**From the desk of JIM & JOYCE KELLY, NNJSDA PRESIDENTS**

Here it is 1991 - time surely flies! The 1990 dance year ended with a special dance for Peg & Doc Tirrell to commemorate their retirement as *Grand Square* Editors. Thanks again Peg & Doc for your advice and support during the years. Please dancers, help us welcome our new Editors, Kathy & Charlie Porter; they are a very capable couple who we know will make every issue of *Grand Square* a special one. We can help to make their job a little easier by giving our support whenever they ask for it; send in your ads on time and to the specifications. Send any ideas or suggestions to the Porters; we're sure they will be delighted to consider them for future *Grand Square* issues.

The 16th Mini-Festival, as most of you already know (with 53 squares in attendance you were probably there), was a tremendous success. For those dancers who could not be there, the dancing was terrific; the callers were great; and the food was delicious. Even the weather cooperated. We hope you can make it to the 17th Mini-Festival. Our sincere thanks to all who helped on the various committees and a special THANK YOU to our Delegates who sold the tickets and publicized the dance. They did a great job! We should all take a minute to look for our Delegates and personally thank them for supporting our clubs. They faithfully show up at all the NNJSDA Delegates Meetings, distribute and pick up flyers for our clubs, exchange ideas and share all information with their club members. They often help the NNJSDA on various projects, but they never look for recognition or thanks. This is our time to tell our Delegates how much we appreciate their efforts; they help make Square Dancing the Wonderful World it is.

Our 2nd Vice Presidents, Len/Joan Anfinen, are busy planning our first dance of 1991, the Student Dance on January 27, 1991. Please come

BOOSTER DRIVE

Beginning with the distribution of this issue of *Grand Square* at the Delegates Meeting on January 20, 1991 and continuing through the month of February, we will be conducting the annual *Grand Square* Booster Drive.

We ask that EVERY dancer and student contribute \$1.00 to defray the cost of producing *Grand Square*. We are committed to printing as much information as possible to keep you well-informed. However, our advertising

rates to do not cover our expenses and, if we raised them to that level, the clubs could not afford to advertise. *Grand Square* has always operated on a tight budget and was in the red last year even with the Booster Drive. Each issue costs slightly less than \$1.00 to produce. These costs reflect only charges for printing and supplies. The *Grand Square* staff does not receive any remuneration and is truly a labor of love.

We want to thank all of you for your generosity in the past and hope that you will be just as generous this year. Please show your support for *Grand Square* with a \$1.00 contribution and wear your Booster all during the Drive.

*Our strength as humans is that we can laugh at ourselves for being ridiculous. Our weakness is that we have to do it so often.*

*There Are No Better Words Than*

## *Thank You*

We are still on a high from the last two Friday evenings in November. Each of the Friday tributes were special to us in their own unique way. Y Squares tribute, with long time friend Jean Kellogg as MC and Maurie Berlinrut's song fest, brought back many memories of events that happened during our quarter century of editing. Jean even cued many of the rounds we had choreographed. Round dancing as Brian Fugere & Peg Tristram sang "I'll See You In My Dreams" was a first for us.

It was a very humbling experience to find so many folks, from all over, who had come just to say "thank you" at the tribute dance the NNJSDA held for us the following Friday. Again a flood of memories as we danced the first chorus of our "Inner Harbor Waltz" (which our family had demoed at Baltimore's NSDC in '84) before others joined us on the floor. We had told the Porters when they agreed to become Editors that the hardest job of editing was sometimes the covers....and that we have a story to fit each one! We will treasure that most thoughtful collage of 25 years of GRAND SQUARE covers the committee assembled...as well as our lovely engraved glass tray, which has already been used. We've read & reread the many comments in the Memory Scrapbook from those who attended the NNJ's evening....and will be adding pictures and additional cards from those unable to attend but had sent us notes. (By the way, the video tapes of both evenings came out great.)

What made both evenings even nicer was the fact that our New England family was able to come partake in the festivities...especially as GRAND SQUARE occupied so much a part of the family growing up period. We feel so blessed. Most folks go thru their lives and never know how much they are appreciated or how many friends they have.

We compare our lives to an hour glass. What is in the bottom is time past. The narrowest is time - NOW. And in the top - our future - which becomes more precious every day. Each one of us relates to his grains of sand differently....especially as they relate to the future supply. Each of you, our dancing friends, has shared in our grains of sand in the bottom of our hour glass. We hope that you will continue to share in the remaining grains left in our top portion. God Bless you all.

2 & 4 Fridays

It is now 11 p.m. and I have just returned from our Tribute Dance for Peg & Doc Tirrell. It was a wonderful dance. We were raided by 7 clubs and the hall was packed. The Tirrells' daughter, son-in-law and grandchildren were also present to share the Tribute, as were the new *Grand Square* Editors, Kathy & Charlie Porter. We danced, conversed and watched Peg & Doc dance to "I'll See You in my Dreams." Jean Kellogg, Mistress of Ceremonies, told of the many contributions the Tirrells have made to Round and Square Dancing. The list was long and showed the dedication these wonderful people have given to an activity they truly love. They have touched the lives of many people, always with a smile and a friendly greeting. They may have changed hats, but they are still giving 100% to Square and Round Dancing. Thanks from all of us. Don't forget to check our ads and come join us for a night of fun and friendship. See you in a square.

WARREN WHEELERS -- Port Murray, NJ (MS w/+ tips)

1 & 3 Thursdays

Mansfield Elem. School, Rt. 57

Hi, out there in square dance land. Hope all of you had Happy Holidays! Time now to beat the winter blues by getting out to dances. Warren Wheelers instituted two new policies last year which seem to be working well for our club. One was to pay ahead for our dances and the other was the 1st tip Plus Workshop. All Plus figures taught or reviewed in the first tip are used the entire evening. We have seen an increase in attendance and the dance level of the entire club is picking up. On top of all that, Presidents, Doc & Esther Wasser, report that we have a good class. When they graduate in May, the dance program will be lowered so that they will be able to dance with us for the remainder of the year. Those of us who attended the Mini-Festival had a great time. We are now looking forward to the State Convention. Hope to see you there! Till next time, happy dancing!

Our Turkey Shoot was a blast! And the winner was Ted Tristram! We had some special visitors that evening; our very first Presidents, Marianne & Harold Breene; Norma & Barry Cohen; and some folks from Omaha, Nebraska. We are so glad that the Breenes and the Cohens are dancing again. We welcome all dancers who have been absent for a while. There's always a helping hand and that's what square dancing's all about. Maurie & Taras Berlinrut were given very special recognition for participating 87 times in raids, demos and Association dances! Speaking of demos: we were honored to be included in the Bill of Rights Celebration in Morristown, the only stop in New Jersey on its grand tour of the country. Square dancing is part of our heritage, too. The Ness' have organized a demo at the Crestwood Nursing Home in Whippany, one of several community projects for our club. Welcome back, Dick Lighthipe! Our Class Instructor is back on his feet now and will continue teaching our new class. Keep well, Dick. We have a very enthusiastic class and hard working angels. Please see our ad and note our Special Dances. Note, too, our dance location for the the 3rd Thursday in February is the Union Village Methodist Church in Warren on Hillcrest Road. Then, back to the Bayberry School.

Tenakill Twirlers are in full swing this autumn, squaring up with John Kaltenthaler and round dancing with Doc Tirrell. Of course, Freddie and Peg are there to lend their expert support too. We had visitors from California in October and in November a couple from Illinois joined us. Our lovely and gracious Madam President, Fanny Meyer, welcomed all and gave dangles to our visitors. It was also announced that the club's half of the 50/50 would be given to the needy of Cresskill. We are glad to hear that Art Rellinger is home and coming along nicely. A speedy recovery Art, we all miss you. Looking forward to seeing you at our next dance; come help us celebrate our 40 years of dancing.

The night of our November dance was the beginning of a holiday weekend; it was a chilly autumn night; the weather forecast was for rain and we were not dancing in our usual hall. Nevertheless, half a hundred dauntless dancers, including a raiding party from Belles & Beaux, overcame all obstacles to dance to Bob Mitchell and Nick Raspa. When they want to dance with us, nothing stops them!! The Holidays are all memories now and we're into a new year. We hope that all of you resolved to pay us a visit in 1991. A warm welcome is awaiting all dancers who haven't danced with us yet. Don't let another month pass without enjoying our hospitality. We'll be looking for you.

2 & 4 Fridays

Sussex Country Vo-Tech, Rt. 94

By the time this issue is in print, we will be well into 1991, with our usual fabulous New Year's Eve dinner dance behind us, but the beautiful memories lingering on. Happy New Year to all of our square dancing friends. May you all have a year filled with good health, happiness and lots of joyful dancing. Our fall dances have been exciting and loads of fun. Thanks to great callers and of course to Al & Gale Spinks for their fine cueing. Our thanks to Leisure Squares and to Ironia Reelers for their lively raids. We hope they enjoyed our dance as much as we did enjoy raiding Kittatinny Rangers. What better way to meet old friends and make new ones. We also wish to thank the many visitors we have had at our dances. We enjoy dancing with you and appreciate your support. We were happy to see Ed & Betsy Hull at our November dance after their recent automobile accident. Our good wishes to Betsy as she continues her recovery. We welcomed Olive & Harry Graveman as new members of Sussex Spinners. The Gravemans are new to Sussex Spinners, but not new to square dancing since they have been square dancers for many years. The welcome mat is always out for new and old dancers.

STATEN SQUARE SET -- Staten Island, NY

(+)

1 & 3 Saturdays

St. Albans Church, 72 St. Albans Pl.

We had a fine turnout at the 16th Mini-Festival. Two full squares attended and we were an enthusiastic bunch as we proudly carried our club banner. Staten Square Set celebrated its 42nd Anniversary with Brian Fugere calling exciting and innovative tips. We had 12 squares dancing and were happy to have Richmond Dancers raiding. It was one of those dances when you look around the hall and see all those faces and you know this is going to be a good one. Thank you Gabe & Sila Dell'Angelo for all your efforts chairing this dance.

On a sad note, we want to offer our condolences to George Hofmeister on the passing of his wife Rusty. The Hofmeisters were new graduates and while some of us did not get to know her yet, we sense the loss. Our sincere sympathy also to Matt Schiebel who recently lost his father.

We were happy to see Jack Nevins, who is recovering from his recent illness, at our Anniversary Dance. More happy news: Ruth Hughes has a new grandson. Her daughter gave birth to another boy who weighed in at 9 lbs. 4 ozs. Congratulations and good luck to all! A Happy, Healthy Dancing New Year to all our members and square dancing friends.

NEEDED: LIAISON FOR NNJRDLC

The Association has been seeking someone who enjoys round dancing and would like to be the liaison to the Northern NJ Round Dance Leaders Council. The Council meets only 4 times a year, usually the first Sundays in August, October, January and March. In addition, the Council sponsors 2 special round dances each season, the Fall and Spring Festival of Rounds. The Association should be represented at the NNJRDLC. Round dancing is a big component of our activity. Please volunteer your time.

## SPINNING WHEELS OF WAYNE (1,3,5 MS; 2,4 +)

Every Monday

A.P. Terhune School, 40 Cyanamid Drive

All indications are that it will be a very successful season at the club. The turnouts have been good for all dances, with the MS dances showing a somewhat larger attendance. We have had a series of specials in the past months. One of the most innovative was our "Hobo Dance, Old Clothes and Hobo Stew" with Bob Robinson. Innovative that they finally admitted what goes into those stews. No one got sick so apparently the clothes weren't too old. We started an innovative program with our class. Along with the Thursday night lessons, we have invited the students to come one hour before the dance on Monday nights, for additional instruction, and stay and dance the first tip with the club. This is working out great. It helps the students feel a part of the club, and many stay to watch the later tips. It also helps bridge the gap that occurs every spring when the students find themselves members of a new and strange club. It is also great to come to a dance and see all those bright-eyed and bushy tailed students to square up with. The only problem is that they are getting so good, that we find it hard to tell who are the students and who are the graduates. Sometimes we have to apply the old criteria: if you see a mistake that you never saw before, a graduate dancer made it. If the caller never saw it before, your reporter probably made it.

HAY, WHERE WERE YOU? "Cus" Norman and the Toxic Grass Band missed you at our Country Barn Dance. Fifteen squares of new and experienced dancers "Dove for the Oyster" and "Ducked for the Clam" all night having such great fun. Jules & Martha Pozsar attended and were a welcome addition. Jules even called a demo tip for the experienced dancers that was enjoyed by both the dancers as well as by the audience. WE HAD A BALL IN THE BARN; MISSED YOU. Bill & Joan Wagner kept See Saws and our friends whirling, twirling and hopping at our Halloween Hop. They were in good voice and in great tempo and so were those listening and dancing with them. We all stood up and saluted the many Presidents in attendance at our MS dance called by Marvin Northrup and Nick Raspa. The presidents from Tenakill Twirlers, Country Promenaders, Valley Squares, Western Wheelers, Tenafly Squares, FAD, Belles & Beaux, Al'e'Mo, Garden State Campers, Hix & Chix and last but not least the NNJSDA were there. We also had raids from Tenakill Twirlers and Circle 8's. Al Kaesler is NOT a turkey but he was in great favor at our Thanksgiving Dance. Cross Trails raided us and we all worked up a great hunger dancing and just having a good time.

### RICHMOND DANCERS -- Staten Island, NY

(+)

2 & 4 Saturdays

All Saints Church, 2329 Victory Blvd.

Richmond Dancers, the Party Animals, once again celebrated a 50th Wedding Anniversary with a Surprise Party honoring Frank & Shirley Bellotti in October. Their children and grandchildren attended as well as Doc & Peg Tirrell. Our guest cuer for the evening was Karen Kushla.

Our Halloween Costume Dance in October was a huge success. The hall lights cast an eerie glow through the cobwebs and we had a raid from the cemetery with several ghoulish dancers to scare us. M.T. Squares also raided us that evening and joined in the festivities with gusto. New graduates, Pat & Terri Fedele, were Chairmen and did an outstanding job! We have also been raiding: Staten Square Set's Anniversary, Isle Squares, the Mini-Festival and we attended en masse the NNJSDA Tribute to the Tirrells. At our post-Thanksgiving dance, Dalt Young and his lovely wife, Barbara, brought a special guest with them, Frank Norris from Santa Anita, CA who carried with him one of the "East Meets West" trains that are traveling the country to promote the 40th NSDC. We were pleased indeed to have Richmond Dancers become one of the "stops." Best wishes to all for a happy and healthy New Year filled with good dancing!

As the officers went to square up this fall, we found one was missing! Our Pres., Donna Bevensee, has resigned to study full time at the New Brunswick Theological Seminary in preparation to be a Presbyterian Minister. Donna's service and leadership will be greatly missed, but we all wish her success in her new endeavor. Meanwhile, back at the square, Al & Judy Kolpack are our new couple #1 and Fred & Cathy Fisher returned to replace them as VP's responsible for the Plus program. NOW we can start dancing! And dancing is what we've been doing. The Plus evening included a great Turkey Trot after Thanksgiving with Carl Hanks and Ron & Ree Rumble, as well as the pumpkin decorating contest in October. MS dances included imaginative costumes on Halloween and imaginative calling every Wed. by John Carlton and guest callers. Amateur Nite brought renewed appreciation for the work that goes into being a PROFESSIONAL! The New Year begins with not one, but two classes learning the fun of square dancing. Happy New Dancing Year from Princeton Squares!

1 & 3 Fridays

Christ Methodist Church, 1890 Forest Ave.

Our dance year got off to a slow start. We're a small MS club whose members are mostly also members of other clubs (MS & Plus). We believe strongly that supportive, fun-loving MS clubs give new dancers an easy program to dance for a while or experienced dancers a place to relax and have fun without too much "performance pressure." Our "sister" club in Brooklyn, Al'e'Mos, raided us in November so we had over 6 squares, which not only multiplied our finances, but also multiplied our fun many times over. Thanks Al'e'Mos, we needed that. As the year progresses, we'll have 5 R.I.O.S. Student Specials from December through May, and a big MS Graduation Bash in February. So we know from experience attendance will increase. Meanwhile, we're enjoying our small, cozy dances in anticipation of busier times to come.

1 & 3 Wednesdays

Presbyterian Church, 494 Rt. 10

Are you having fun yet? At Mountain Squares, we're having plenty of fun dancing the A-2 program, thanks to Joe Landi's calling and our friendly dancers. Attendance continues to be good but we're always happy to welcome you into a Mountain Square. Glad to say that Roger & Nancy Remington volunteered to fill our 1st VP spot so oncc more we have a full slate of officers. By the time this issue is in your hands, the Holidays will be just a memory. But, we'd like to jog your memory with those famous words, "Keep on dancing." Wishing a happy and healthy New Year to all and we hope one of your resolutions is to support your club.

1 & 3 Fridays

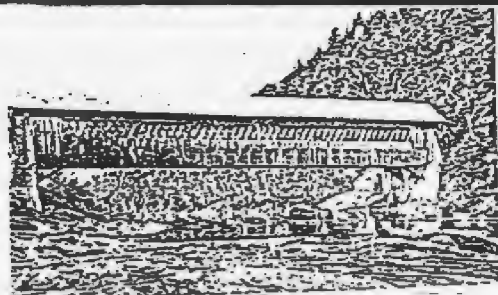

Dag Hammaruskjold Jr. H.S., Rues Lane

Our Thursday night class is well underway with 3 squares of enthusiastic students. Steve Forman, from Staten Island, has moved them along very rapidly and there is every confidence that the group will be ready for MS by late January and will graduate as Plus dancers in May. Our small, but faithful, cadre of angels has been anchoring the squares and will have worked hard to earn their incentive awards. We can always use more angels. No APD workshops are being held this year due to lack of dancer commitment. The worst fear of any Square Dance Club President was almost realized in October when Michael Johnstone had the opportunity to see the route south from Connecticut in slow motion for a couple of hours. Thanks to Dan Koft, who expected to dance, but filled in and called for the first hour. Also to Ron Rumble who spun a singing call record or two. Highly recommended by Joe Fioretti and Barry Serebnick was our October caller, Sam Lowe, from South Carolina and we certainly were not disappointed. Club caller, Glenn Matthew, did our November Presidents' Dance where the CEO's from the NNJSDA, CNJSDA plus 14 clubs made for a large attendance and great fun. Baty Hall from Maryland called our 2nd November dance and really had us running with his high speed patter calls.

About this time we have all settled into our New Year's resolutions. Yeah -- Sure. More realistically, we have settled into another fine dance season. We have been raided and just plain visited by many friendly people. The M.T. Squares, in turn, have raided and enjoyed dancing at other clubs. The caliber of calling and cueing lays the groundwork for these great dances but the dancers bring it all together. That is what happens each 1st and 3rd Saturday at the M.T. Squares and we hope you will continue to visit and help us bring it all together. We can promise you high caliber groundworkers and a warm reception.

Every Tuesday

Mountain Lakes Comm. Church, Briarcliff Rd.

Here we are at the end of the first year of the new decade. Hope it was a great year for all! Lakeland again extends their very best wishes to EVERYONE for the happiest and healthiest of New Year's! Don't forget to make that New Year's resolution to bring as many new dancers/friends into this wonderful activity of ours as you can. Our prayers have been answered, and we are ecstatic to have Sy, Les and Lorraine back with us again in record time. We're all especially happy that Sy was able to make such a marvelous and quick recovery in time to celebrate his and Sonja's 40th Anniversary in grand style. Congratulations you two! It's been a fun-filled fall season for Lakelanders. Several squares journeyed to the Poconos for a super weekend with Brian Fugere and Joe Landi and raved about it for weeks afterwards. I can tell you from experience, Brian's weekend in the spring with Henry Ferree is fantastic. If you've never tried a square dance weekend you really should. It can't be beat for fun, camaraderie and great dancing. Try it, you'll like it!

And, of course, at Lakeland we ALWAYS have fun. John Kaltenthaler called a "smashing" Halloween dance that again kept our judges in intense deliberation over the prize winners; such an array of great costumes (wish I had their creativity). Pie Night was, as always, a scrumptious affair. Now it's Jingle Bell time again with the usual joy and gaiety of the Holiday Dance/Party season. We'd love to have you join us; we KNOW you'll have a grand time! There is a rather sad side to all this joy, however, and that's the absence of our fabulous decorating duo. Tony Stella has been quite ill, but well on the mend now (thanks, in no small measure I'm sure to all the prayers of this friends and fellow Lakelanders). Tony, we sure hope you'll be back with us soon. We miss you and Jean so much! Everybody, stay well and have a happy!

1 & 3 Fridays

Long Pond School, Limecrest Road

The warm, bright, unusual weather must have spurred us on with additional energy and enthusiasm for a great fall season! October found us togged out in poodle skirts, bobby socks, and slicked back hair-dos ala "Grease" for a fun-filled 50's Dance. Larry Davenport called the squares and we also did popular dances of the 50's. October found us crossing the Delaware River to raid the Dingman Dancers. Our November Can-Can Dance enabled us to collect food and money for Mana House, a soup kitchen located in Newton. Richie Rich was our guest caller and, with Sussex Spinners raiding us, we had a full house. We ended the month with a Turkey Trot and a drawing for a turkey donated by John Kovach. Donna Poyer's committee is hard at work on our April Dinner Dance. See our ad for details. Our wishes for a successful 1991 for all square dancers. Come join us the 1st and 3rd Fridays.

1 & 3 Sundays

Ft Hamilton Presby., 367 94th St.

King Squares extends its best wishes for the Chanukah/Christmas season to all its fellow dancers. Our beginners' and plus workshops are in full swing and it was splendid to greet and dance with them at our holiday dance. The home-made refreshments greatly added to the festivities. It was great to see so many of our dancers at the NNJSDA Mini-Festival. It was such an enjoyable way to spend a winter's day greeting our new friends and revisiting our acquaintances.

### IRONIA REELERS -- Ironia, NJ

(+)

1 & 3 Fridays

*Ironia School, Rt. 513, Chester Rd.*

Reelers started the season off in September with a raid to Nutley at Covered Bridge Squares. We had 4 squares dancing to the White Knight, Michael Johnstone. Our next raid came in October to Sussex Spinners, who had Larry Davenport calling for the night. It was a lot of fun. Former Secretaries Mary Ellen & Bill Kegel hosted a lovely, lively after-party. The Mini-Festival found a lot of Reelers attending and the group enjoyed their own covered dish supper which worked out splendidly. Our last November dance was a busy one with the great calling of Joe Landi. We also had the pleasure of being raided by 2 clubs: the Garden State Campers and Covered Bridge Squares. Everyone had a noisy, happy time. Please come join us for a night of good dancing and good refreshments. See you on the dance floor.

Refreshments and square dancing seem to be complimentary and equally enjoyable for our members. It must be for that reason our program chairperson planned our fall and Indian summer monthly themes around food. The season began with a "Puddin' Nite," giving our cooks a chance to produce their favorites in that category. Then along came October with its special Fest (translated: feast) of German origin. You guessed it, wurst mit kraut, apfel strudel and birch-beer (non-alcoholic, of course)! The next special affair was "Birthday Night" when we celebrated everyone's day with a sheetcake. There were also drawings for each month with the lucky winners getting a surprise gift. At our pre-Thanksgiving dance, we held a turkey shoot with 4 turkeys as the incentive. Russ Smith proved to be the only one with true aim, but a lottery provided for the distribution of the other 3 prizes.

Ruth & Ed Johnson have been greatly missed and we hope to see them back on the dance floor soon. Their friendly, smiling faces and graceful, fun-loving dancing are one of our club's greatest assets. We are happy to have Brenda Dexter with us on the sidelines and are looking forward to having her dancing again. We're also glad to have Barbara Schwab squaring up once more.

Our Plus class, under the able direction of Dick Pasvolsky and the guidance of Frank & Allana Barr, is progressing nicely. Thanks, too, to the latter couple for their efforts in arranging and making the Marshall Flippo special a sell-out event once again. Come and meet us in a square!

HI TAW TWIRLERS -- New Milford, NJ (+/APD MS)

Every Tuesday

New Milford Middle Sch., Roslyn Ave.

Our members are becoming more and more visible at other clubs. We raided Western Wheelers at their Halloween dance. Over 2 squares of Hi Taw Twirlers danced to Tom Rinker and Nick Raspa and mingled with the costumed dancers. In November, we raided Cloverleaves at their special Tom Miller dance and we had a great time. We had an excellent but crazy "Crazy Hat" Halloween dance in October with Ralph Stapenell calling. Very clever millinery was exhibited by members and guests. Our presidents each wore a head-dress decorated with a complete set of mini square dancers (very imaginative)! The Kaufmans went beyond the millinery. "Madame" was a witch and "Monsieur" was a bum. We are describing the costumes of course! All the hats and costumes were home made and prizes were awarded. Because the workshops in All Position Dancing, in both the MS and Plus programs, have been very successful, the officers have voted to continue the lessons when the club does not dance on Tuesdays. Please see the ad and join the group of enthusiastic learners and dancers.

Harmony Dancers enjoyed a great evening of dancing with Michael Johnstone and Ellen Fury in November. It was a good crowd with lots of enthusiastic dancing. The New Year's Eve Dinner Dance was a resounding success as we ended and started the year right to the dancing of Bob Mitchell and Ellen Fury. It's amazing how well everyone can dance after a great meal. Maybe there is some truth to that rumor that the 3 H club (Harmony Hungry Hounds) is still around. Ask Leo Eckmann the next time you see him. The plans for the "live band" dance are in full swing and everyone is excited about this upcoming event in March. We anticipate at least 28 squares at this event.

THE "TATE" FAMILY

Have you ever heard of the famous "TATE" family that belongs to every club? There is old man DICK TATE, who wants to run everything. Uncle RO TATE tries to change everything. And aunt AGI TATE stirs up trouble whenever possible. Her brother, IRRI TATE helps her to do so too. And whenever new projects are suggested, cousin HESI TATE and his sister VEGE TATE pour cold water on the proposals. Everybody tends to quake if brother DEVAS TATE stands up at a meeting. Then there is sister IMI TATE who tries to have the club mimic everybody else. And cousin POTEN TATE wants to be a big shot. But not all members of the family are trouble makers, for brother FACILITATE is quite helpful. Another delightful member of the family is Miss FELICI TATE. And our president is always delighted by brother COGI TATE and his twin brother MEDI TATE. Do you have a relative you would like to add?

### F.A.D. SQUARES -- Maywood, NJ

(MS w/+ tips)

1 & 3 Sundays

American Legion Hall, 113 E. Passaic St.

Fun At Dancing is our name and we surely live up to it! Our November Pie Night featured auctioneer George Loewenstein colorfully making and receiving offers. A whipped cream delight was a possible "pie-in-the-face," but he was unable to get a \$500 bid for the privilege. Better luck next year! Several die-hard dancers managed to make both Solitaires and FAD in the same day. Local restaurants must be happy when we suggest dancers have dinner out between 2 events. We've been very fortunate with this year's class, all male/female couples, and no singles. They've developed a camaraderie already and are enthusiastic. FUN is a big part of the class and this group laughs at mistakes. Yet, they knuckle down and continue to work on problems during breaks. Welcome them when you see them at student dances; you'll be pleasantly surprised at their capabilities. Get to know their names; these dancers may well be future leaders of FAD or the NNJSDA. FAD welcomes raids from Plus clubs as well as MS clubs. Why not try us? And, remember why you got into square dancing in the first place - for FUN!

### THE SQUARE DANCER'S PLEDGE

"With all my ability I will do my best to help keep square dancing the enjoyable, wholesome, friendly and inspiring activity I know it to be. This I pledge in the sincere desire that it may grow naturally and unexploited in the coming years and be available to all those who seek the opportunity for friendship, fun, and harmony -- through square dancing."

2 & 4 Wednesdays

Lincoln School, Crane St.

Some members of Cross Trail Squares have had a busy fall attending church dinners and raiding different clubs. In November, the Fairfield Reformed Church served a delicious turkey dinner and St. Agnes Church in Little Falls out-did themselves by serving a ham dinner. Raids followed at See Saw Squares and M.T. Squares. Our October dance found some peculiar critters when some people came with paper bag masks. It was a challenge to guess who was behind the mask. Then in November we featured a turkey shoot and the winner of the turkey really enjoyed the feast. We always have a good attendance at our dances and we like to think it is because we are a friendly club but it seems that the food prepared is another inducement since we spend a lot of time eating. The students are progressing very well thanks to Herb Conklin's calling ability, Brenda & Frank Benvenuti, and all of the angels who have been coming out to help every week. Students will show their expertise at the club Holiday Dance in December.

### THE LLOYD SHAW FOUNDATION

The Lloyd Shaw Foundation is a non-profit organization formed in 1964 to preserve and promote all forms of American and associated folk dance. The Foundation is named after Lloyd "Pappy" Shaw, who is considered by many to be the "father" of square dancing. The Foundation produces records, books and dance curriculum kits, sponsors university workshops to train teachers to teach dance, maintains an archives, and publishes a quarterly magazine, "The American Dance Circle." See page 42 for an excerpt from Dick Paskvolsky's column in "The American Dance Circle."

2 & 4 Fridays

Radcliffe School, 370 Bloomfield Ave.

Our Halloween dance in October was a huge success. We had at least 8 squares in attendance and many came in costumes. We had such notables as a skeleton, tugboat captain, Tweety Bird and Sylvester the Cat, and many others. A special thanks to all those who came in costume. Roy Leber of PA called our special dance on November 9th. The dance was attended by 3 squares of the Red Rose, the new square dance demo exhibition team put together by Brian Fugere. Red Rose put on their first demo with Dick Mazziotti calling. Considering that Red Rose has had only a few practice sessions, they all performed wonderfully. Thanks Red Rose. We would like to welcome back Trude Nebel who appears fully recovered from the injury she suffered a few months ago. Good to have you back Trude. Covered Bridge had "Two Squares Are Fair" at the Mini-Festival and had a wonderful time dancing to Ed Foote, Glenn Matthew and Frank Riviccio.

Every year Country Promenaders take part in the Metuchen Street Fair in early October by putting on a square dance demo. We had audience participation in one square and I lucked out by getting a sweet young girl from the spectators as a partner. My corner's partner was a tall person dressed as a turkey. I told my partner that he was a turkey and she said, "If he is, I dated him!" Oops! The club also gave a demo for the Edison Estates Nursing Home which was well received. A good time was had by all at the NNJSDA Mini-Festival in Bridgewater with 11 couples attending. As Ed Foote puts it, "It's a pleasure dancing with you." One of our callers last November was Ralph Stapenell, who I wish would make "Who's Your Favorite Girl" (in the Queen's English) part of all his programs. A very enjoyable raid was made on the Y Squares' salute to Doc & Peg Tirrell, then the Y Squares returned the raid the next night when we had Red Bates as the caller and Ron Rumble as the cuer for our post-Thanksgiving extravaganza. Country Promenaders will be sponsoring a Plus class for any interested dancers beginning the 3rd Tuesday in January at Edison High School. Dan Koft will be the instructor. Now that Winter's on the run, we are looking forward to the State Convention at Trenton State College.

## COLONIAL SQUARES -- Clark, NJ

(C-1)

Every Thursday

Carl Kumpf School, Mildred Terr.

Now that the Holiday Season is past, we can dance some of the added weight from our waistlines by dancing to the great choreography of Roy Leber! Everyone participated in bringing goodies at our Christmas Party. We were glad to see Jim Ray dancing after his knee surgery and Jane Mello back on the dance floor after her surgery. We were saddened by the loss of Ray Westcott and send our sympathy to June. Ray loved square dancing and he will be missed by all of us.

We applaud the new C-1 dancers that enjoy our Thursday night dances and encourage all you C-1 dancers out there to join us. We now have a C-2 tip and would like to see some new faces at Colonial squaring up with our "regulars."

Our November Special Dance with Tom Miller calling was very successful and we thank our members and guests who made it a well-attended evening. Special thanks to Hi Taw Twirlers who raided us with over 2 squares. Four of our hard-working members recently took a trip to Sturbridge, MA. Connie & John Huettemann and Gloria & Bob Wyman had a marvelous time visiting the area and representing Cloverleaves at the Hayloft Steppers. There they were happy to encounter and dance with 2 of our regular dancers, Dorothee Sonnet & Ken Sullivan. We miss seeing and dancing with Ruth & Ed Johnson. They are having health problems. We are sure they would appreciate receiving get well wishes from you. Their address is: 446 Roosevelt Ave., Lyndhurst, NJ 07071. Officers for Cloverleaves are needed for the 1991-1992 dancing season. Present officers must give up the leadership after this year. If interested, talk to the Huettemanns. If no one volunteers, the Club will fold. Don't hibernate during the cold winter months; come and dance with us!

With the end of November, 3 dances are already behind us. They were good evenings of dancing and our special themes made them a great success. The Autumn Flavors dance was great with so many exciting costumes. Linda Millian came with her famous cat outfit and the used 50/50 tickets costume made every one save their old tickets. To everyone, including our caller Bill Heyman, who helped to make this a huge success, WE THANK YOU. In November the Tenderfeet Class raided the Belles & Beaux students at Glen Rock High School. Everyone had a chance to dance with different callers. Keep on dancing at all the student dances. Where else can one meet so many nice people? A warm "welcome back" to Joe Ramirez. We all missed you.

Many Belles & Beaux members had the opportunity to wish Stanley & Alice Buczkowski much happiness as we danced to Dick Mazziotti's calls at their wedding reception on November 10th. May they share many happy years of square dancing together!

We have a very enthusiastic class! They're very eager to master each new call Dick Mazziotti introduces. In November, our class was visited by Bill Heyman's Tenderfeet. We will return the visit to Tenderfeet later in the month. The Yellow Rock Shop was on hand too. The ladies certainly enjoyed the shopping-made easy and the gentlemen were given many "hints" about Christmas coming soon. Even the men did some shopping for themselves, whether by their own choice or to match their wives' selections. Everyone especially appreciated finding out that they're sharing the same triumphs and pitfalls as others. Soon a visit will be exchanged with Spinning Wheels' class. These exchanges expose our students to the variations in techniques of other callers and give them experience dancing with others outside their own class.

Larry Davenport joined us at our Thanksgiving Eve dance and a lucky person went home with a turkey. It was a nice place to be if you were being treated to someone else's cooking the next day! His buddy, John Kaltenthaler, helped break up the holiday shopping chores for us by calling in December. We're expecting a full house as usual at our annual New Year's Eve festivities. Betsy Gotta will again treat us to her fine calling and Roy will cue rounds. The Glen Rock Community Church Center will be transformed into a festive ballroom for the evening. On 2nd day of the New Year, those didn't attend the Eve Festivities will have an opportunity to celebrate the New Year's arrival with Bill Heyman's fine calling and Bob Robinson will do the honors at our Snowflake Dance. Let's hope the only snowflakes we see that night will be our decorations! Our Student Dance Series begin the 2nd Sunday in January. Join the fun and our students.

## From The Dahl House

In a sport such as square dancing, where the dancers are expected to execute the moves in unison, the only room for individuality (other than some dance styling and our basic unique personalities) is in our costumes. Some of you may feel this is unnecessary and don't want to play the game of "Keeping Up With The Joneses".

As a matter of fact, when I first started taking SD lessons I only wore skirts to "special occasions". When they announced that ladies HAD TO wear skirts and men HAD TO wear long sleeved shirts I almost quit. NOBODY was going to tell ME what to wear. Being the stubborn type, I asked WHY these HAD TOs were being demanded. Was it someone's old-fashioned idea of propriety? If so, not too many younger folks were going to take up this sport. Many people really didn't know the answers, but I kept asking around because I really liked the dancing, but didn't like senseless rules.

The most sensible answers seem to be — that men's arms can sweat profusely and some ladies not only dislike allemanding with a wet, hairy arm but could slip and lose their grip — and — that it helps the caller who sight calls get people back in the right position if he/she sees skirts and pants and doesn't have to figure out if that lady in pants with the short haircut and her back to him is or is not a lady. It also follows that if couples are wearing matching or coordinating outfits and dancing together, then the caller is aided even further getting everyone back home after some patter calling. (I have heard callers say they hate holidays like Christmas & Valentine's Day because everyone wears the same colors.) So we can say we're not "Keeping Up With The Joneses", we're merely aiding the callers by creating these unique, sometimes wildly creative outfits.

I now realize that the costumes are fun to wear. I now look forward to dressing up for these more frequent "special occasions" called Square Dances, and adding some color to what can sometimes be a gray, day-to-day existence.

I love "odd" color combinations (like orange & turq. or lime & purple or red & turquoise combined with black and/or white). I love BOLD prints (like giraffes in a jungle or large abstracts of multi-colors). I love bright border prints and striped prints that can be cut into borders. Calicoes and solids are nice old stand-bys but remember you can excite them with touches of neon colors or flamboyant prints on sashes, belts, slips, overskirts, yokes, ties, etc.. Remember — if you need an excuse — you're helping the callers. Sorry, this wasn't as much a sewing hints column this time as it was an inspiration column.

See you at the convention!

*Judis*

Many thanks to Dick Pasvolsky who has kindly allowed us to print excerpts from his columns about the history of square dancing as they appear in "The American Dance Circle," a publication of the Lloyd Shaw Foundation.

#### LINES ABOUT SQUARES

by Dick Pasvolsky

Tighten up your bellybands, loosen up your braces,  
All rare back and get to your places.

When is the last time you heard that bit of patter called at a square dance? Unless you've been dancing for at least 35 years, chances are you never have. Western square dancing materials of the 80s are not nearly as conducive to the extensive use of colorful, entertaining, and very often useful patter as it was during the late 40s and early 50s.

Patter in its heyday, although often making little sense, did much to enhance both the enjoyment and the execution of the dances. While the main purpose of patter has always been entertainment for the dancer and the caller, callers have used patter to alert the dancers to what the next call might be (leading patter) and to help the dancers time the figures correctly as they execute them (trailing patter). The latter was much more important in the days when figures were done in a specific number of beats, usually multiples of four. Callers can also use the patter to accent the beat of the music with a rhythmic chant, usually accenting the downbeat. Some examples of leading patter:

Chicken on a fence post, possum on a rail,  
Meet your honey and everybody sail.  
Cat in the barn, rat in her mouth,  
Grab your honey and head her south.  
And promenade.

At its June Annual Convention, ROUNDALAB established a committee for the "Standardization of Classic Dance Cues." Chaired by Phil & Royna Thomas, and assisted by R/D Leaders from around the world, this committee is working at establishing standard cues for the Classic dances

that traveling dancers will encounter wherever they dance.

Using a compilation of replies, the proposed cue sheets have been distributed to the committee for review. Once a cue sheet has been given final approval by the choreographer and the committee, it will be published.

The Rounds for the 1st quarter of 1991 are: Phase III - "Watermelon Cha;" Phase IV - "Under the Bridges of Paris;" and Phase V - "It's Cha Cha Cha."

ROUNDALAB will sponsor its annual Seminar/Clinic on Wednesday, June 26, 1991 prior to the NSDC in Salt Lake City, Utah. The concentration will be on the rhythms of Mambo and Foxtrot. The Seminar/Clinic will be held in the spacious 49th Street Galleria in Murray, UT, just outside Salt Lake. Advance registration is required. In January 1990, LEGACY undertook a census to determine an estimate of the square dancer population in the U.S. and Canada. Using the a mailing to 15% of the S/D contacts listed in the latest issue of the National Square Dance Directory, with a 90% confidence level, it has been determined that there are approximately 405,223 square

dancers in the U.S. and Canada. Membership in clubs that offered both square and round dancing at both MS and Plus programs was significantly higher than in square dance alone clubs. One troubling statistic appeared to be that 34% of the active clubs responding to the question were NOT offering a class in the respective program danced. Copies of the Census Report are available from the Editors of *Grand Square*.

LEGACY continues to work toward having each state declare Square Dancing as its American Folk Dance. Twelve states have signed bills already: OR, WA, TN, AL, NJ, FL, WV, OK, CA, ID, MA, and IL. Many other states are on the verge of having their bills signed and many more have had the bills introduced to the legislatures.

LEGACY X will be held May 16-19, 1991 at the Milwaukee Marriott in WI. Speak to any LEGACY about becoming a member. Early plans indicate that this will be a super conference and can be of benefit to all who attend.

The Annual Meeting of the SDCNJ was held on Saturday, October 20, 1990. Roy & Betsy Gotta were re-elected Chairmen and Dave & Wendy Roberts were re-elected Vice Chairmen. Continuing to serve their terms are Secretaries, Tex & Margaret Shipman, and Treasurers, Charlie & Kathy Porter. A beautiful clock was presented to Peg & Doc Tirrell in recognition of their service as past Council Chairmen.

The 5th Convention Chairmen, Manny & Gail Amor, reported that the attendance goal was 2,000 and that job descriptions were being finalized. More than 19,000 flyers have been printed and distributed as well as ads placed in many square and round dance publications across the eastern seaboard in addition to "American Square Dance" magazine.

Bucks-Trenton and Penn-Jersey Districts will both have Student Newsletters again this year, underwritten by the Council. The Bucks-Trenton "Dance Around Program" was voted an additional \$260 to defray expenses.

The possibility of the Council underwriting extensive radio advertising of square dance lessons in late summer and early fall was explored by the Gottas. A committee will be formed to make recommendations to the Council.

May Chapman, a local artist, designed a proposed state logo for square dancing. Frank Cavanaugh recommended that the Council present it to the State as an official seal.

Each member organization was reminded that they are entitled to 8 delegates. They were strongly urged and challenged to get more people involved in the Council as well as the Convention.

The Council voted to keep the dues at \$15.00 per organization. The next meeting is scheduled for February 23, 1991 at 1:15 PM, following the Convention meeting.

## BMI/ASCAP

CALLERLAB and ROUNDALAB have responded to the flood of notices sent by BMI to over 7,000 clubs, callers and cuers requesting a licensing fee. A CALLERLAB/ROUNDALAB Committee has accepted the responsibility and are now negotiating for a general license. Since licensing clubs is not a satisfactory solution, the license will be with the callers and cuers for classes, workshops and regular dances. These negotiations have been friendly. BMI and ASCAP are understanding. They realize where the callers, cuers, clubs, dancers, etc. all fit into the picture. The organizations of BMI and ASCAP are really just protectors of the rights of composers who deserve to be reimbursed for their talents if callers, cuers or clubs are making money from the composers' talents. We should pay for that privilege. If someone buys a record, that only gives that person the right to listen to the record, but not the right to use it to make money. BMI and ASCAP are protecting the talents of its members. When the BMI/ASCAP negotiations are completed, the CALLERLAB/ROUNDALAB Committee will prepare a press release appraising the dancing public of the decisions made.

If you are having trouble booking a caller for March 25-27, could be they are all attending the 18th CALLERLAB Convention in Las Vegas. The theme of the Convention will be "Dances - Their Fun - Our Future," and will focus on the basics of the activity. The theme will stress that the primary purpose of the caller is to entertain the dancers and provide fun. Failing to do that, dancers will drift away to other activities. Callers from all over the world will attend and work closely with one another exchanging ideas, and finding solutions to common concerns and challenges faced in their home programs. This Convention is not a dancing event nor a festival or callers' school. They are professionals discussing the future of square dancing.

## AN INVITATION TO ALL SQUARE DANCE STUDENTS

The 5th NJ Square and Round Convention will be held on SATURDAY, APRIL 13, 1991 at Trenton State College in Ewing, NJ from 10 AM to 10:30 PM.

The Convention Committee is issuing an invitation to all new dancers to experience a great day of dancing fun. A special Student Registration Form will be supplied to your class coordinator or instructor and you will be given the reduced rate of \$8 per person admission until February 28, 1991 (non-students will be paying \$11 per person). After March 1st, admission is \$12 per person for everyone.

A special hall, devoted specifically to the "Approaching Mainstream Dancer," has been set aside. You will have a unique opportunity to dance to many first-class callers as well as meeting other students and dancers from NJ, NY, PA, DE, and MD just to name a few.

In addition to all the dancing, the day's activities will be enhanced with several shows including clogging, heritage and square dancing demos, after party skits and a fashion show. There will be several Education Sessions guaranteed to interest the new dancer and the Showcase of Ideas will provide valuable information about the area dance organizations. A full compliment of vendors will offer the latest in dance fashions and accessories.

The most impressive event of the day promises to be the Grand March at 7 PM when most of the dancers (1,866 last year) will be marching with their club banners into the Athletic Recreation Center (the "ARC").

The campus snack bars will be open throughout the day to feed hungry dancers and a delicious buffet will also be featured. Several area restaurants are a short drive from the college. FREE parking is available for self-contained recreational vehicles (no hook-ups) from Friday night to Sunday morning. There are also a number of fine hotels and motels only a short drive from the campus.

All dancers registered by February 15, 1991 will receive an Advance Information Packet filled with vital materials, including directions to the college, so you can plan a fabulous Convention day. Fill out your Special Registration Form as soon as it arrives and mail it with your check to Registrars: Don & Pat Stephens, 674 Clifton Ave., Toms River, NJ 08753. If you have any questions, need flyers or additional information, please contact Charlie & Kathy Porter, Publicity Directors, 99 Stanley Ave., Staten Island, NY 10301 (718-448-9761).

insurance certificates have all been mailed out. If you did not receive yours, contact Fred Hill. Also, it is very important that you PROMPTLY notify Fred if there is a claim. Do not place the club in a difficult position by not reporting an incident.

## ROUND DANCE HIGHLIGHTS

What a wonderful turnout of round dancers at our Fall Festival of Rounds. In fact, 15 of our Council members were able to join in the festivities as well as take their turn at cueing rounds. The Council was so encouraged by everyone's enthusiasm that we have scheduled a Spring Round Up for the 2nd Sunday afternoon in March, back at St. Aloysius in Caldwell, NJ. As usual all the rounds will be cued by Council members and include dances from ROUNDALAB Phase II thru V. Your leader can show you a copy of the program planned.

The afternoon of our Fall Council meeting was so pleasurable that after completing all the business of the Council, we all adjourned to the Woerner's backyard for a picnic supper! Bet we can't do that at our January meeting! As promised, Janet & Stuart Summers gave an excellent report, with handouts, on their week last summer at RD Teachers School during the Education session. ROM's chosen were: "Me & My Shadow" for November; "Sweet Gypsy Rose" for December; and "Seein' My Father in Me" for January.

Congratulations to Shirley & Frank Bellotti upon the occasion of their 50th Wedding Anniversary last fall. Forgot to ask how long they'd been dancing. Also Congratulations to Dr. Greg Kushla who just received his Ph.D. before the Holidays. We're so glad you decided to take a job in NNJ and not move away now that all that schooling is completed!

### PRINCETON ROUNDS

Rumble, Lawrence/Hamilton, NJ 201-657-0212

We've settled in at Lawrence Road Firehouse for the winter and spring; so no more excuses for not finding us because we keep moving around too much. We DO move around a lot every Tuesday and lately with the newly popular "Mambo Five," almost up to tempo! Ron & Ree vary the tempo with choices of new/old, fast/slow, hard/harder (just kidding) dances. Actually it's wonderful how good teaching helps make good dancers.

### RAMAPO RYTHMAIKES

Tirrell, Waldwick, NJ - Wed 201-568-5857

Having become somewhat comfortable with the Waltz figures, the Phase III'ers are now exploring the Cha Cha and Rumba rhythms and figures. We're all looking forward to joining the R/D circle at Rhythmaikes annual "Afternoon of Rounds with Doc & Peg" in February. In between working on the figures and dances in ROUNDALAB's Classic Phase IV listings, the second group has begun to explore West Coast Swing.

### REFLECTIONS

Raspa, Rutherford, NJ 201-896-1891

A quarter down the road is as far as we've come

Hoot to boot, we sure are having fun

We're learning basics is what we are told

Cue and do means its the other we get to hold.

### ROCK-A-ROUNDS

Woerner, Pomona, NY - Mon 201-261-1047

Fun is certainly the byword of our class. Though small in number, our enthusiasm is contagious as we explore this new and fascinating world of two-step and waltz.

### ROYALTY ROUNDS

Anderson, Brooklyn, NY - Mon 718-727-5141

With the figures of Frenchy Brown, Buffy, Hush, and a few other Phase II dances firmly under our belts, we're having fun doing rounds at Kings Squares when Donna cues. We're grateful to Roy Gotta for substituting at our Monday class when Donna was in the hospital to have knee replacement surgery. Several of our Snowbirds have found classes in the Florida area, so they'll be right with us when they return in the Spring.

Any ladies without partners tired of sitting on the sidelines,  
who would like to learn the "man's" part notify the  
Advertising Editor of your interest. A class will start in  
April if there are enough students.

### TIRRELL TWIRLERS

Tirrell, Cresskill, NJ - Sun/Mon/Tues 201-568-5857

A slight change in the Monday format, we are now meeting in the Tirrell's home. We've been reviewing some of the older classics: "Sheik of Araby," "Butterfly" and "Adios" before tackling West Coast Swing again. Good news, Takashi & Haromi Mitsugi had a baby boy, Takahiro, in September.

After reviewing "Cavatina" and "Homecoming" the Tuesday niters requested a review of the oldie "Somewhere My Love" and "Boo Hoo!" Sunday niters have switched to 2/4 (when the Tirrells are home) for their "You Asked For It" sessions. Please call before coming.

### DINGMAN DANCERS -- Dingmans Ferry, PA (MS w/+ tip)

2, 4, 5 Tuesdays

Dingman Delaware School, Rt. 739

Dingman Dancers have had a busy schedule with special theme dances, raids, demos and socializing with area clubs. President, Charles Scholtes, led a 12 car caravan to Andover, NJ in October to raid Kittatinny Rangers. We celebrated our 7th Anniversary with a "Fabulous 50's" Dance. Poodle skirts, saddle shoes, leather jackets and be-bop music were the order of the evening. A group of 24 Dingman Dancers joined Leisure Squares to celebrate their 20th Anniversary at Fernwood Resort.

Although the temp was in the low 40's, we gave a demo (al fresco) in Bringham Park in Hawley, PA. Charlie & Peggy Scholtes came as the Straw Man and the Tin Man to our Halloween Party and the Kittatinny Rangers added to the fun by raiding us. We surprised Sussex Spinners with a raid in November. Our regular club dance in November was a "Pie Dance" (no pies for throwing) and was followed by our Thanksgiving Dance, Venus Tip Dance and Christmas Dance.

We will recess for January, February and part of March. We will use this time to dance with other area clubs. Our Welcome Back Dance is planned for the 2nd Tuesday in March. Our caller, Rich Murphy, is continuing in his patient and kind manner to instruct our energetic and interested students. Dingman Dancers wish all their square dance friends a blessed and joyous Holiday Season and a happy and peaceful New Year. Until 1991, keep happy and warm.

The Holiday Season was a busy one. It started with a raid of M.T. Squares in December at which we were welcomed warmly. Incidentally, our dance location is not all that far from several NNJ clubs and we'd welcome raids, especially by those clubs we have raided. Our Holiday Festival with Al Kaesler was great fun as was the Snow Dance in early January with everyone wearing white. We're looking forward to Joe Landi calling our February Sweetheart dance and we will welcome the class at a Hi-Lo dance in March at which we will honor Angels. Come join us at one of our functions and enjoy Central NJ hospitality.

We have 10 squares in our beginners' class, and a new instructor. Ron Masker, who had taught beginners' classes, has moved to CA and we wish him much success there. We are most fortunate to have Howard Richman as his replacement. You may have heard Howard's upbeat calling at the NJSRDC. His enthusiasm is infectious and the class is doing well. We continue to experiment with schedules to accommodate the different programs the club dances. Tuesday evenings take advantage of 2 separate rooms at P.S. 3: the MS program is in the auditorium and the alternate Plus and A-2 tips are in the gym. Wednesdays are beginners' class and Thursdays we again use 2 rooms at the school for Plus and Advanced classes. The dances on the 2 & 4 Fridays are still at the Gay Community Center which now has air-conditioning and a wonderful, newly restored wooden floor. It was well worth the \$5,000 we raised and contributed towards the renovation. Guest dancers are welcome at all of our events, singles as well as couples and casual dress is the norm. We look forward to dancing with you.

Because in the early days of Western square dancing, figures generally took longer to execute, callers had more time to throw in a few of their favorite lines in almost every tip. Sets were spread out slightly more than they are today and so a grand right and left or a promenade took a few beats longer. The dopaso and some other variations of the old dosido generally afforded the caller the best opportunity for extended patter. Dancers would continue to turn partners left and corners right until the caller would call another figure. Some of my favorites are:

If you wanna get to heaven, I can tell you you how to do it,  
Just grease your feet in a little mustard suet.  
Slide right out of the deviled ham  
And slide right into that promised land.

Said the little red rooster to the little red hen  
You ain't laid an egg since I don't know when.  
Said the little red hen to the little red rooster,  
I don't get around any more like I use ter.

Well I got an old cow, she's soft as silk  
She eats green grass and she gives white milk.  
The harder you squeeze, the harder you pull  
The quicker you get that bucket full.

Doing *Grand Square* was easier than writing my resume. Please notice that we have changed the overnight delivery address (thanks, Mom & Dad), since I do not know where I will be working when this issue arrives. Nor will you be able to fax your articles until further notice. Thanks always to our dedicated, superb staff. The "New York Times" doesn't have a better staff. Happy New Year to all our wonderful readers. Please get your Booster and wear it proudly.
