From the desk of JOHN & MARY AQUINO, presidents NNJSDA

We hope you all had a very happy and healthy summer and are ready to get back into the swing of things. For those of you that we haven't seen all summer, we are looking forward to squaring up with you at your club or an Association Dance.

We want to especially welcome all our recent graduates and hope that our more experienced dancers will square up with these new dancers and welcome them into our wonderful world of Square Dancing. We feel this is the time we can help them decide to stay in this great activity. A smile, a helping hand and an invitation to dance in a square with us will do wonders for all. If each of us did this for at least one tip during a dance, we will all walk away feeling a lot better for it.

We would like to see every one of you at at least one Association Dance this coming year. Remember it is YOUR Association.

How often have you heard the expression "Square Dancing is one of the best kept secrets"? Let's all get together and let the public know that Square Dancing exists in Northern New Jersey.

Bumper stickers will be available to everyone through the NNJSDA and/ or your club. Let's all advertise our wonderful fun filled activity with bumper stickers.

BLOOD BANK NEWS

The first year of the NNJSDA Blood Bank was one of mixed results. We started off by providing blood replacement for a dancer who had open heart surgery. During the year, drives were scheduled in 2 areas, and one club, the Merri-Eights conducted its own drive. In 2 situations we were able to conduct the drives on the scheduled days. In one situation we did not get enough donors signed up and members of the groups in that area did donate on their own thru the Red Cross. During the year, members from several areas, especially Staten Island, have been donating blood for NNJ, and we will undoubtedly be scheduling a drive for SI and Brooklyn clubs this fall.

While we are trying to set up donor dates encompassing several clubs in the same area, we are also going to be mailing to each club open dates in which they can donate on an individual basis in their area.

It is difficult organizing blood donor days with clubs and members so spread out. It is frustrating to work many months to set up a date and cancel it at the last minute because we could not get the minimum number of donors. Even though many of us have blood programs at work or through other organizations we belong to, there are many, many dancers and their families who do not have this protection. We will be asking the presidents of each club to appoint a Blood Bank representative to work with us.

It may be "corny" to say "the life you save may be your own", but blood donors truly are lifesavers, and even if you belong to another blood program, your participation in ours will help many of your fellow dancers. If you do give blood through a Red Cross program, our ID number is 9192. Please make sure that you notify the Red Cross of this so that we can get the credit. Also, we have special danglers for all those who donate. Please contact the Blood Bank Chairman if you have given blood and did not receive your dangle. Thank you very much for your cooperation.

At the Al Moses memorial dance with Edith Moses as guest of honor, we had more than twelve squares and over \$200 was donated in Al's name to cancer care and research. We want to thank the dancers as well as the callers who donated their services.

Our summer dances at Phillips Studio were well attended and we thank all clubs for their attendance, which made these dances successful.

Our deepest sympathy to Shirley Weiner on the loss of her beloved husband, Mac, who was the 1st president of Alemo Squares. A speedy recovery is wished to Marsha Edell, Eugene Weinrich, Trudy Nathenson, Jo Leonetti and Donna "Filet" Anderson.

Our beginner class will start on the 4th Monday in Sept. Our 1st club dance will be on the 4th Sunday in Sept., with Wayne Applegate calling. Watch for our schedule and special flyers.

Luckily we managed to keep dancing throughout the vacation-packed summer. On July 4th weekend dance featured the "surrender" of our favorite British caller, Ralph Stapenell, to a rag-tag representation of appropriately dressed colonials. Interesting S/Ding garb to be sure! The new club officers wish to thank the outgoing officers for all their hard work in arranging an exciting & full schedule for the upcoming year. Through their efforts the transfer of leadership has been very smooth. We participated in the S/D demonstrations at the Bloomsbury Hot Air Balloon Festival & the Somerset County 4-H Fair introducing many of our friends to S/D. Hopefully they & others will attend our classes. For the more advanced we will continue our A-1 & a-2 workshops 1/3 Sundays. Glad to see our new graduates attending our club dances, visiting neighbor clubs and supporting NNJSDA dances. Hope to meet you in a square!

4th Friday CIRCLE EIGHTS -- New Milford, NJ (MS)
New Milford Middle School, Roslyn Ave

Circle Eights, the "fun club trying to be serious" starts the autumn dancing season in a new location: The New Milford Middle School, Roslyn Ave., New Milford. From the May graduates our club added 42 new members to its roster. Our former dancing hall in Cresskill was bursting at the seams. We packed eleven squares into it in June. Looking back on our spring dances, our Graduation Ball featured Joe and Hank, resplendent in caps and gowns, performing their own solo square dance, aided and abetted by Bill Heyman. Our Ice Cream Social in June brought out many new dancers who were willing to sample our mouth-watering desserts and our hospitality. Edith Kolb said she inadvertently squirted Ed Fleckenstein with whipped cream. Ed refused her offer to wipe it off. We're still wondering where it landed!

We are sponsoring a Fall Mini-Weekend at Round Top, NY. Because the autumn colors draw so many people to the Inn, space is very limited. 100% of the dancers who attended our Spring Mini-Weekend have signed up for the October weekend. If you're interested, let us know. Eleanor/Lee Gardner have stepped down as presidents after a very successful term of office. Our current slate of officers is: Shirley/Chris Larsen, Presidents; Edith/Hank Kolb, Vice Presidents; Regina/Larry LaMarche, Treasurers; Edith/Art Lynch, Secretaries; Naomi/David Sandt, Delegates; Eleanor/Lee Gardner, Alternate Delegates; Lynn/John MacGregor, Raid Chairmen; Helga/Alex McConnell, the Hallmark Couple and Mary Ann/Joe Mastrangelo, Publicity.

By the time this issue of Grand Square reaches you, many of you will have enjoyed your vacation. For those of you who have and those of you who are getting ready, we hope you have included some square dancing, particularly the association summer dances.

Our family picnic with a great assist from the weather was well attended, with Wayne Applegate and an assist from Brian Fugere, doing the calling.

Our graduates have been busy work-shopping all summer and we look forward to welcoming them and all other graduates as we start our fall season.

Many thanks to our retiring presidents Vincent/Elaine Gracchi and their officers for a splendid job well done. Congratulations to our newly elected presidents Jim/Bea Jones and all of their officers. As usual, we have a splendid list of guest callers for the new season and we invite you all to come and square up.

"We will teach the classics with emphasis on styling."

We were able to look back upon a very successful season this past year and are now looking forward to a year during which we will dance to 9 different callers for our 17 dances. We will, of course, have our wonderful cuers Carol/Jack McLaughlin for the pleasure of Round Dancing. In November, we will have a special dance due to the fact that Roy Leber will call Squares. PLUS dancers, don't miss this one. Last June, dancers from our club found themselves at Belles & Beaux. Because our 1st Vice President, Dick White, had our banner in his car, we were able to have an impromptu raid. Our president, Ray Brown, pinned their banner with his badge and our treasurer, Mark Kaiser, replaced it with a dated CBS badge at their next dance. Jeanne and Paul Brody made the evening enjoyable for all in the crowded room. Our first outdoor dance this season in July featured Brian Fugere. His rendition of the Polish tune "Melody of Love" was as good as Bobby Vinton's. It was a pleasure for all to dance to his calling. Watch for our flyers.

A good time was had by all at the Graduation Dance in May. Dick Maddocks did another fine job with the graduates. They are a very enthusiastic group. The refreshment committee outdid themselves. Our next dance in May, with Dalt Young calling, was a huge success and with ten plus squares attending. The Ice Cream Social was also our Installation Dance. It was our last dance of the season. As usual, it was fun preparing our own ice cream sundaes with toppings of walnuts, hot fudge, strawberries and whipped cream with cherries. The club did a few demos in August and now are looking forward to our Open House in September.

Hope you all have had a fabulous summer.

Many thanks to out-going officers and board: Zinks, Crawfords, the Byrnes, Hermans, Gangaware/Olsen and Biggs. They were the cement that held us together in '84/'85... (applause). The reorganization committee of Trainors, Biermanns, Noel and Kellogg scheduled a business meeting and picnic in July. Much fun and good food!! Much business was settled by all officers/members minus only seven couples, not bad for Summer and vacation time. Voted to: 1) go to mainstream level with a + workshop and a + tip each dance, for '85/'86 season; 2) beginners class to be held '85/'86 season; 3) open house Sept 27 (see ad, page 56); 4) new format-Rounds 7:30/8:00, Squares and Rounds 8:00/10:30 with refreshments self-served sitdown during announcements 9:15/9:30; 5) accept new hall in Union, NJ; 6) new caller, Brian Fugere, who has a fine voice and nice style; 7) cuers: alternate dates with Rumbles and the Kellogg's; 8) raid at least once a month and 9) support "One Square is Fair" with assignments for Association Dances. You can expect to see a lot of the "New Dancing Squares" members at other dances. We have been busy promoting Square Dancing Summer '85 with demonstrations at Scotch Plains Memorial Day Parade, Union's Heritage Day, North Plainfield's Centennial, Scotch Plains Country/Western Night on the Green and the Kings Market in Garwood. In the process, we have been getting to know each other better than ever. Come dance with us, experience our brand of hospitality - our latch string is always out!!

GARDEN STATE SQUARE DANCE CAMPERS

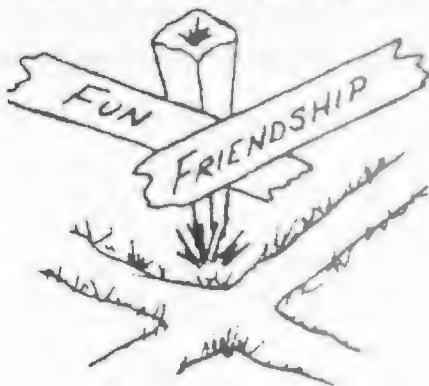

Our July campout was held at Wading Pines, in Chatsworth, NJ, home of the best New Jersey blueberries and cranberries. Our caller was Manny Amor, man of many costume changes-while calling. Our cuer was our very own Doc Tirrell. Good dancing, good weather and our own special campfire builder, Pete Boccaccio, built a good campfire. We enjoyed games of fun put on by Manny and Gail Amor and lots of good snacks around the campfire. We also enjoyed the Saturday before dance dessert special.

Chapter 001 will be hosting the "New Jersey's Heaven in '87" Camporee. It will be held at the Sussex County Fair Grounds, in Augusta, NJ. Our chairpeople are: Wanda/Stan Blanchard and Carl/Helen Ostertag. They are planning a Mini Festival for September '86 and we hope that many Square Dancers from all over will participate. More news will be forthcoming. We are always available to help any group form a Square Dance Camping Club. The National Square Dancers & Campers Association is in Little Chute, Wisconsin with Chapters in most every state.

GRAND PROWLERS -- Rockaway, NJ

(+)

1 & 3 Saturdays

Presbyterian Church, 35 Church St (Rt 513)

Our Executive Committee has decided that if our first two dances in September do not make expenses - Grand Prowlers will cease to exist. Three or four squares of dedicated people do not hold a club together, not in these days of high hall rentals. Our callers have been most cooperative about their fees - our cuer has been donating their services and members the refreshments. But there comes a time when one has to realize it is a losing battle. An announcement will also be made at the Delegates Meeting. Before coming, please call our presidents, Walt and Grace Pennie, to see if Grand Prowlers is still dancing.

Thank you all for your support over the years.

Having many of our long-time members at our last dance, in June, was a pleasure. We hope a repeat at the opener this fall. We enjoyed all the raiding clubs that visited us last year and look forward to many more this year. Look for our raids, too...as we have raid chairmen this year with proven expertise. We will greatly miss Maureen/Casey Smith, who have moved to Connecticut.

Come and dance with us.

HIX & CHIX -- Elmwood Park, NJ (1/3/5 +; 2/4 MS)
VFW Hall, off Market Street

Our Summer Dances were great fun and well attended. The air-conditioned hall really made dancing pleasurable. Also, our new dance format has had good response. We dance Mainstream on the 1st and 3rd Thursdays with Mike Foley, while the 2nd and 4th has Dick Pasvolsky calling Plus. Our guest callers were Bob Robinson and Brian Fugere. Our Rounds were aptly called by the McLaughlins and the Shearwoods.

For two years, Virginia/Bill Boscia served as our Presidents and really did an excellent job...many thanks. Our new Presidents, Connie/John Huettemann have already tackled the office with much vigor along with our Vice Presidents, Edna/Bob Texel. Do come out and support them.

Once again our club was well represented at the Blueberry Festival at the Bergen Mall, Paramus, NJ. We had fun dancing and the many on-lookers kept smiling and applauding...we must have been doing something right. Our club went on some great raids and some fun clubs raided us. Financially we need raids but the fellowship and social-ability is the greatest asset.

We are looking forward to our open house in September. Get ready for the goblins and ghosties at our Halloween Dance. Get into the spirit with or without a costume. Also, our 3rd Annual Super Sunday Special with Marshall Flippo on December 1st. Come join us this Fall.

 Presbyterian Church, 367 94th Street

The summer has been a pleasant one filled with joys of graduations, weddings and various celebrations. Our dancers have enjoyed square dancing in New Jersey, Connecticut and Pennsylvania, as well as other parts of the country.

Our Pot Luck dinner, in June, was a complete sellout and enjoyed by all participants. Recipes were exchanged and the dancing to Frank Riviccio enhanced the pleasantries of the evening.

We look forward to a fun-filled season of dancing starting in Oct., when Dick Pasvolsky will be our guest caller. This will be followed by our Reunion Dance late in October and we invite all former dancers to renew old acquaintances.

We all owe ART SEELE, who passed away late last Spring so much. Many an adult and college student were introduced to the many facets of our activity by Art. His encouragement of others - his love of contra - his helping found CCNJ - his chairing numerous committees for various conventions....We're so glad, even tho he was a South Jersey resident, his love and sharing within our activity encompassed the entire state. Our sympathies to his wife Anida and daughter Betsy Gotta.

Our own well-loved caller, Dalt Young, had an operation for a quadruple by-pass at St. Luke's Hospital, Bethlehem, PA. It was successful and he is healing nicely. Keep up the good work, Dalt. We miss you and want you back in our fold.

Hope to see all of you back dancing when our club resumes dancing this October.

1 & 3 Saturdays M. T. SQUARES -- Woodbridge, NJ (+)
Mary Knoll Road School, Menlo Park Terrace

After the summer layoff, we all look forward to the approaching dance season. We have not been completely idle, however. Besides a few summer dances, a fair number of us bridged the gap with round dance lessons, given by our own Peg and Joe Dockry...right here in Woodbridge.

Our beginners have graduated from basics and continue to workshop. We are looking ahead to when they will progress into our low intermediate group.

As always, at the start of a season, our hopes run high. We MT's have never had a better reason for being optimistic than with our newly elected executive board headed by presidents Coretta/Bob Redding. The ingredients for a banner year are gathered - Capable leadership, fine callers and a real desire of each MT member to make our guests want to return. Be with us, when you can.

1 & 3 Fridays MERRI-EIGHTS -- East Brunswick, NJ (+)
Dag Hammar-skjold Jr. H/S, Rues Lane

This was (and promises to be) an exciting year for MERRI-EIGHTS. It is with regret that we announce our long-term caller, Glenn Cooke, will not be calling for our club because of health reasons. Glenn will still be calling on Mondays through Wednesdays at the shore, near his home. We wish him a complete recovery and hope his many friends will continue to dance with him. As you will note in our ad, we have an impressive list of callers for the rest of 1985. Our club has already booked callers for the entire year of 1986-up through the summer of '87. Fliers will be distributed at the Delegate's Meeting and at our club dances. Pocket-sized dance schedule cards can be picked up at MERRI-EIGHTS dances or by getting in touch with our Grand Square reporters. We ended our year with a raid at M-T Squares and a demo at the YWCA in New Brunswick. More than 5 squares of club members danced at Manalapan's Tricentennial Fair. During the summer, we had great turnouts at our club dances and at our demo at the Middlesex County Fair.

Joe Fioretti will be teaching our class this year. Our new year started in September with Carl Hanks calling the first dance of the season. Our barn dance in September, was scheduled to help recruit students for our classes. Planned for the fall are special dances, raids and mystery bus rides. Even though the temperature is 85° as this is being written, we would like to let you know that Rob Bissey from York, PA., will be calling our New Year's Eve Dance. Those who attended last years dance agree this is a terrific evening.

Thanks to our many friends who supported our club this past year and we look forward to an exciting new year.

We are sorry to announce that two MERRI-EIGHTS members passed away during the last couple of months, Dennis Nale and our new class coordinator, Otis Henry. Our condolences to their families. Our past vice-president, Jane Bubenick, gave birth to a daughter in July. Our congratulation to Jane and Chad.

Our 1984/85 season finished up with a most successful pot-luck supper - our best yet - topped off with a delicious sheet cake from Joe and Debbie Landi. To the delight of our dancers, young John and Pamela Landi were also in attendance and we were pleased to see how they've grown since their last visit .. whilst none of us have aged a bit!

Paul/Betty Stone will continue as Presidents of our club for '85/'86, with Dan/Julie Bove as Vice Presidents, Roger/Nancy Remington as our Treasurers again and Al/Joan Lawrence doubling up as Delegates and Host/Hostess. We hope that former Presidents Bill/Renee Torreyson will be back on the dance floor with us again as we hear that Bill has recovered nicely from eye surgery.

We are looking forward to another super season of A-2 dancing with Joe and we're sure he has thought up some interesting choreography over the summer break. Don't be shy - come give us a try!

PRINCETON SQUARES -- Princeton, NJ (ThursMS/Fri +)
 2 Fri/mo; every Thurs Community Park School, Witherspoon Street

Princeton Square and friends from numerous other clubs filled the hall and danced up a storm at all of our special summer dances. The callers were great and the Nottingham Ballroom, with air-conditioning and a wooden floor, is a joy to dance in. Summer officially ended with a Labor Day picnic for club members at Norm/Jean Scattergood's farm.

Our bad news is not really news to other square dancers. Anyone who has ever danced with Glenn Cooke regrets that he has had to cut back on his calling. Princeton Squares members are especially sorry to lose a wonderful caller. Our good news is that John Kephart moved into the area just in time to help fill the gap and we're delighted with our personable new caller.

Everyone come dance with John at our regular PLUS dances at the Community Park School in Princeton on alternate Fridays. In addition, this year, there will be Thursday evening Mainstream dancing at the Nottingham Ballroom. This is a good opportunity for new dancers to hone their skills before venturing to higher levels.

Roy Gotta will continue to cue round dancers as they glide around the floor and Ron/Ree Rumble will be teaching Intermediate Rounds so that everyone will be able to glide even more gracefully.

2 & 4 Saturdays RAMAPO SQUARES -- Oakland, NJ (A-2/APD)
Heights School, Seminole Avenue

The date is the fourth Saturday in September, the place, the time, the squares, the rounds, the spirit, the mood, the atmosphere----- just right, as it's traditionally been for 33 years--as Ramapo inaugurates it's 1985-86 schedule. Our beginning of the season callers will include Joe Ubelacker, along with Todd Fellegy and Bruce Busch. Need we say more!

Plans for the late fall and early spring are underway for at least two special afternoon and evening pot-luck supper dances. As we did at these acclaimed and popular dances last year, we'll start with a few C-2 squares, spend the afternoon with C-1 and the evening, a regularly acheduled Ramapo dance as A-2/APD--Peg/Doc at the mike on our rounds.

If you haven't been dancing all summer, you probably can't wait to start swinging again and our ad--with it's announcement of our Sept., Oct., and Nov. dances points the way. Those who never stop, know already that Ramapo's A-2, APD dances are the top of the line. We're looking forward to greeting you all, with a special welcome to new Ramapo Dancers... and a happy catching-up with all our Ramapo regulars!

2 & 4 Saturdays RICHMOND DANCERS -- Staten Island, NY (+)
 Episcopal Church, 2329 Victory Blvd.

HAVE PARTNER, WILL TRAVEL was the calling card of many Richmond dancers this past spring and summer. Rather than confine their travels to horseback, our members chose to fly or sail to such far away places as New Zealand, Australia, Hawaii, Mexico, Grand Cayman Islands, Jamaica, England, etc. Locally, our members were found in impressive numbers at NNJSDA Summer Dances. BRAVO Jim/Barbara Cannon, our presidents, for encouraging and accompanying our newest members to all Association dances.

We continue to expound on the philosophy that cooperation and not competition among clubs is an essential element in the square dance community. With this in mind, we again welcome the opportunity to join with Isle Squares, Ocean Waves and Staten Square Set in sponsoring our beginner's class (RIOS). OPEN HOUSE will be held the 3rd Tuesday in September with Marty Clifford instructing.

Congratulations to our dear friends Jim/Jean Laird, who recently celebrated their 50th wedding anniversary. The Lairds are not only charter members of Richmond Dancers but were very much responsible for the formation of our club 34 years ago.

Our club is dedicated to your likes and all the things that make you, the dancer, special. We shall attempt to entertain and involve you in all of our happy happenings. With your support, the season will be a most successful one. For schedule - see our ad.

2 & 4 Thursday RUTGERS PROMENADERS -- New Brunswick, NJ (MS)
 Douglass College Center

Welcome back dancers to another year of dancing and fun. Thanks to all who came out to our picnic this summer to make it a great success and lots of fun. We have had the first dance of the new season, as well as our Hi-Lo dance. By the time you read this, our lessons will have begun. Come out and Join us.

31 years ago Art Seele started the Rutgers Promenaders here at the university and had been calling for us ever since. We have all missed Art, since his passing earlier this summer and he will be remembered by all who knew him and danced to his calls.

SOLITAIRES -- West Orange, NJ (MS)
 1 & 3 Sundays Community House, 242 Main Street

Our last dance of the season closed with one of our famous Covered Dish Suppers. Elections for officers produced a few new faces, a few familiar ones. We would like to thank all our officers for their efforts over the past year and wish the best of luck to next year's crew. Meanwhile, we kept in practice at the NNJSDA Summer Dances.

Join us this coming season with new callers, new graduates and new friendships.

EVENINGS AND WEEKENDS

2 & 4 Saturdays

SOMERSET HILLS -- Bernardsville, NJ (+)
Bedwell School, Seeny Drive

Where were you on the evening of May 4? A bus load of Somerset Hills members and guests can answer that question. They were in Wilkes-Barre Pennsylvania dancing to the calls of Carl Hanks. The occasion was the Mystery Bus Ride, ably arranged by Jim/Joyce Kelly. The dance and the in-transit festivities were enjoyed by all.

Our first year dancing on Saturday night at the Bedwell School in Bernardsville, has been very successful. The year ended with a Sock Hop, in which socks brought by the attendees were donated to a local charity and the Strawberry Festival. Our Glenn Cooke dance was rescued at the last minute by John Kephart. We thank John for an enjoyable evening and wish Glenn Cooke a complete recovery.

Somerset Hills does not hold dances over the summer. However, we look forwarding to seeing everyone in September. Once again, we plan on sponsoring a beginners class taught by Bob Tarrant. If past classes are any indication, we should turn out a large and enthusiastic crop of new square dancers by next May.

We hope to see you soon at Sommerset Hills.

SPINNING WHEELS OF WAYNE, NJ -- (1/3MS)
every Monday Schuyler Colfax Jr H/S, 1500 HamburgTpk. (2/4+)

Spinning Wheels ended it's season like a June Bride-with something old, something new, something borrowed and something blue. Something old-callers signed to return next season, including Paul Brody and Fred Weiner, who have been absent too long. Something new-is callers Trout, Stapenell and Johnstone, who will be making initial appearances next season. Something borrowed? Why, all you guests we have borrowed from other clubs last year. Something blue-being our blue and white raid outfits.

We can't claim the Bride was as pure as the driven snow, as she gave birth last May to two squares of new dancers at our graduation, but she is a lot of fun as you will find out if you come to visit her in 1985-1986. She receives visitors Mondays, starting with her Open House in September. Check her schedule and find out who her "husband" for the night will be. Come visit us and bring your Blue Century or your check book. We don't accept Visa, Master Charge, Diners Club or American Express cards but we will accept Patrons Cards. Club officers were installed in June at the annual installation dinner dance. Both guest caller Manny Amor and our regular cuer, Joan Newman, did an outstanding job. The new slate of officers is: Ruth/Bill Hughes, p'presidents; Dot/Tom O'Brien, vice presidents; Eileen/Ken Merring, recording secretaries; Maria/Tony Attanasio, corresponding secretaries; Bernadette/Stan Beva, treasurers and outgoing past-presidents Margaret/Frank Birmingham as advisors. Congratulations to all.

Dangles were presented to Chris/Tom Piciocco for chairing the fall Barn Dance, to Eileen/Ken Merring for the Valentines Day Dance and the Round-Up, to Jim/Pat Ray for the St. Patricks Dance and to yours truly for the Winter Holiday Dance.

Recipients of the presitgeous Blue Jay Award were Bernadette/Stan Bevan who join a select group of club members honored for their outstanding service to the club.

A Special word of thanks - goes to Sal Incontro for his usual dedicated service in printing our flyer and dance tickets for many years.

In July, we raided Y Squares in Islin, NJ. We were represented by nine couples all dressed in our club colors of yellow and navy blue.

A final note of thanks to the Bevans, our predecessors, for an excellent job as club reporters to the Grand Square. We hope to follow in their footsteps. Remember, we dance for fun and friendship.

GRAND SQUARE BOOSTER BALL - Sunday, Sept. 29, 1985

3-6 pm

See flyer for location or call G/S Staff

Summer is over but we have our Square Dancing to look forward to. The Sussex Spinners had a grand spring. The dance held for the new graduates in May was a gala occasion. Many students from all over the northern part of New Jersey attended. Flag day was never celebrated with such joy as our Flag Day Dance in June. Square Dancing is the official dance of the good old USA and we sure danced in the spirit of the red, white and blue.

In August, our club presented demos at the Sussex Farm and Horse Show. The club members enjoyed sharing their skills and enthusiasm and welcomed the public to take part in our fall beginning classes.

We look forward to a fun filled year with our Sussex Spinners family and welcome new members and visitors. Look for our black and white costumed dancers at your activities. All new dancers welcome.

TENAFLY SQUARES -- Harrington Park, NJ (MS)
 2nd Friday Community Church, Harriot Avenue

We are surely glad so many dancers found our new location. The Community Church is on Harriot Avenue with the entrance on Spring St. Parking is behind the church and well lit. Our callers will enjoy calling from the stage while our round dancers and square dancers will certainly enjoy dancing on the spacious wooden floor!

The twenty squares of eager dancers, who showed up at our June "Moonlight on the Hudson" Dance, were very surprised that the expected Peter Richardson wasn't there. A sudden illness prevented him from coming from Florida. But with Paul Brody filling in at the last minute and calling with an imitation British accent, everyone had a good time. The moon was really "on the Hudson" and dancing was GREAT. We were pleased to see many recent graduates enjoying themselves. With Doc Tirrell cueing, the round dancers had a ball.

Our new presidents, Ed/Linda Fleckenstein and their crew, have planned many special happenings for our next season which began on an auspicious date, Friday the 13th of September, an opportunity for the newer dancers to earn their "Black Cat" danglers. Don't forget, we always welcome veterans as well as new graduates at our dances.

We wish to thank the outgoing officers for the excellent service to our club. That is what Square Dancing is all about...fellowship & fun.

TENAKILL TWIRLERS -- Cresskill, NJ

(MS)

3rd Friday

Bryan School, Brookside Avenue

Now that you have relaxed all summer, you should be ready to get back into the swing of things! Tenakill Twirlers will commence the season once again with our own John Kaltenthaler on squares, Freddie on percussion and Doc/Peg Tirrell on rounds.

We offer an excellant variable dance, it may be mainstream but we defy anyone to say they have not enjoyed the dance due to the unique formations John K. put us thru. To add icing on the cake (literally), our refreshments are not to be outdone. We welcome all new and experienced dancers - with "ENTHUSIASM".

We are a caring group - upon the loss of our ever faithful, life member and long time recipient of the Luccarini Award, both Tenakill Twirlers and Happy Squares, each contributed to the Englewood Hospital Capital Fund in memory of Paul Pullman.

We all wish Dalt Young a complete and successful recovery.

Check our ad - and come on down.

As we opened the envelope out fell a recent photo and card which stated simply, "We grieve the passing of a gentle person - Paul H. Pullman Jan. 26, 1903 - May 3, 1985." And as our memories overtook us, there was really no better epitaph - Paul WAS a kind - helpful - considerate person, who along with Dorothy made all our lives so much better for being our friends. We missed them when they retired to FL... & now even more. But knowing Paul, he probably is working on improving the efficiency in Heaven & organizing some S/D clubs for us all.

WARREN WHEELERS -- Port Murray, NJ (MS/QS, some +)
 1 & 3 Thursdays Mansfield Township School, Route 57

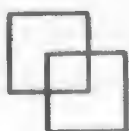

I hope everyone had a happy summer and are, like myself, looking forward to another season of square dancing.

Our club was busy keeping our treasurers' books in the black. We worked at a refreshment stand at the balloon fair and also, had a stall at a local flea market. The club members are determined to keep going -our small but enthusiastic group.

We hope to have a class this year but at the time this item was prepared, no definite plans had been made. A great program is planned for the coming year. We hope you plan to square up with us very soon.

Second and fourth Saturdays are our dance nights now. Given the opportunity to add a second Saturday to our calendar, our presidents Rose/Leo Rogers and staff, elected to do so; and they have worked up a schedule of great callers and specials. Watch for our flyers for full particulars. Please note that we no longer dance on Wednesdays.

Our opening dance is the 4th Saturday in September with Bob "Smiley" Tarrant calling and the Shearwoods on the rounds. We hope to see everyone there.

Our "Dance under the Stars" series with Dick Pasvolsky calling was highly successful and up to 11 squares came on Monday nights throughout the summer to dance and learn PLUS figures. We wound up the program with an open house for dancers and non-dancers.

As another summer ends we look back at the dances we enjoyed with old & new friends. To you newer dancers this was a sample of things to come; to seasoned dancers, a chance to meet old friends doing our favorite activity under air-conditioned evenings. Good news! We will continue good dances to good callers with good friends. Costumes at Halloween dance desired-not required. With the first dance of the new season already behind us, we take a moment to wish our new officers the best, they need our support for without us they would have no club to lead & without them we would just be a-floundering. Let us make '85 the year to show we're glad to be alive....try to dance a little more than in the past, or join a committee, or hold an office- let's see more of each other. See you here.

THE THREE SKIRT WARDROBE.

A well rounded wardrobe should consist of three basic circle skirts, one white, one red and one black. The stores are full of attractive blouses and shirts which will extend these skirts into a varied wardrobe.

The white skirt can be decorated for the holidays with pretty felt flowers and designs for the occasion. These additions can be basted on with clear thread or purchase narrow two sided tape and tape them on for the evening.

Attach a grosgrain ribbon sash either the color of your blouse or to match the design you have attached to your skirt. One and a half yards of inch and a half ribbon ties a nice bow for a 28 to 30 inch waistline.

The black skirt can become a formal skirt when topped with a frilly lace trimmed blouse. It also can be decorated smartly for Halloween with goblins, pumpkins or scary cats.

The red skirt makes a lovely Christmas skirt trimmed with white and green cutouts of your choice. For the Fourth of July your red skirt can be decorated with huge white firecrackers or another symbolic design. A white tailored shirt and a red, white and blue striped grosgrain ribbon sash carry out this theme nicely.

Now that you have three skirts in your wardrobe it's time to think of blouse purchases. A dressy black blouse can be worn with the white skirt. This time a black grosgrain ribbon sash to encircle the waist. The black blouse can be worn again with the black skirt. Add one of the new bold shiny belts that are so fashionable. Soften your neckline with brightly colored beads to match your belt.

The red skirt will do best with a white dressy blouse or a tailored shirt of white. The ribbon sash can be red or white, or the striped one mentioned before. Thoughts from Granny.

CALLERLAB

The International Association
of Square Dance Callers

CALLERLAB HAS ADDED A NEW CATEGORY OF AFFILIATION - the CALLERLAB APPRENTICE. For some time there has been concern that newer callers who cannot qualify for member or subscriber status do not have ready access to up-to-date info from CALLERLAB. Many have expressed a desire to receive CALLERLAB publications & attend the convention. The wisdom of providing these future leaders with proper training & guidance is apparent. The APPRENTICE may be a caller who does not meet the requirements for membership such as calling 50 dances per yr or once a week for the 3 most recent years; they may attend the convention in a non-voting capacity; may not serve on committees; gets no vote; and may convert to full membership when all requirements for FULL membership are satisfied. Dues would be the same as for a Member or Subscriber. For more information write CALLERLAB at Pocono Pines, PA 18350.

JOIN US FOR A FUNNIGHT

It is with great sadness that we note the passing of ART SEELE in June. Art was very involved in the founding of CCNJ and Rutgers Promenaders. He served as Contra Chr. at both the 1984 National S/D Convention as well as the 1985 CALLERLAB Convention in Phoenix. A Memorial Scholarship Fund has been started by clubs associated with Art. Donations may be sent to Roy Gotta or Bruce Busch. CCNJ recently received a generous donation from Belles & Beaux to establish the Lon Bieszard Memorial Fund for Caller Education. CCNJ is pleased with this expression of Caring & Sharing on the part of Belles & Beaux members. Those of you who would like to share Lon's love of Square Dancing are welcome to make additional donations to that fund. Look for the flyers with details about our special MAINSTREAM REFRESHER DANCE on Sunday September 8th as well as a SPECIAL DANCE on February 23, 1986 featuring BOB HOWELL. Mark your calendars!!!

LEGACY (The International Assembly of Trustees of the S/D Activity) trustees from 24 states & Canada attended LEGACY VII in Philadelphia, PA last May. Each of these trustees paid his/her own way to the convention to work for the betterment of the S/D activity and included callers, R/D leaders, dancers, suppliers, publishers, etc. representing the many facets in our activity. The theme of the convention was "FAMILY".

During a very busy schedule which even included moderator and committee reports being given during the meal - at dessert time - the many facets were examined. Attention was focused on the results of the most recent LEGACY survey, which indicate a number of problem areas.; A highlight of the convention was the presentation of the newly established LEGACY HERITAGE AWARD to Bob/Becky Osgood for their many years of devotion and service to the S/D activity. LEGACY became computerized this year as Trustees Barbara/Jim Connelly brought along theirs to help with the many resolutions & proposals that came from the Closing Session. More information on these will be forthcoming in another issue. On Sunday outgoing Chairman Doc/Peg Tirrell turned over the gavel to their successor Bob/Dottie Elgin of PA. Attending from the NNJ area were Donna/Bill Anderson; Mary/John Aquino; Helen/Frank Cavanaugh; Betsy/Roy Gotta; Peggy/Bill Heyman; Freddie/John Kaltenthaler; Betty/Frank Olier and Peg/Doc Tirrell. The next meeting will be in May 1987.

Covered Bridge, Lakeland, Cross Trail, Hill City & Somerset Hills Squares all took advantage of KINGS Super Market Farm Festival in August by putting on demos - This week long event in a number of towns received a lot of publicity....and hopefully generated interest in classes.

conventions.

Round Dance teachers from 24 states & 2 Canadian Provinces attended the 9th Annual Convention in Birmingham, Al last June. This, the first time ROUNDALAB has held its convention immediately prior to and in the same city as the National S/D Convention saw many of its members actively participating in both

There was a strong feeling of cooperation & comraderie among the teachers as they continued the work of R/D Standardization. Additional figures were placed in the Six Phases of R/D which will enable all choreographers to phase rate their dances more accurately. Compilations of the 3,241 R/D surveys were presented to the membership for evaluation and discussion.

The Video Tape Committee reviewed tapes and made plans to develop a library of all Six ROUNDALAB Phases of Round Dancing. On Sunday evening all attendees participated in a teacher training clinic. Monday evening's session was devoted to "You Asked For It" figures. All also had the opportunity to share their expertise and gain new knowledge in 3 Swap & Exchange sessions. At the Monday evening Award Banquet certificates and awards were presented to attending teachers who had attained their 10, 15, 20 & 25 year of teaching round dancing...including Marie/Stan Shipman (10 years) & 25 year teachers Doc/Peg Tirrell.

Clancy/Betty Mueller of IN were elected Chairman. Serving as Executive Secretary will be Peg/Doc Tirrell.

3,241 Surveys were returned from R/D all over the world. The average R/D answering the survey was in the 50-65 age group with over 92% having square danced. The average dancer had square danced over ten years and had been round dancing for almost eight years. 80% belonged to a R/D club. While over 28% learned their basics of R/D at a S/D club, 74% had also attended a basic class of R/D instruction. The dancers showed a strong dislike to round dancing to tapes and cued records and a mild dislike for

records with vocals as well as memorizing sequences. Their greatest pleasure, besides just the enjoyment of R/D itself, was being with friends and leaders cueing rounds. Pleasure was also expressed in learning new figures, the exercise, learning new rhythms and just plain getting out. Mild pleasure was new acquaintances, the challenge of rounds, cost and clothes. Comments were received on about ten percent of all the surveys. Most of them dealt with new dances and level of dances. It was the feeling of most dancers that there are too many new dances and that most of the new dances don't stay around very long. The next largest amount of comments dealt with standards. Most of those wanted cues standardized and dances cued the same way. Some comments dealt with teaching techniques. Quite a few expressed appreciation for their teachers.

ROUNDALAB thanks all who took the time to answer the survey and is carefully evaluating the results in light of its current program on Standardization, Phase Rating System, Cue Word Standardization, Video Tape Committee, Teacher Training Program and Teaching Progression Manual.

Cliff/Pam Gordon, Survey Chairman, deserve high praise for handling all the computer entries, compilation and evaluation.

CALL

After 10 years of putting a float in the Pasadena Tournament of Roses Parade, the Square Dancers of America, along with 3 other float sponsors, have been asked to step aside temporarily to allow others who have been on a waiting list an opportunity to participate in the 1986 parade. We will apply for sponsorship in future parades. Not having a float will give us an opportunity to raise funds to pay off the 1985 float and all other existing debts, (\$40,803.) including the advance loans of our co-founders the Foggs and the Naddeos. Our current fund-raising program is continuing with the sale of magenta roses, drawing tickets, etc. The area contact in NNJSDA for roses, etc. is Hal/Florence Margo 346 New Dover Rd., Colonia, NJ 07067.

ROUND DANCE HIGHLIGHTS - - - Anne Gallo, NNJSDA R/D Liaison

How many recall the Round Dance picture back in the 50's? What little there was was treated almost as an unwanted child. Except in Metuchen, NJ where R/D from all over converged Saturday evenings at 7:30 for an hour of R/D instruction from the areas only R/D Teacher BOB/EDITH THOMPSON before the squares began. In the late 50's Bud/Betty Sibbald persuaded the Thompsons to come "up north" and devote an entire evening just to rounds! Resourceful Bud found a free hall under the Valley Fair in Paramus and lo! Valley Stepper R/D Club was born! For years the Thompsons battled the traffic Friday evenings just to share their expertise until they felt the Sibbalds & their friends Mildred/Dan Hulin were qualified to take over. During this period Doc/Peg Tirrell were talked into starting a R/D Basic group in Cresskill, NJ while John/Kay Adams began to fill the void on Staten Island and Roy/Sylvia Keleigh did their share in South Jersey.

Why this nostalgia? Because the Northern New Jersey R/D Leaders Council is celebrating its TWENTIETH ANNIVERSARY this fall. 201-539-9205

We've been busy with Fred Fields conducting a summer workshop, accompanied by Ellen Fury, rounds. In September, Masqueraders officially became a board-run club. Fred and Barbara, who have done such a terrific job of running the club since the beginning, can now dance with us. But Fred will also be calling for us twice a month. Other callers will include Joe Fioretti, John Kephart and Wayne Applegate. By the time you read this, the luau, complete with barbecued pig and planned by Ed/Lucy DiPolvere, will be a happy memory. Brian Fugere will teach our classes while John Toll will teach our R/D classes, starting in October on Wednesdays and Thursdays respectively. Also, Fred Fields will be conducting monthly APD (DBD) workshops 1/3/5 Fridays. Call Fred 609-921-2781 for details.

We have a full program planned, come on down and dance with us. There is always room for one more couple.

 1/3/5 Thursdays Bayberry Lane School

After a summerfun of Association dances and the National Convention in Birmingham, our new committee is planning many innovative feature dances for the 1985-1986 season. In addition, square dance beginner classes under the tutelage of Bob Allen.

The Barn dancing and demo squares we sponsored at the Somerset Co. 4-H Fair provided a wondrous time for all and the Fair a unique experience to be fondly remembered.

Happily encoring next season will be Carl Hanks/calling, Roy Gotta/cueing and Peg Tristram/round dance classes.

Come on Guys and Dolls-fun's the name of the game. If we missed you at our opener early September, we'll see you at our next dance. New grads welcome. Please check our flyers for particulars.
