout called. AL MOSES - Square Dance Caller - Founder of Kings Squares and AL"e"MO Squares in Brooklyn, NY passed away on March 11, 1985. It was Al who brought S/D to Brooklyn and set the stage for the NNJSDA expanding its horizons further afield. Over the years, Al made many people, here & in Canada, happy with his calling. Thanks to all his many friends, dancers, callers, NNJSDA for their sympathy cards, donations, gifts, and comforting support. He loved everyone. Edith Moses & family.

The Camping S/Ders are getting their camping equipment out, from tents to pop-ups to motor homes. Getting the equipment & S/D clothes ready to "HIT THE ROAD". We have almost 125 family members.

Early May, Lou/Julia Rossi of Blairstown celebrated their Golden Wedding Anniversary, HAPPY ANNIVERSARY, 50 TIMES. Lou & Julia have been S/Ding & camping for

many of those years. ...We are looking forward to another great summer of dancing & fun. By the time you read this we will have had our 1st camp out, an Early Bird Special at Cherry Ridge. Our 1st official camp-out is in May at Otter Lake & back by popular demand, our wine & cheese after party. ... We have another great list of campgrounds, callers, & cuers. We can't miss having a good time with George/Elaine Potts calling & cuing. Looking forward to seeing all of our old friends & making some new ones. ... All our campouts are set from PA to Southern NJ with different callers. Whether it be good weather or not we are there. ... The Natl. S/D Campers Assoc., Inc., P.O. Box 224, Little Chute, Wis., 54140, are always ready to help organize a S/D camping club for those interested. Most campgrounds with halls can only take up to 50 couples, (50 site.) We had fun at our Hobo Dance in April with Rita/Wayne Applegate dressed for the part. Doris Zink made her famous "hobo stew" & everyone had a can of it. We even had a "bonfire" to sit & eat around. We were happy to see Dick Zink doing a few rounds. Vinnie Heisman came to visit & we hope to see her dancing soon. Get well wishes go to Mary Eckloff & we hope she will be back with us quickly. Our club had a successful raid to Spinning Wheels thanks to the efforts of Wanda/Stan Blanchard. We had 4 plus squares present. Wanda & Stan are now planning our next raid to Covered Bridge Squares for late April. The raid will follow a Fish & Chip Dinner that is held annually by the United Methodist Church in West Caldwell. Thanks to Mildred/Walt Angerer we get to purchase our tickets in advance & tables are waiting for us when we walk in. Forty plus Crosstrailers had a wonderful time one weekend in March at Camp Aldersgate, Swartzwood Lake, NJ, thanks to the able planning of Mildred & Walt. The weather was beautiful & all had a chance to relax, walk in the woods, or do whatever. Our club held its General Meeting late March. The following officers were elected for the coming year: Leo/Joan Pruner, Pres.; Walt/Pat Sickles, 1st VP; Bill/Ailene Ostlund, 2nd VP; Nat/Adele Sunshine, Treas.; Mary/Sal Alessi, Sec.

2 & 4 Fridays

Radcliffe School, Bloomfield Avenue

If you missed our amateur callers dance, you missed a really fun evening. Five aspiring newcomers tried their hands (and voices) at the mike on patter & singing calls, including our own Vince Wilding who showed us that designing beautiful ads is not his only talent. Of course, none of this would have been possible if our caller for the evening, Dick Pasvolsky, had not agreed to share his program.

Our Graduation is scheduled for April 26 & all graduates will be invited. Our class co-ordinator advises she sent names & addresses, so if you didn't receive them please let me know. ... Another year of lessons has been completed & we want to congratulate all our new dancers & their teacher, Bob Robinson, on a job well done. They have been double honored by graduating with us & Solitaires. ... Congratulations to Marge/Wally Cox on the birth of their new granddaughter. ... Our new board has been elected for the coming season: Ray/Sue Brown, Pres.; Shirley/Dick White, VP; Mark/Rosemary Kaiser, Sec.-Treas.; Fran Cashill & Margaret Semonian, 2nd VP; & Nick Raspa as Demo Chairman. Our special thanks go to Norris Ember for his efforts "above & beyond the call of duty" & to Fran Cashill for agreeing to stay on the board & help out one more year. ... Vince/Harriet Wilding who have done such a great job on our ads in the past will take over the preparation of the "Newsletter" this coming year... We'll be looking for all our friends at our annual picnic in June at Riverside Park in No. Arlington. We have a great program lined up for the summer as well as our 1985-86 season so be sure to put us on your calendar for the 2nd & 4th Fridays & make a note that we are planning a "plus" class in addition to our beginners' class.

2 & 4 Saturdays COUNTRY PROMENADERS --- Edison, NJ (+)
Herbert Hoover Jr. High - Jackson Ave.

The April Spring Fling for our students plus the students from five other clubs was well attended. The dance was called by the various instructors. Brian Fugere also is beginning a plus workshop for our students. ... The used S/D clothing exchange for our students was a success & a similar exchange is planned for the club members. Our annual Dinner Dance, held this year at Covinos Restaurant, as usual, turned out to be a real fun dance with Mike Cleary doing the calling. The club picnic is planned for early June at Merrill Park in Iselin. All club members & your families are welcome. ... Country Promenaders dances this season have averaged about 18 squares making it a successful season. The caller lineup for the 1985-86 season is even better...so...come on out Promenade in our Country!!

*Those clubs with effective means of communication, such as newsletters have offered to help other clubs in the group get started with their own publications.

* The group discusses, at virtually every meeting, the problems of new graduates who quit soon after classes are finished. In most cases, this seems to be due to the program at which their club dances. LUST made this a top priority at last year's meeting, & the presidents' group is trying to work out some joint action to minimize the losses in their area.

Elections are being held in most of the clubs at this time, & the group hopes the new officers will support the goals & objectives of the group with the same enthusiasm that is being shown this year.

Burt Caplan sent in the above article. We know other sections of the NNJSDA have such mutual help meetings. We welcome your stories too.

CIRCLE EIGHTS --- Cresskill, NJ

(MS)

Reformed Church on the Hill, Lexington Avenue

Circle Eights very proudly celebrated its 25th anniversary last March with a dinner-dance at the Brownstone House in Paterson. Lee/Eleanor Gardner, Pres., made a special effort to contact the charter members of the club. We were delighted to have as our guests John/Ellen Beck, Herb/Gloria Gold, Harold/Elsie Happe, Claire Kurtz, & Sven/Lillian Rye. Shirley/Chris Larsen, VPs, did a wonderful job with the table decorations. The food was delicious & a festive atmosphere prevailed. We were also happy to welcome a large number of dancers from Bill Heyman's plus class. Circle Eights extends a most cordial invitation to all new graduates. We are a relaxed MS club whose members exude not only charm -- but friendliness, humor, & the desire to have fun at their dances. On the 4th Fri. of June we will be sponsoring a "welcome graduates" dance. Why not join us?

Somerset County Vo Tech H/S

As I write this bit of news, Winter is behind us, Spring has come & we look forward to Summer. Only a few short months ago our regular dance season started & with it our beginners class. Now after many weeks of lessons, our class has graduated & are official Bee Sharp Members. We welcome them to the Wonderful World of S/Ding. The graduates are doing very well & really getting around to other clubs to dance. We were busy after the new year with raids to Richmond Dancers & Princeton Square. It's always fun to visit friends. Our special sit-down affair had a nice crowd even though the weather wasn't very nice. Two of our single dancers Linda Belding & Mike Rubinfeld have announced their engagement & are planning a S/D Wedding Reception. We wish them many years of Wedded Bliss.

Be sure to check our schedule & flyers for our upcoming dances. Ralph Stapenell is on hand the 1st Sat. of the month, while guest callers join us on the 3rd Sat. Come join us for a night of fun & fellowship. We are always happy to welcome visitors to our club. See you in a square.

2 & 4 Sundays

Methodist Ch. Voorhies & Ocean Avenues

With the passing away of Al Moses on March 11th, S/Ding lost a fine caller & wonderful person who began & promoted S/Ding in Brooklyn. It was Al who started AL"e"MO Squares & kept it operating as a labor of love. We wish to offer our condolences & sympathy to Edith & her family.

The 2nd Sun. in June instead of the annual dinner dance that had been scheduled, AL"e"MO Squares will be holding on this date a memorial dance for Al Moses with the net profit being donated to a charity selected by Edith. We would like to thank the callers who have offered to donate their services. For more information, contact Eric Platt at 718-934-2085.

SEWING NOTES FROM GRANNY' HOUSE

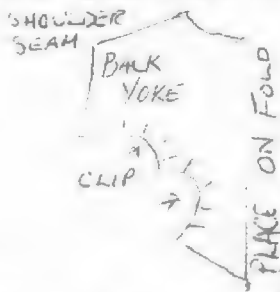

I have had great success with slip covering my husbands shirts - turning old dress shirts into Western shirts for square dancing, by utilizing scraps of fabric left over from dresses I have made. I have enough material to make yokes, sometimes sleeve trims for his shirts and we enjoy our matching outfits. I scout rummage sales for dress shirts in white or various colors in his size and often pick them up for as little as 50¢. Occasionally I have to replace a worn collar or cuffs.

Here are my slip cover directions:

BACK YOKE

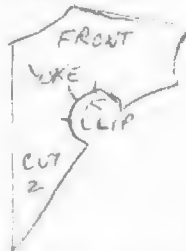

Fold the shirt in half down the back, pulling the collar straight up and out of the way. Measure the distance from the fold to the shoulder seam, allowing 5/8" for all seams.

Make a paper pattern and place it on your fabric matching the fold of the pattern to the fold of the fabric. Cut one piece on fold. Clip the curved parts of the material for smooth edges. Iron under the 5/8" seam allowance. Top stitch the material onto the shirt, leaving open at the shoulder, this makes the back Yoke.

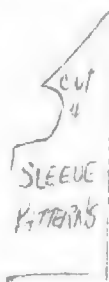

FRONT YOKE

Make another pattern for the front of the shirt from the center button-hole opening, around the neck to the shoulder edge. Cut two fabric pieces from this pattern. Iron under the seams, pin on to shirt and top stitch. Now, top stitch the back yoke over the front yoke at the shoulder seams.

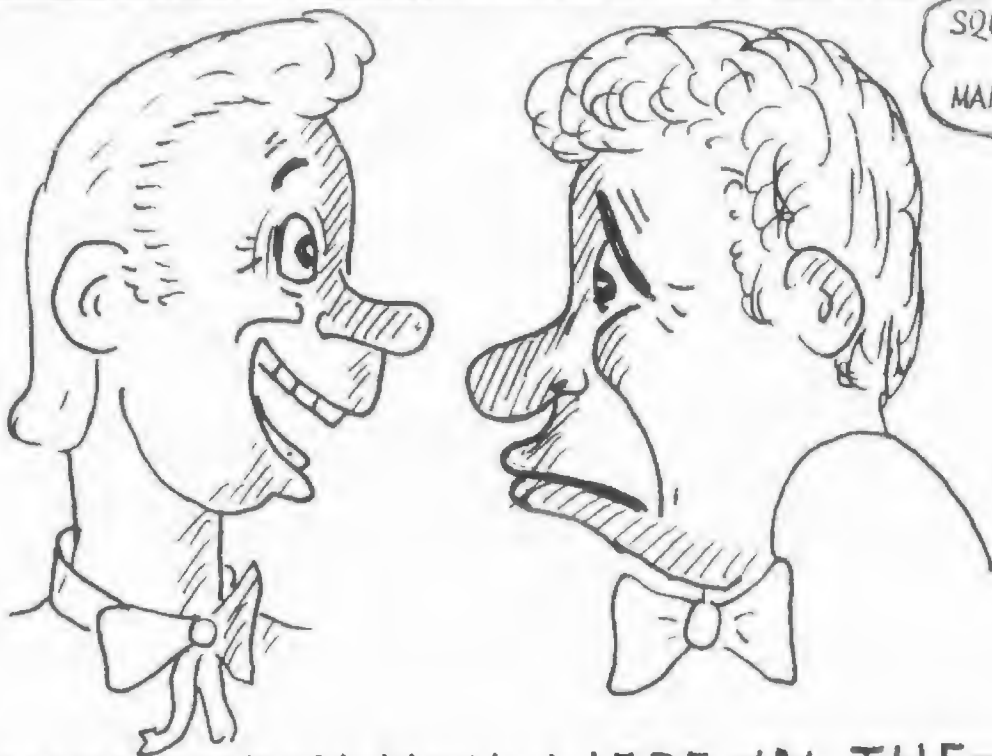

SLEEVES

If you wish to trim the sleeves, I suggest you use two pieces for each sleeve for easier fitting. Make your pattern and cut four fabric pieces. Press as before and top stitch to each to each side of sleeve opening just above the cuff edge.

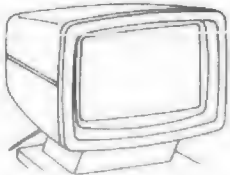

Try your own ideas using basic pattern pieces, but remember girls, the lace looks better on you!

COMPUTERS are GREAT, BUT.....

If you did your ad on your computer & printer and can not read your ad, PLEASE do not call and complain, but read on. And carefully look at others' ads. You can easily spot the ones done on dot matrix. We want letter quality printing-

If you are going to use your computer and printer, please tell your printer to either use emphasis or double strike. and not in blue - but in BLACK! Also remember everything, but everything that is camera copy, is reduced one third. If your ad is already hard to read, imagine what happens when it is reduced 1/3!!!

FEB 4 - "VALENTINE'S" DANCE

FEB 18 - "PRESIDENT'S" DANCE

Your editors are very proud of GRAND SQUARE and work extra hard and long hours to keep it a quality publication - with clean, neat copy. Occasionally we slip up, especially proof reading we can hear you say. In the past we have redone sloppy, poorly pasted, too small type "camera copy" ads and only charged when it was a major overhaul. We have tried to have clubs happy with their ads and write ups.

For some reason, this issue has had more redone "camera copy" ads than ever before. Lucky our Associate Editors have good rapport with his company's advertising department. From now on there will be \$5 assessment for every "camera copy" ad we have to redo bringing it up to decent, reproducible copy for GRAND SQUARE.

Linda Morrison, after viewing her Kuntry Kuz'ns ad several issues ago, has given us the following info for computer users.

1. Read the book that came with your printer. Learn how to get double strike, emphasis, or whatever it is called by your company.
2. Turn on your computer.
- 3.. Go into Basic.
4. Turn on Printer.

CALLERLAB

The International Association
of Square Dance Callers

1135 CALLERLAB members, families & guests from 49 states, 4 Canadian provinces, New Zealand, Australia & Mexico attended the recent Convention, last April, in Phoenix, AZ. Besides many meetings on the various

programs, much time was spent discussing in depth classes, the drop out situation and are dancers being asked to accomplish too much too soon... and is the fun still there. The preliminary report from the LEGACY dancer survey was given to their Board of Governors & special Ad Hoc Committee. Great concern was shown and this Ad Hoc Committee plans to really "bite the bullet" when the final survey results are made public May 10th at LEGACY VII.

Attending as representatives of LEGACY & ROUNDALAB, yee editors came away with a strong conviction that most at CALLERLAB are genuinely concerned over the direction S/D seems to be going and want to do something about it. The CALLERLAB Ad Hoc Committee has the awesome task of providing this direction. Spokesmen Jon Jones & Frances Zeller Chr. of this Ad Hoc Committee, highly capable individuals, have their work cut out.

At the Opening Session of CALLERLAB, Bob Osgood of the American S/D Society presented the Silver Spur Award (one of the most prestigious awards within our activity - given infrequently only to those who have made tremendous contributions to our activity) to a most deserving couple-Herb/Erna Egender of CO. The CALLERLAB Milestone Award (their most prestigious award) was given to a very surprised and deserving Jon Jones of TX & Dick Leger of RI. The outgoing Chairman, Bob Van Antwerp presented his special Chairman's award for service above & beyond - to a most startled John Kaltenthaler. The new Chairman of CALLERLAB is Cal Golden.

Many decisions were made concerning the various programs, figures, styling, etc; the Round of the Quarter will be continued; a new apprentice category of affiliation was established - you will hear more of these decisions and others in future press releases. Next meeting will be in Baltimore, MD March 23-26, 1986.

CALLERLAB QUARTERLY SELECTION

The International Association
of Square Dance Callers

ADVANCED QS - beginning March 1-

CHECKOVER - From right or left columns:
Lead 2 (! & @ in the column). Checkmate

the Column while 3 & 4 in the column Circulate, Cast Off 3/4, Slither, &
Extend the Tag. The result will be two faced lines. Timing: 12 Beats.

MAINSTREAM QS - There will be no new quarterly figure for the quarter
beginning April 1.

PLUS QS - LOAD THE WINDMILL - beginning May 1

Starting formation: Facing lines of four. Timing 10-12 beats.
The end dancers do the ends action of Load the Boat; i.e., they circulate
two places around the outside of the set &, when they meet the third dancer,
they Touch One Quarter to become ends (leader/trailer or #1 & #4) of
the final column formation. Simultaneously, the center four do a Swing
Thru and without stopping, Cast Three Quarters by the right to end as
Column Centers. Caution: The ends have little or no trouble performing
their actions as they readily understand that action. The centers must
be cautioned to establish their wave and then start the Swing Thru action
while maintaining both hands at the ready position so the action goes
smoothly.

The purpose of a R/D rating system is to provide for
rating round dances according to complexity. The
system should be one that can be readily used and
understood by all those involved in Round Dancing.

ROUNDALAB, at its 8th Annual Convention, spent much
time re-examining the Fleck Point System for rating
R/D as well as considering several other proposals. After maximum participation the attendees enthusiastically endorsed the recommendation that ROUNDALAB adopt the ROUNDALAB Phase Rating System which will identify a dance with a ROUNDALAB Phase Number with a plus of no more than 2 to indicate steps in the dance which are in Phases higher than the basic rating or unphased steps or movements.

There are Six Phases in the ROUNDALAB structure, Phase I (Beginning); II (Easy); III (Easy Intermediate); IV (Intermediate); V (High Intermediate) & VI (Advanced). An alphabetical compilation of the figures included in the various Phases, enabling all interested persons to rate dances, will soon be available from ROUNDALAB.

ROUNDALAB's "Callers Manual for Using Rounds in the Square Dance Program" has recently been made available for \$1.50.

ROUNDALAB will hold its Ninth Annual Convention June 23-25 in Birmingham, AL just prior to the NSDC. It will sponsor a R/D After Party at the NSDC on Thursday evening in the Round Dance Hall from 11 PM to 1 AM.

At the April 21st NNJSDA Delegates Meeting, Bill & Donna Anderson, NNJSDA Liaison officers, and Peggy & I presented NNJSDA with a grant of \$200 to be used for a specific project to be determined by NNJSDA. This is the beginning of our CARING and SHARING Program, a new long range project to improve communication between callers and

dancers. If you have suggestions along these lines or see other areas of concern, please feel free to contact us. We the callers do CARE about you the dancers.

CCNJ and many dancer and caller friends sponsored a Benefit Dance on May 5th in Rahway for Mike Foley. Mike recently suffered kidney failure and is now on dialysis. We would like to thank all participants for their generous donations.

INTERNATIONAL ASSEMBLY OF "TRUSTEES" OF THE SQUARE DANCE ACTIVITY

LEGACY

LEGACY, the International S/D Leadership Communications organization was conceived by three editor/publishers of nationally known magazines, Charlie Baldwin (New England CALLER), Stan Burdick (AMERICAN SQUARE DANCE) and Bob Osgood (SQUARE DANCING Sets In Order). They envisioned a Service-Leadership organization for better communication among the many facets of the activity. To date there have been 6 LEGACY meetings. LEGACY members, called Trustees, representing every facet of the S/D activity, attend these meetings totally at their own expense in an effort to provide a platform for the S & R/D activity where all facets of the activity can be discussed and suggestions given on many of the subjects that we must deal with in order to maintain some measure of stability.

LEGACY VII held its biennial meeting (every two years) in Philadelphia, PA earlier in May. The theme was "We're A Family". The results of the latest LEGACY Dancer survey were discussed thoroughly. Briefly, with over 7500 surveys returned, the dancers have indicated their continuing disenchantment with leadership and the pleasures of dancing. Round Dancing also rated lower. A more detailed report will be forthcoming in future issues of GRAND SQUARE. If you want it earlier, consult LEGACY Trustees: Bill/Donna Anderson; John/Mary Aquino; Frank/Helen Cavanaugh; John/Freddie Kaltenthaler; Roy/Betsy Gotta; Bill/Peggy Heyman; or Doc/Peg Tirrell.

SQUARE DANCE COUNCIL of NEW JERSEY

The SDCNJ is composed of representatives from all the NJ Associations/Federations/Councils within our activity. It meets twice a year. At its meeting last February Peter J & Jennie Zukauskas, Gen. Chr. of the National S/D Convention in Baltimore and their Vice-Chr. Lee/Lois Felstein presented a check for \$1,000 to the SDCNJ as a thank you from the Baltimore Convention for its members support and help. The SDCNJ plans to use it on educational material

and promotion throughout NJ. At present the Council is working on a state wide calendar listing the major meetings & dances of its member organizations as well as an informational pamphlet on S/D activities. The calendar is scheduled to be released at their dinner dance in August. It will be issued biannually.

The Council has adopted the suggestion of a member and will form an honor guard to lead the NJ dancers in the Parade of States at the National S/D Conventions. One person of each member organization, wearing an identifying sash (if Helen Cavanaugh/Betsy Gotta get them made in time) will either carry the NJ or US flag or march in the Honor Guard.

Their next meeting is scheduled for Sunday, October 20 at 1 PM. Current presidential couple is Frank/Helen Cavanaugh of Edison, NJ.

The National Square Dance Convention (NSDC) is a gathering of a large number of dedicated Square, round, clog, contra, leaders, callers, cuers, instructors, prompters, organization officers and suppliers in a convenient location for the purpose of discussing common objectives, exchange ideas, learning new techniques in leadership & operation of dance organizations, teaching & obtaining and dancing nearly around the clock during the 3 days.

It is an opportunity to meet folks from all over the world, form new friendships as well as increase your knowledge. We strongly urge all after registering to find a quiet corner and sit and read thru the Program book and study all it contains. Then plot out a schedule with rest and dancing times. The many panels, seminars, exhibitions make great rest times. Go to the Showcase of Ideas, see the various publications worldwide; visit the suppliers....take in the Trail End Dances - the after parties. Your Assn. will have a display in the Showcase of Ideas. Please return any unused GRAND SQUARES for distribution here. The Andersons & Tirrells are in charge of the display and will welcome any volunteer help.

If you have a NJ State Outfit, plan to wear it on the Parade of States Day (usually Saturday) and march in the NJ contingent....but one does NOT have to have a state outfit to march. If you have not registered, there is still time, altho rooms in BIRMINGHAM, AL are scarce. And if you can't go this year, plan now for 1986 in Indianapolis, IN - June 26,27,28.

Even tho it is only May, SEPTEMBER - SQUARE DANCE MONTH is right around the corner. This fact means we must begin to do our planning NOW if we're to reach the non-dancing public and acquaint them with the many facets of our activity. While the entire month of September is officially S/D Month, clubs may choose just one week if they wish to concentrate their efforts. We suggest starting now if you want a local proclamation. If you need some help and ideas, contact the NNJSDA 3rd VP or the

LEGACY S/D Month, pro tem, Frank/Helen Cavanaugh. LEGACY has assembled a packet of information they'll be glad to share as a service to the activity

REACH out - spread the good word. Let your enthusiasm show. Emphasize the positive - the fun and fellowship. Show all that the S/D activity is "Happiness Set To Music". Let's all make this coming September a banner year for recruitment of new dancers.

The CNJSDA holds approximately 5 delegates meetings a year on Saturday mornings. Their presidential couple is Dave/Joan Cavanaugh. Tho composed of fewer clubs (13 including 4 teen clubs) than NNJSDA their meetings and needs are similar. Realizing a need for some leadership seminars, their presidents invited Frank/Helen Cavanaugh (no relation) SDCNJ Pres. & Doc/Peg Tirrell (Chr. LEGACY) down to explain LEGACY, its leadership programs and also NNJSDA's LUST. The CNJSDA is planning a small scale LUST type Saturday session for fall. It will be open to any dancer. The Council Spring Round Dance Festival held the last Sunday in Rahway was very well attended, even though the weather was not entirely in our favor. Everyone seemed to be of the opinion that having two halls for both easy and intermediate dancing was an excellent option, bringing our new dancers as well as our "Alumni" together. We hope to do this again in the future.

And now, we are looking for another enthusiastic turn-out for our next dinner/dance in November at the Polish American Hall in Yardville. Admission is \$25 for dinner and dancing per couple - so mark your calendars now and we will look for you on the dance floor. (And by the time you read this we hope Dot's broken toe is all healed and she is back to dancing again.) PS: All leaders have tickets to sell for Nov. 201-356-7631

RAMAPO RHYTHMAIRES - Tirrells - Wednesday/Waldwick, NJ . . . 201-568-5857

What a fantastic turn out to celebrate Doc/Peg's 25 years of teaching! In honor of the occasion Bettie/Jim Coffey created two banners - one a huge black and silver record to hang in the hall and also a large replica of the 25 year dangle given to all who attended. The Coffeys also brought along their dancing robot and anniversary balloons. The Robot, as yet unnamed, stole the show as he tried to do a two step across the floor!

There is still room for a few more couples in our mini-weekend early June. We'll be winding up early June with graduation and a party.

Do come join us - visitors are always welcome.

HOT GARTERS - Pennies - Monday/Ironia, NJ 201-584-0151

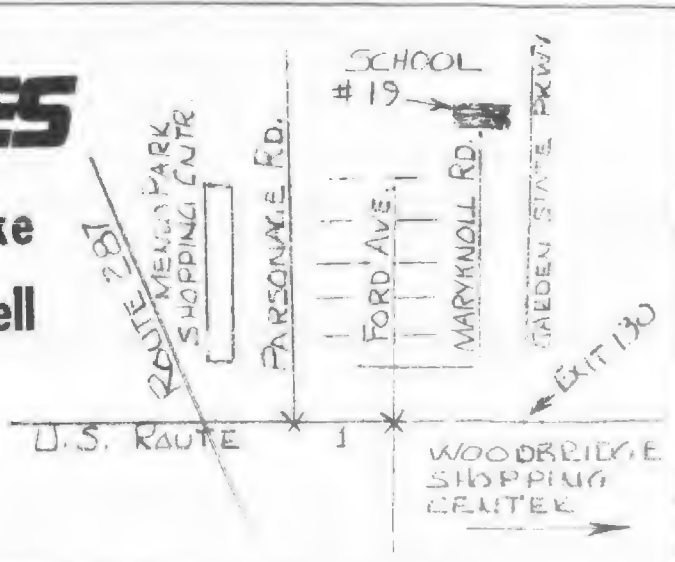

Well, we are ending up our 15th year as teachers! We close up for the summer May 20. It's been an eventful dancing year. Such a friendly group. Our Hot Garters Picnic will be July 20 - rain date- next week at the Pennies. It is THE social event of the year. We will run our usual summer workshops. Call for info.

WELCOME SPRING and welcome new graduates to the wonderful world of S/Ding. The Kuntry Kuz'ns have had a fun filled winter & rejoice that we only had to cancel one dance due to snow. ... Our main event was our 10th anniversary pot luck dinner which was a great success. Members & guests outdid themselves & prepared many delicious dishes. Here's to 10 more! ... We have had many members recently become new grandparents, & we wish to congratulate them. Additionally, we all wish John Pinnand a speedy recovery from his recent illness. We hope that he will soon be able to rejoin us.

New York for years had a marvelous festival in Syracuse, NY; had a most active State Federation and then thru attrition all took a sabbatical. Now the various clubs, associations and federations thruout NY have gotten together again to work & raise funds to sponsor the Empire State S&R/D festival on Columbus Day weekend in 1987 in Rochester, NY. We wish them luck as they start on this new venture.
