From the desk of **DICK & SHIRLEY WHITE, NNJSDA PRESIDENTS**

As we sat down to write this message, we realized that this would be our last letter as Presidents, and now as we leave office, we are thinking of some of the events of the past two years. The Association has continued to serve its 37 member clubs harmoniously as a clearing house for disseminating interclub flyers, and has offered the glue and nourishment for your Association through the following:

- Our recent Club Raid Program has yielded positive reactions from the member clubs.
- The education hour is now included in the main portion of the Delegates Meeting, creating a better atmosphere for learning and giving all in attendance the ability to reap the benefits of the presentation.
- **Grand Square** has grown and improved and continues to keep our membership well informed.
- An excellent L.U.S.T. was held where attendance was up from the previous session.
- The Mini Festival continues to be a popular event, attracting large numbers of dancers.
- The specials and summer dances provide a wonderful melting pot where all clubs can gather and dance together.
- We have continued to help clubs with their classes.
- The Blood Bank continues to serve the NNJSDA.

The efforts of many people are needed to make these things available for NNJSDA clubs. To name all the people responsible for the progress of your

Association would be impossible here. However, special thanks should go to the Executive Board of the Association. The members of the Executive Board are not only the officers, but include the Committee Heads, Liaisons, Past Presidents, Advisors and the Editors of **Grand Square**. Also thanks to the Delegates, who are the link between the Association and the clubs.

Last but not least, thanks to the dancers for supporting their Association, as it continues to work for the good of square dancing. We want to extend our sincere appreciation for all the help we have received from the aforementioned people. It is only through their hard work that the NNJSDA was able to provide all its member clubs with so much.

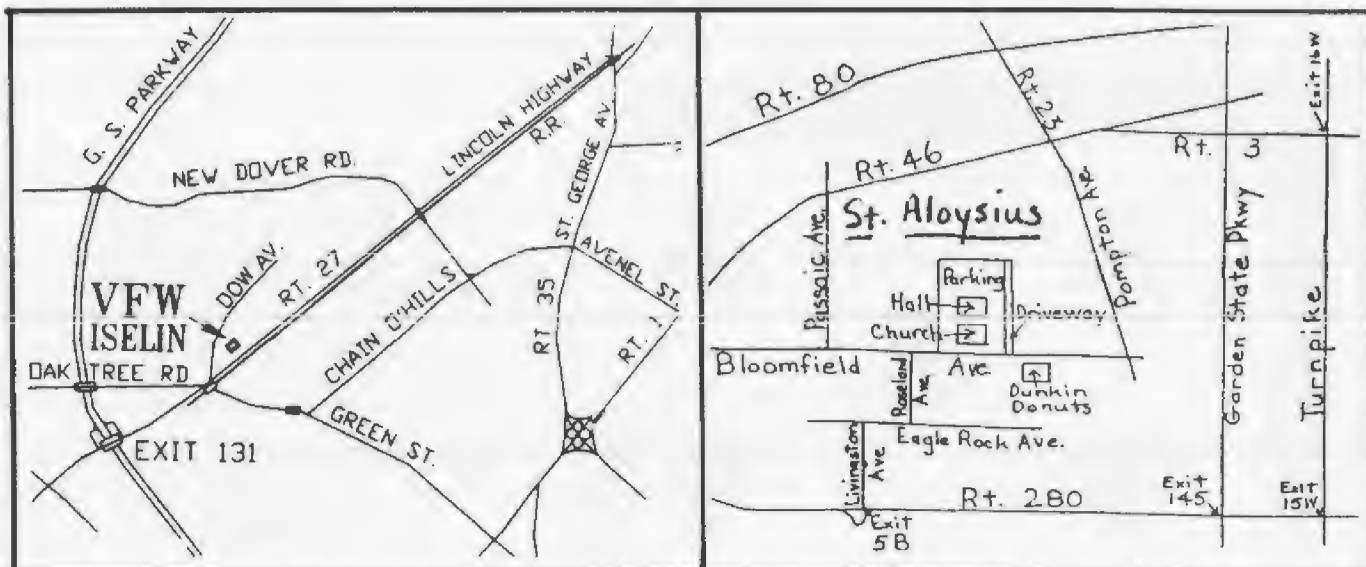

As a last word to the recent graduates, don't forget to practice your new-found skills at the Association-sponsored Summer Dances, in air-conditioned halls. The schedule is on the cover of this issue. Also, a reminder to our experienced dancers, come out and support the students this summer.

Once again, thank you for your support these past two years and we hope to dance with you in a square. Please welcome the new Presidents and their Executive Board and continue to support them in the future, as they volunteer their time to help provide a better Association for you.

As I write, there's over a foot of snow outside. I hope by the time you're reading this, the winter storms will be a fond memory! Bad weather forced us to cancel our Valentine's Day Dance scheduled for February 12th -- the second cancellation this year. However, we've kept busy with raids as well as dances with patriotic, St. Patrick's Day, and Hawaiian themes.

WESTERN WHEELERS -- Westwood, NJ (+)

2 & 4 Saturdays Westwood United Meth., Kinderkamack Rd. & Bergen St.

I'm writing this article while we're experiencing the "Blizzard of 1993" on the 105th anniversary of the "Blizzard of 1888." Cindy Whitaker, national caller, scheduled for the W/W doubleheader special this weekend, called from upstate New York to check on conditions. Bob Sly advised her to, "Head west young lady!" On W/W Presidents' Night, charmingly hosted by the LaMarches, 10 visiting club presidents, after passing through a W/W arch, were presented with cups containing very special treats: peanuts sent by former President Jimmy Carter, and jelly beans flown in from the Ronald Reagan ranch.

Five squares of RockyTops raided the W/W Plus dance of the Mike Callahan triple header special. This caller's relaxed, but expertly executed maneuvers, inspire you to dance every tip. It's great to see Phyllis Schlegel back on the dance floor after a long recuperation from a broken ankle. Liz Sly is "tripping the light fantastic" again at W/W after her bout with a foot problem. Having endured a lengthy hospitalization, Leon Smith is now doing well at home, thriving on Gloria's cooking and vitamin therapy.

Enjoy singing? Try the following to the tune of "If You Knew Susie Like I Know Susie." "If you knew W/W like we know W/W, oh, oh, oh what a club. We have no cliques, we're never picky, all our specials keep your evenings tricky. Real great callers all the time, rounds by Raspas keep you feeling in your prime. Come try W/W, enjoy W/W, oh, oh, oh what a club." Come join us, you'll like the friendly club.

WARREN WHEELERS -- Pt. Murray, NJ (MS w/+ WS tip)

1 & 3 Thursdays

Mansfield Township School, Rt. 57

1993 has taken the Warren Wheelers club members by storm! The turnout at our Presidents' Night Dance was almost 6 squares with the NNJSDA Presidents joining us in addition to seven other club Presidents. New Jersey, Pennsylvania and even Staten Island were represented.

The Mansfield Girl Scout Troop welcomed us to their annual father-daughter dance on February 19. We attended along with some of our enthusiastic class members and over 100 scouts and dads. Also in February, the Hackettstown Centenary College invited us to their annual Japanese Exchange Student bash. Seventy students, faculty and host family members joined the Warren Wheelers club and class participants in the square dance whirl and twirl.

We had a gala "Zany T-Shirt Dance" night planned for March, but unfortunately it was cancelled due to weather. What a winter it's been: are all your snow shovels as overworked as ours?

Good news: former club President, Jim Breslin, is now convalescing closer to home in Allentown. Jim, you're doing a great job at getting back to us, so keep up the good work and we'll see you soon!

Lots of students, angels, and callers converged on St. Aloysius Hall on February 28 to dance and have a marvelous time. Let's encourage those students to keep dancing.

We've been asked to do a demo on Saturday, June 26 at the Sacred Heart festival in Bernardsville. If you'll be home that weekend, and not at the National Convention, please sign up with Joan Anfinson.

3rd Fridays

Bryan School, Brookside Ave.

Rockland Promenaders raided our club and added more fun to our February festivities. Of course, with John Kaltenthaler calling and Ruth Woerner taking care of rounds, a good time was guaranteed.

No matter how great the distance nor how foul the weather, John & Freddie arrive on time or even early. In recognition of their devotion to duty above and beyond belief, Gloria & Bob Wyman awarded them a box of chocolate-covered Macadamia nuts. A delighted Freddie broke speed records as she dashed across the room to receive the token of our esteem. As a chocolate nut freak myself, I understood her enthusiasm.

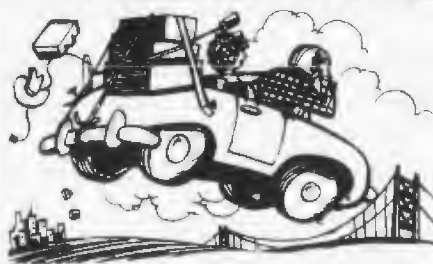

The Wymans are doing a great job promoting the Square Dance License Plates. Our car is sporting them. We hope to see many more on the road. Non-dancers notice them, too. So, get on the bandwagon and put plates on **your** wagon!

TENAFLY SQUARES -- Haworth, NJ (MS)

2nd Friday St. Luke's Episcopal Church, Massachusetts & Grant Aves.

It was bad enough that we had to cancel our December dance because of the storm of the century, but February brought another cancellation because of torrential rains. If March's snowstorm, the worst in a decade, had been a day earlier, we'd have missed another dance. However, Dick O'Pasvolsky put us through our paces at our Shamrock Hop. The red shirts of the raiding Hix & Chix mixed with the greens to give it a Christmas look. And the visiting Treasurers were given a free 50-50 ticket. Sad to say, none of them won. Two days later the snow forced us to cancel a planned raid to Rockland Promenaders. With no dance in April, we're looking forward to our May Pot-Luck Supper and our June Boat Basin Dance. Look for our ad and flyers.

It's been a short season, hope next year is better!

SUSSEX SPINNERS -- Andover/Newton, NJ (+)
2 & 4 Fridays Long Pond School, Limecrest Rd.

Today we, like the rest of the eastern seaboard, are digging out from the Blizzard of '93. It seems the global warming is cooling and the return of old-fashioned winters is upon us.

We were raided by Leisure Squares on January 15 and it was a delight to see our old friends from the Poconos. On February 3, we visited Lakeland Squares and had a wonderful time dancing with Bob Mitchell there. On February 7, a number of Spinners entertained at the Christ Church in Newton for the benefit of Sussex County Adult Day Care Center. The magnetic Dick Pasvolsky encouraged many seniors to participate in the program and they enjoyed themselves very much. Unfortunately, our February 12 dance had to be cancelled due to another storm. We hope Bob Mitchell will come back and call for us another time. The Cloud 9'ers raided us on February 26. They looked lovely in their black and white costumes and treated us with their expertise with a marching round dance.

Bill & Terry Armstrong embarked on a cruise in January to the Caribbean and Panama Canal. Everything was fine except for Terry's accident, which left her with a broken humerus (and that's not funny). At this writing she is fully recovered and back driving. We hope they will soon be dancing again.

STATEN SQUARE SET -- Staten Island, NY (+)

1 & 3 Saturdays St. Alban's Church, 72 St. Albans Pl.

We continued with a little bit of life with Monday night R.I.O.S. student dancing at Our Saviour Lutheran Church. Gene Vallanti has been very helpful to the new students. Can you believe that Gene recently celebrated his 69th birthday? He says that keeping busy keeps him young. Jack Wail just returned from a very happy dancing trip to China. Ask to see his pictures. New students Jim & Betty Snyder recently enjoyed a winter trip to Deposit, NY. Incidentally, catch Betty's continuous smile throughout each dance.

One substitute caller was observed having fun taking away the badges of angels who weren't paying attention. Tom Javaruski was the first recipient of this award. (I received Tom's permission to repeat this story - honest.) Shelly Schumer and Elaine Evers recently enjoyed a trip to the Grand Canyon. Best wishes to Barbara Kanter for a speedy recovery from a bad leg injury. Barbara recently took a leave from her job as a teacher with the New York City school system. She is currently enjoying a second career in a social work-type setting. My son, Bradley, just informed Ethel and me that he's getting married in about two months. Wow!

We extend our congratulations to Staten Square Set new students who will be graduating on May 17. They are: Dominic & Rose Marie Fontano, Frank & Joanne Greenwald, Ann McGill, and Jim & Barbara Thoma. New members and any Plus graduates are welcome to our Ice Cream Dance the third Saturday in May. Members of Staten Square Set joined with King Squares to dance at the Nottingham Ballroom in March. Thanks to Pat & Al Tachine and Harriett Goldman for coordinating the Presidents' Dance.

SPINNING WHEELS -- Wayne, NJ (MS w/+ tip)

Every Monday Wayne Civic Center, Hamburg Turnpike at Church Ln.

Well, the blizzard of '93 blew away our March 15th St. Patrick's Dance. Bill Anderson stayed on Staten Island and Spinning Wheels dancers paired up with their snow shovels. I wonder what figures they moved to? Just check our club name! The other big question was: Did Roy & Lynn Swanson make it to Colorado, travelling to snow country to ski?

Earlier, we had a Chinese Auction Dance, which was very popular. We danced between drawing or did we draw between dances? Anyway, everyone had a good time.

Speaking of good times, a very special surprise birthday dance was held in honor of Bob Robinson. Bob Mitchell called and everybody danced and ate and ate ...

SEE SAW SQUARES -- Upper Saddle River, NJ (1 MS; 3 +)

1 & 3 Saturdays Old Stone Church Education Ctr., E. Saddle River Rd.

The thirteen couples from Hi Taw Twirlers looked so neat as they pinned See Saw Squares banner. It was a pleasure having all the guests dance with us.

Irwin & Ruth came back from a nice warm cruise in the Caribbean to act as President, host and hostess at our Valentine Dance. It was extra cold outside, but Manny Amor and Nick Raspa warmed us up quickly. Carole Raspa surprised us with her edible centerpiece. Something so delicious deserves a better name than Mud Pie.

Quite a few leprechauns were dancing to Gerry Hardy and Nick Raspa at our March dance. All the green blended well with the black and white outfits of the Rockland Promenaders, who raided us.

Our raid to Hi Taw Twirlers had to be cancelled because of the icy weather. We are looking forward to raiding them, as well as Tenakill Twirlers, Rockland Promenaders and Tenafly Squares in the nicer weather.

We enjoy all our guests and appreciate the raids. Hope to see many of you when we dance to Frank Riviccio, Frank Lane, Dan Koft or Dalt Young at our future dances.

RUTGERS PROMENADERS -- N. Brunswick, NJ (MS)
2 & 4 Thursdays American Legion Hall, 1015 Linwood Pl.

At our Masked Ball on March 11th, there were a couple of interesting costumes, most notably a tigress and Calvin of Calvin and Hobbes fame. True to the theme of the evening, caller Dan Koft brought out the blindfolds for the evening's "wacky tip." One whole square decided to risk it. As someone said, it was the first time I've ever seen a square break down on the call "square up." Our annual picnic is scheduled for the third Sunday in August, at the same park we've held it the past couple of years. If any old-time Promenaders out there would like information, give me a call and I'll see that you get it.

We held our Chinese Auction on March 25th with several clubs raiding us. We were expecting so many people to come, we rented the downstairs room of our hall to hold the refreshments and the auction!

I want to issue a personal invitation to all Mainstream dancers, especially if they're single, to come and dance with us. Believe it or not, right now, we have more men than women! And some of our women can't dance all the time due to physical problems. Speaking of which, I am pleased to note that Helena Robinson is doing very well after her surgery for a recurrence of her cancer from 10 years ago. She's almost up to dancing regularly now.

ROCKYTOPS OF ROCKLAND -- Pearl River, NY (+)

1st Fridays Pearl River United Meth. Church, Franklin & John Sts.

In January, RockyTops of Rockland was accepted into membership of the NNJSDA. We are also members of the Hudson Valley Square Dance Council.

We have had a very busy raid schedule. Last year members participated in eight raids and we have planned the same number for next year. The highlight on these raids was our five-square Hix & Chix raid.

Our February dance was well attended (17 squares!) with national caller Todd Fellegy from Connecticut calling. March brought us a winter storm, but we still had a successful dance of seven squares with Ken Ritucci from Massachusetts calling.

We welcome our newest member, Helen Goeghegan. Do come dance with us and enjoy our top regional callers. Our Pearl River location is 20 minutes from the intersection of the GSP and Rt. 80 in Saddle Brook and only 10 minutes from Exit 172 on the GSP.

ROCKLAND PROMENADERS -- Pearl River, NY (MS/+ tips)

2nd Sunday

Beth Am Temple, 60 Madison Ave.

Square dancing in Rockland County with the Rockland Promenaders has a bright future considering the number that will graduate from Burt Schain's Basic/Mainstream class this spring (with a big assist from class coordinators Dan & Toby Friedman). Those receiving their diplomas are: John & Georgeann Gagas, Jim & Ginny Gulezian, Richard & Lucille Behrens, Bob Mahan & Sherry Miller, Irv & Gloria Kushner, Dolores Galateria, Norma Doherty, Dianne Cole, Celine Hand, and Erin Smith. We hope to see them at all of the local Mainstream dances, including our own.

Summer dances will be held on the second Sunday in June, July and August (details and callers to be announced).

Congratulations are welcome and will be proudly accepted for a successful first year of operation.

To keep alive the memory of Paul Brody, a local caller who died at the age of 51, a scholarship fund was begun by Bill Heyman and local dancers/clubs. Some clubs still hold an annual dance with the proceeds donated to the fund, and some clubs make annual donations. Proceeds are available for Caller Education and applicants are screened before a selection committee, which includes Paul's widow, Jeanne Brody. Any caller, new or experienced, may obtain an application form by contacting Dot Loewenstein, 201-797-1934.

RICHMOND DANCERS -- Staten Island, NY (+)

2 & 4 Saturdays

All Saints Church, 2329 Victory Blvd.

Greetings and congratulations to all of the new graduates. This wonderful new world into which you are entering can be anything from an occasional enjoyable evening out to a whole new way of life, depending on what you choose to make of it. We hope that you enjoy dancing all summer, and that in the fall you will encourage some of your friends and relatives to "take the plunge."

Our club recently sponsored a "used but not abused" square dance clothing sale, both at a regular dance and at a class. We were proud to forward a check for \$220 to a group that feeds the hungry here on Staten Island. Thanks to all who bought or donated clothing.

Old Man Winter forced the cancellation of our March 13th dance - much to our dismay, but since then we have enjoyed several dances and were especially happy to welcome our "snowbirds" back from the sunny south. They arrived in time for our 25th Annual Pot-Luck Supper, chaired by the DiSanos. The theme of the dinner, "Less Work For Mother," was extremely popular with the ladies, because they were served by the men. Why didn't we think of this for our first pot-luck 25 years ago?

We wish a speedy recovery to our Mr. President, Lou Motola, who is recovering from a total hip replacement. We look forward to having him back on the dance floor.

Enjoy the summer, but keep on dancing. We hope to join you in a square some Wednesday night at an NNJSDA Summer Dance.

The past couple of months have been ones of dancing fun and activities. The 27th of January saw our Mainstream club doing our annual Pajama Dance and we had a blast. We raided the Circle Eights on February 13th and our thanks to those who supported this raid. The second class dance was held on February 21 and, as usual, a good time was had by all and we are looking forward to the last one in March. It's great to see so many new class members "testing the waters" at these dances.

Several of our club members attended the District Dinner Dance at the Paso Doble Ballroom. It was a first for this writer and spouse. We agreed that the dance floor and the caller and cuer were outstanding and we had a wonderful afternoon. We are all looking forward to the Convention and the many other special dances scheduled.

Although Mainstream has not been as well attended as we would like, those attending have been very faithful and we have had a really enjoyable and interesting time together. Plus dances have been very well attended the times Dick and I have been able to go. Come see us any time. You are always welcome.

WE DANCE FOR FUN AND FRIENDSHIP

MOUNTAIN SQUARES -- Whippany, NJ

(A-2)

1 & 3 Wednesdays

First Presbyt. Church, 494 Rt. 10 West

Members of Mountain Squares are currently dealing with the flu and snow shovels, but signs of spring are creeping over the landscape. Hilda Groth brought in some forsythia to give us a taste of the warm weather to come; and at our most recent dance, 6 squares pushed thoughts of winter aside to dance to our peppy caller, Joe Landi. Our club had a great time exchanging raids with Motiv8ors in February. Motiv8ors look snappy in their blue and green outfits.

The Groths encountered former Mountain Square Presidents, Betty & Paul Stone, who sent greetings to all their square dancing friends. They are moving out of the area. Also moving away is Phil Zenchoff. We will certainly miss him at our dances. We also miss John Hartford, who is seriously ill at present. Our love and prayers are with John & Loretta in this difficult time.

As the season draws to a close, bouquets of appreciation go out to those of our members who have served as club officers so faithfully during the year: Bill & Hilda Groth, Presidents; Isabelle & Doug McMabe, Treasurers; Mildred & Walt Angerer, Delegates; Millie & Ron Nitzsche and Dot & Harry Henderson, Refreshment Chairpersons; and Bob & Liz Sly, Secretaries. Thank you all for helping the club run so smoothly.

Our season concludes with our wonderful pot-luck supper the first Wednesday in June. Check with the Hendersons for reservations. We do not dance over the summer, but there are many rust-preventative opportunities provided by the Association and other clubs with air-conditioned halls. See you there!

MERRI EIGHTS -- East Brunswick, NJ (+)

1 & 3 Fridays (Oct.-May) Dag Hammarskjold Jr. H.S., Rues La.
(Jun.-Sept.) Knights of Columbus, Pine St., Old Bridge

Our theme dances are well received. The flowing colors of the dancers and the refreshments have been done to perfection. We have raided and we've been raided. What fun! It was like an "Ol' Time Reunion." We saw old friends we haven't seen in years. Hope you enjoyed dancing with us as much as we enjoyed having you all.

The new class was off to a great start, but now the "Snow Birds" have flown south. We hope that those who continued to go to classes in the south will join us again when they "fly" north. Graduation will be the 4th Wednesday in May. We were on TV! One class session was filmed by the East Brunswick Library and shown on the Library cable station. We hope that it encourages more people to join in the fun.

We participated in a Community Day Program at the Brunswick Square Mall where we performed for a half-hour, which will also be televised on the Library cable channel May 4, 5, 18, 19. We collected names of people interested in our fall classes.

Our annual dinner dance with the theme of "Flower Power," will be held the third Friday in June at the Knights of Columbus on Pine Street in Old Bridge. The callers are Sam Lowe and Dan Koft with Kathy Koft cueing. Advanced reservations are required. Looking forward to seeing you. Our acting Presidents are Elsie & George Ahrend, 908-251-2164.

LEISURE SQUARES -- E. Stroudsburg, PA (MS w/+ tips)

1 & 3 Saturdays

J.M. Hill School, E. Broad St.

Our winter season continued to be successful despite the weather. We square dancers are a hardy lot! The Crazy Hat Dance in January got off to a great start due to the originality of some of the hats. Our judges, Tom & Cathy Moss, had a hard time picking winners, but finally decided on Marcel Thienpont's as the prettiest hat and Ed Miller's hat as the craziest. Their prizes were dance certificates for two. Our thanks to all who participated.

We really filled the room at our February Presidents' Dance. Presidents from six clubs visited us and were also raided by Lakeland Squares, who brought along a cake celebrating Lola & Les Patterson's 50th Wedding Anniversary.

The display of pies at our March Pie Dance had to be seen to be believed. Probably the most unusual was the Fruit Pizza donated by our caller's wife, Barbara Young. The ingredients were cookie dough, cream cheese, bananas, strawberries, kiwi and a jam glaze. Most of us tried to sample everything but found it impossible because of the huge selection. Could this be the reason this dance is so popular???

Our Raid Committee is doing a fine job and we thank all of the members who have participated in the raids. We have only one more to go to complete our Raid Card for the NNJSDA.

We are looking forward to the early graduation of our small class and welcoming them into our club and the wonderful world of square dancing. Since our club does not hold dances in the summer, we look forward to seeing all of you in the fall.

LAKELAND SQUARES -- Parsippany, NJ (MS w/+ tip)

Every Tuesday

Temple Beth Am, S. Beverwyck Rd.

Lakeland Squares extends a heartfelt welcome to all the Graduates of 1993. We look forward to dancing with all of you in the coming months. A great big "Yellow Rock" goes to all the caller/instructors, angels, and especially the class coordinators without whose efforts square dancing could not continue.

A special event took place at Lakeland and various other clubs around the area. An event so big that the celebrating could not be confined to one club or dance. Of course, we are referring to the 50th Wedding Anniversary of Les & Lola Patterson. This eternally young couple is always ready to take on club responsibilities and can find time to dance 9 nights (it seems) a week. All our love and wishes for another 50 to Les & Lola!

Please come visit us any Tuesday for a night of fun, friendship, food and, of course, first rate dancing.

KITTATINNY RANGERS -- Andover, NJ (Alt. MS & + tips)

1 & 3 Fridays

Long Pond School, Limecrest Rd.

I noticed some new developments on the dance floor. Chuck is perfecting his technique for driving callers crazy. If Chuck's square is being used by the caller to key on, Chuck will swap partners with another couple to make two he-he/she-she couples. He does this when the caller is looking elsewhere. The poor caller then goes nuts trying to unscramble the set. You know, Chuck used to be normal before he met Donna.

Paula thought Chuck's approach was too subtle, so she came up with a more dramatic method. While doing a Square Thru Four, she dropped her petticoat. It didn't just slide down, it shot down like it was spring loaded! Everything came to a standstill - Donna was giving me that "How did you do that?" look. Mickey stopped calling and just stood there with mouth open and eyes bulging. I asked Roy what kind of delay device he used on Paula's crinoline. He said he would tell me after he got the patent approved. We had to call a ten-minute break so everyone could recover from hysterical laughter.

We had a busy raid schedule with raids to Leisure Squares, Lakeland Squares, and Covered Bridge. Leisure Squares raided our Valentine Dance, which had excellent calling by Sam Procopio, who came from Reading, PA.

Our Western Night Dinner Dance was very successful. All the men received bandannas to wear and the girls got garters. I ran the concession stand for sizing and fitting the garters, and Roy kept trying to get in on the action. I had to beat him off. Lola discovered the caterers that prepared the dinner. It was super! We had excellent dancing with alternating MS and Plus tips by Mickey McFarland and Jim Snyder, and rounds by the Sphinxman himself, Al Spinks.

Dan Koft and Al Spinks certainly made Pie Night a big success. Naturally, all the pies were calorie "free."

The Warren Wheelers raided our club and were received with enthusiasm and friendliness. They brought along their little mechanical wagon to lead their march. The Ironia raid for March was to Lakeland Squares. We had about two and half squares travel there.

I am sure we would all like to believe spring is just around the corner and we can look ahead to some pleasant weather.

Once again this year we were unable to get enough response to begin a class in September, but we were able to get one started in January. Despite the late start, the class is moving along at a good clip and should be dancing Mainstream by the time we finish the season in June. A big thank you to the Butterfoss' for making their basement available for the classes and to Wilson Hoff, who is doing a great job as instructor.

The raids are going well in spite of the need to cancel a couple of them due to bad weather in the form of snow. We will have no difficulty making the seven raids by season's end.

The crafters are busy making decorations and favors for the dinner dance. This year it will be bird houses and nests with birds. It is amazing how many talents square dancers have. Harry Schmidt can make just about anything out of a few pieces of wood and mostly without the use of electric power tools.

As this is being written, Pat & Don Elliott have just returned from Florida and Jayne & Carl Koch are off on a month long trip to "see the country." While we miss them at the dances, we envy them. See you in a square.

VFW Hall, 6 Veterans Place

Well, you square dancers did it! You packed the hall January 28th for the Gary Shoemaker Special. Out went the chairs. Out went the refreshments to an adjacent room, which the VFW generously allowed us to use. And Gary kept 22 squares happily dancing. Nor were the round dancers left out as Nick Raspa provided the change of pace for those whose feet can't stop dancin'.

We honored Presidents from 11 clubs and the Association on February 11 with a special cake and gifts for each. Squares by Dot Loewenstein and rounds by Nick kept the dancers on the floor.

March 7th we gathered at the Brownstone Inn in Paterson for our annual dinner dance. Superb food, superb calling (John Kaltenthaler) and superb cueing (Nick Raspa) made for - what else - a superb afternoon.

Please see our ad for the summer schedule. We will be back to the old Mainstream and Plus schedule.

Despite the endless snow, Harmony Dancers have kept dancing. We've been lucky that none of our dances have been snowed out this season. With our club caller, John Kaltenthaler, and numerous guest callers leading us, we have had challenging and enjoyable dances.

Our second annual round dance special in January was a great success, despite it being Super Bowl Sunday. We hope to make this a regular event. We are delighted to have hosted many raiding clubs and have enjoyed raiding Cross Trails, Lakeland, Bee Sharps, and Rutgers this winter. It's always delightful to visit and dance with new friends. Friendship is square dancing's greatest reward. We look forward to more raids and raiders as spring approaches.

Our Plus class ended in February and we are delighted to see our graduates at our regular dances now. Congratulations to all the new Mainstream dancers! We look forward to dancing with you all summer at the Association dances and at the 5-Club dances. Look for our ad.

F.A.D. SQUARES -- Maywood, NJ (MS w/+ tips)

1 & 3 Sundays

American Legion Hall, 113 E. Passiac St.

Welcome new dancers! You are no longer "Graduates." While remaining faithful to your Mother Club (where you took lessons), you'll enjoy visiting other clubs and meeting new friends. Admission to other clubs may be higher than to your home club, because some clubs charge non-members more than members. Thus, you'll find many clubs inviting you to become a member, if you dance there regularly. This will, of course, save you money and guarantee another two nights a month FUN. If fun is why you became involved with square dancing, you'll find plenty at F(un) A(t) D(ancing) Squares. We knew you were wondering what FAD stood for! We're known as the friendly club, so come down any 1st & 3rd Sunday. We dance year round and control our own air-conditioning. We also have private, off-street parking as well as dynamite refreshments. Guest callers are scheduled frequently, so bring your Century Book.

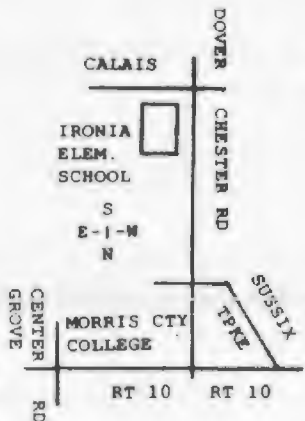

On a personal note, we're pleased to hear that Bob Smith's surgery turned out to be minor and we expect he'll be back dancing long before this issue is printed. Dot's Plus group was hit with a rash of illness: Carol Baumann had surgery, then hubby Ed must have been jealous, because he opted for the same a month later! When we get together, we compare scars. We shared Gene Grogan's treatment for keratosis, Leslie Schwenker's grief over the loss of her father, and hope Frank Lamire's back is better. We wish everyone good health!

In keeping with the NNJSDA Raid Program, FAD raided Hi Taws and Belles & Beaux and were raided by Rockland Promenaders, Hix & Chix, Y Squares and Covered Bridge Squares. Check our ad for details of our 10th Anniversary celebration.

DINGMAN DANCERS -- Dingman's Ferry, PA (MS w/+ tip)
2, 4, 5 Tuesdays (Mar-Dec) Delaware Valley H.S., Rt. 6 & 206 North
(mid Jun-Aug) American Legion Hall, Wilson Hill Rd.

Winter in the Poconos has been downright overwhelming - that is, too much of a good (?) thing is too much! Yes, we do get our share, and a little more, of snow up here on the high ground. Great for skiing, sledding and skiddin' and it's the last that has kept too many of us cooped up this winter. Now with spring here and our regular schedule back in full swing, every 2, 4 & 5th Tuesday nights, we of Dingman Dancers have been kicking up our heels and planning for a full summer schedule.

Please note our new location: the Delaware Valley High School, Route 6 and 206, between Milford and Matamoras. From NJ: Route 206 to Milford Bridge, across the river to light, approximately 4 miles on Route 209 to the Delaware Valley High School on your right. We dance in the cafeteria building on the right of driveway entrance. Call before you come and we'll go over the directions. Come mid June we move to our summer dance hall, the American Legion on Wilson Road.

We invite you to come visit or raid us and we sincerely urge you to do just that. See ya soon in the beautiful Poconos.

2 & 4 Wednesday

Lincoln School, Crane St.

The highlight of the late winter season was our Presidents' Dance. Thirteen clubs, as well as the Association, honored us by sending their top officers for an evening of fun, companionship, and, of course, dancing. Each president was presented with a corsage of a folded dollar bill (George Washington in full view) tied with red, white and blue ribbons and adorned with the American flag. Our Valentine's Day Dance, always a colorful and fun evening, was highlighted this "special" night (courtesy of Brenda Voag and Frank Benvenuti) by dancers having their snapshots taken inside a lovely heart-shaped frame. Such good-looking couples and we have the prints to prove it.

Our class dancers are progressing nicely. They're a fine group of enthusiastic and interested students who show great promise, not only during their class sessions, but also as they travel to other student dances. Special commendation is extended to our many angels for their support and expertise.

So far this year we've raided nine clubs, the most recent one being Richmond Dancers. With so many other activities coming up, this was our final raid for the season. We have reached our goal! Thanks to Russ & Laura Safar, our Entertainment Book campaign was a very successful venture. Great job folks! Also congratulations are in order to the Meadors, Andy & Dot, for a super job on our annual bus trip to Atlantic City. All had a great time especially those who came back with a few more pesos than they started out with. Winners and losers all agreed that it was a fun day.

Our 25th Anniversary Dinner Dance, which was cancelled due to the Blizzard of '93, is postponed to another time and, if necessary, another place.

COUNTRY PROMENADERS -- Edison, NJ (+)

2 & 4 Saturdays

Stelton Community Center, Plainfield Ave. (Rt. 529)

This has been a very unusual dance season with two dances cancelled because of bad weather. Of course, we had to have a dance scheduled Saturday, March 13th. Our long-range weather forecaster was way off on that date; we should have named that dance our Blizzard Ball.

By the time this is printed, summer will be around the corner with warm weather, air-conditioned dances, and all that good stuff. For your summer dancing pleasure, put the Five Clubs dances on your dance schedule.

A word of praise to the NNJSDA for their policy of encouragement of clubs raiding each other. This year we raided more, and were hosts to more raiders in return. This improved attendance at both clubs' dances, which brought back a smile to our Treasurers' faces.

Thanks to the Country Promenaders 1992-1993 Executive Board for their work this year attending to the many details that make the club go.

After the joys of summer, we hope you plan to come and dance with us when our schedule restarts in September. Hope you have a safe and healthy summer.

BELLES & BEAUX -- Glen Rock, NJ (MS w+ tip)

1,3,5 Wednesdays

Coleman School, 100 Pineyynn Road

2 & 4 Tuesdays (Jul & Aug)

VFW, 6 Veterans Place, Elmwood Park

How would you feel if you were driving alone after a dance, stopped for a traffic light, and a man walked up to your window from the car behind? Believe me, it's more than one feeling!!! It happened to me after a dance in March. His first words were, "I saw your square dance license plates and I'm interested in getting a caller or some records for the gym class I teach." We pulled over and I gave him some information. I also promised to send him a flyer about a barn dance at my church. He doesn't know it, but later on he'll receive a list of open houses, with a note asking him to share it with family and friends. I can't pass up such an obvious opportunity to promote square dancing!

The point is we may get some new dancers as a result of our new license plates. So if you didn't get them yet, get them now. They may be your invitation to new dancers. Be sure to keep some flyers and a **Grand Square** at your side too! And always reflect the pleasure you get from square dancing.

Belles & Beaux has been having a great year! We've raided, been raided many times, loved them all, and we're not stopping yet! We've had our Valentine's Dance and a "mystery sweetheart" tip, and our Mardi Gras mask contest. John K. regaled us with an evening of singing calls and Dick O'Mazziotti, complete with green shirt and "World's Tallest Leprechaun" pin was to be our star leprechaun on St. Patrick's Day for our Irish Auction/Dance, but the auction part was cancelled. Snow greeted those of us who reached the location and over 2 squares of us decided we would **not** go home without dancing. After all, this winter had already cheated us out of lots of dances, but not this one, entirely. Dick accommodated us by calling a tip a cappella. Then with the snowfall still heavy, everyone reluctantly decided to call it a night. Some of our guests came a long way for a raid (they were among the most reluctant to go!), but we wanted to be sure everyone had a safe trip home.

Just the Sunday before, our last student dance in March was cancelled and with it our raid by Rockin' Roosters of Connecticut and our covered dish supper for them, thanks to the Blizzard of '93. Our freezers are bursting with food some of us purchased and/or cooked ahead. But our wonderful class will be ready to graduate in April anyhow, and we're looking forward to our mystery bus raid in May as well as our annual meeting the next day.

Have a super summer and join us at our summer series now at the VFW Hall in Elmwood Park on the 2nd & 4th Tuesdays for July and August. See you then, and at all the Association dances too.

2 & 4 Fridays

St. John's Episcopal Church, 158 West High St.

Our Chinese Auction was a great success and everyone had a good time bidding on all the various items, many of which were handcrafted by the members for the occasion.

We've completed our seven raids and it has been a lot of fun visiting the various clubs and sharing in their dances. It is pleasant joining old friends and making new ones and enjoying the evening with them.

As Chairman of the Nominating Committee, I have been busy contacting members to serve as officers for the next season. We appreciate those who are willing to serve. It is this dedication of the members that keeps the club going and makes the dances possible.

As we approach the end the dance season and the end of our two terms as Treasurers, Don and I would like to take the opportunity to thank Joan Spagnola for filling in for us on the treasury job every time we went to Florida on vacation. Already busy as Raid Co-Chairman, Joan never hesitated to take on the treasury on a moments' notice when asked. Thank for the kindness. See you in a square.

2 & 4 Sundays

Menorah Home, 1516 Oriental Blvd.

Here we are again! The time goes by so fast when you're having fun, and that's what we are having, fun, fun, fun.

The first fun time we had was to give a demo for the patients of the Menorah Home, our home base. It's quite a moving experience dancing for all these men and women who are in wheelchairs and find it difficult to concentrate for any length of time. Don Coy had them participate by clapping their hands and waving in time with the music. One went home with a feeling of gratification of what and where we were in our lives.

Our student class has been going along well, with a lot of good people who are shining examples of what excellent dancers they will be. During our coffee break, Don puts on line dancing music and that's what we do for the lite of heart. When Achy Breaky Heart comes on, everyone is up to dance.

Our January 24th dance with Steve Forman was what we all expected, a dance with great enthusiasm.

February 14th was our Valentine Dance with Dick Pasvolsky and everyone brought their heart to the dance. Some brought their stomachs and feasted at our hospitality table. Our club colors are red & white so it's just a natural for us.

February 28th brought Betsy Gotta and as usual she offered us a great dance. People from all over the metropolitan area came to our dance.

The Blizzard of '93 cancelled our St. Patrick's Day Dance. There will be other years to make it up to St. Pat. We are making special plans for our Graduation Dance and expect a large turnout.

At this time it behooves us to bring special accolades to some special people who make up our hospitality table that is the talk of the town. Jerry & Estelle Abromowitz, who take care of our class nights and do such a wonderful job. Fredda Kerner, Esther Rood and Tom Nemia, who decorate and put together such epicurean delights that people would gain a lot of weight if they didn't dance. It's people like this that make our club so special.

THESE ARE THE YOKES FOLKS

In the last issue I told you how I sewed yokes on to ready-made shirts. However, since then I have developed a new yoke trick for saving money and sewing time.

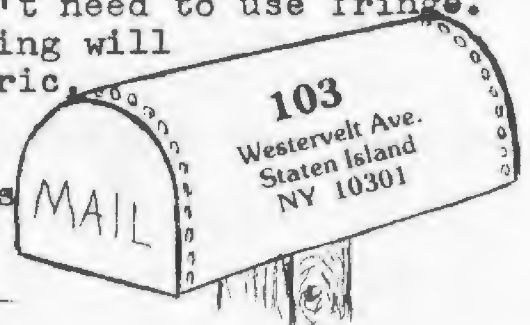

Because I teach Country Western dancing at a local honky tonk (as well as hold membership in all three Staten Island square dance clubs) I wear Western shirts quite a lot. Rather than buy half a dozen white shirts, half a dozen black shirts and a few each of red, turquoise, yellow, etc.----- in order to put fancy yokes on them ----I have one of each color that I like. And I've been making detachable, reversible, silk fringe trimmed yokes that I just safety pin on to my solid colored shirts. Although you could use other methods of temporarily connecting the yoke to the shirt, such as silver western looking buttons (with buttonholes on the yoke) or velcro or snaps, you then have to think about whether you might ever want to wear the shirt without any yoke, and what that would look like. Another advantage of removable yokes is that you can launder the shirts but not the yokes — that silk fringe sometimes doesn't survive washing machines, and pure cottons can fade, shrink or run.

I made a yoke pattern by tracing over the shirts' neck, shoulder fold, arm seam and pre-existing yoke (you don't have to start with a Western shirt — all those "retired" business shirts can find new life this way) and lengthening the yoke bottoms (a little on the fronts, more so on the back). Or buy a simple yoke pattern like a plain V. Anything else could be hard to work with.

I usually use a wild print for one side and a complimentary solid color on the other. But you could use two different prints, plaids, stripes — whatever you like.

I sew each yoke at the shoulder seams, then press out seams (or stitch flat with a narrow zig-zag stitch), pin right sides of both yokes together and stitch all around, leaving the neck unstitched. Clip all curves, turn right sides out, fold in the two neck seam allowances and top stitch. Press, and stitch the fringe on one side around all edges except the neck and then stitch a narrow trim, such as silver or a contrasting color, on the reverse sides' edges (the neck too if you like). You don't need to use fringe. Two different trims or one bias binding will work too. This uses very little fabric, you can make "His" & "Hers" shirts, it shouldn't take long, you don't need that many different basic shirts and it's great for traveling too, much less bulk to pack.

Northern New Jersey Round Dance Leaders Council

The Blizzard of '93 did more than fell a tree,
The winds brought snow and ice to cover the roads all around.
The SPRING FESTIVAL OF ROUNDS had to be cancelled you see,
In McKinnon School in Wharton not a dancer could be found.

Fear not hearty dancer, for down the road and not so very far,
Your Council leaders will again bring you a time and chance.
Another afternoon for dancing to all your favorite cuers,
We can promise you a bigger, better more exciting dance.

Once again the fine talents of our own Karen & Greg Kushia were skillfully displayed when they encored their prior success as Round Dance Program Chaircouple at the New Jersey State Convention. It was their proficiency that ensured the smooth program flow we all enjoyed. Round dancers were once again only faced with the problem of picking and choosing where to be. Thank you, Karen & Greg, for making it so enjoyable and simple for us all.

Having enjoyed the NJ Convention, round dancers might want to consider attending the National Square Dance Convention to be held in the fair city of St. Louis this year. Attending the Convention and concentrating on the round dance program promises one an exciting and fun-filled adventure. Each day starts with the showcase of rounds where you are afforded a wonderful opportunity to see choreographers exhibit their dances. The afternoon can be spent by attending a teach workshop on the dances that you liked. A syllabus

is available to help you in following the program and to choose (that's the killer) which of the many teaches you might want to attend. In between times, if you choose to skip lunch and have a very late dinner, there are clinics that are held. Of course, the many square and round dance friends you meet will understand as you whiz by with little or no time to stop and chat. They will understand that contented smile you are wearing as you wave and promise to visit with them real soon.

Notice to the dancers who have been watching on the sidelines longing to join in the pleasure they observe round dancers experiencing. Check flyers and ask your cuer for information on beginner classes that are starting in the fall. There is probably a class near your home and you can enhance your pleasure by learning to round dance.

Questions? Call Margaret 384-2791 or Ken & Edna 797-6359

Dear Readers . . .

You will find a recurring theme in this issue, the Blizzard of '93. The NNJSDA Executive Board Meeting, scheduled for Sunday, March 14, had to be cancelled. However, our "cache" of 2000 **Grand Squares** still had to be distributed that week.

So Tuesday after work, Henry Shiman rendezvoused with me in the parking lot of an I-HOP on Kennedy Blvd., near Route 3. After putting the "loot" into his van, I hopped on Route 3 and sped to Dick & Shirley White's house at 25 mph. They were anxiously awaiting my arrival with their "booty" and even had supper ready for me. Shortly after I slid in, Bill & Erma Donaldson arrived from Rockaway to pick up their "take." Dick then delivered a "stash" to John Aquino and Joe Passaro. Wednesday evening as the rain turned to snow, it was off to Chatham where Karen & Greg Kushla anxiously awaited their "store." By now the snowflakes were the size of silver dollars, and I still had a "drop" to make at the Bridgewater Commons Mall with Don & Lillian Davis. So I took a rain check on dinner, and left armed with directions for the shortcut to Route 287. We barely crawled along at 20 mph but, in spite of the very hazardous driving, our timing was perfect and I made the "switch" with Don & Lillian. In the meantime, Marie & Tony Attanasio dug out and arrived at our house to pick up their "haul," and one for Steve Forman. On Thursday morning, Bill & Donna Anderson found their "bag" on the front porch. Many, many thanks to these terrific people for delivering our treasured **Grand Square**.

So go back and take another look at the Graduates Issue. Chances are it did more travelling in March than you did!

Kathy & Charlie

The members of CCNJ welcome all the new graduates to the world of club square dancing. There are three things that you should keep in mind during the first year of dancing: dance, Dance, DANCE. Dance as often as you can, at as many different clubs, to as many different callers as you can. Dance around NJ, NY, PA, or any-

where you happen to go on vacation. You will find differences in calling style, differences in club atmosphere, differences in just about everything that goes on at a dance; except that no matter where you go, you will find that the prevalent attitude to be one that you are not a stranger, but a friend they haven't met before, and that you will be welcome almost every where you go. Before going on vacation, check with your class instructor, club caller, or club officers about a square dance directory for the areas you will be going.

One thing that you can do to improve your dancing ability is to dance all the programs up to and including the latest one learned. All the initial classes that I am aware of in this region graduate their dancers knowing the Mainstream program (denoted sometimes as MS); many have also exposed their classes to the Plus program (sometimes noted with a +). Other dance programs in this region are Advanced (A1 and A2) and Challenge (C1, C2, C3a, C3b and C4) each adding more calls on top of the prior programs. If you graduated Mainstream, avoid dances that are listed Plus program and beyond. If you know Plus, then attend dances listed as Mainstream or Plus programs, but avoid dances that are Advanced and beyond. In no way should you feel pressured to learn a new program prior to your being ready for it. The main idea of square dancing is to dance the program where you have the most fun.

I WENT TO THE DANCE AND THEY DIDN'T SMILE!!!

by Dick Mazziotti, Caller/Teacher

Read this warning: If you are a new dancer, please read on. However, if you have been dancing for a year or more, exercise caution as this article may be hazardous to your health.

All dancers are equal, but some are equaler than others. Square dancing is a social activity. We know 'cause we've been told so. But it is also an activity requiring a certain minimal amount of skill on the part of the do-ees. Square dancing skill levels are measured in "mill arounds." This is a unit of measure based on Newton's Law that objects in motion tend to stay in motion, while objects that make straight lines tend to get back dancing sooner. If, of an evening, you score lots of "mill arounds" while those around you are dancing, your skill level may need adjustment.

"Aha," you say, "Mayhap I just do need a leetle fine tuning of my skill level so as to avoid the dreaded 'mill arounds,' how am I to get it?" Well, I'll tell you (that of course being the whole reason for writing all this).

- Talk to the caller between tips and ask for another explanation or walk-through of a call.

- The answer is, "practice, practice, practice." The question is, "How do I get to Carnegie Hall?" or "How can I raise my own skill level?" Get a group together and practice in a basement. Lots of new (and experienced) callers would love to have the practice, or buy some tapes.

- Ask some of the recognized better dancers to square up with you for a special tip. Note, however, it is not good form to "adopt" a couple by trying to get into the same square the whole night long.

- **But most of all, go to dances!** Put another way, the more you dance,

the better you feel. The better you feel, the fewer "mill arounds" you earn (sorry, my rhyming license has expired).

What to look for over the summer: First of all, look for **Mainstream** dances. There are lots of them and they are designed specifically to help polish your dancing skills. Secondly, join a club. Preferably it should be the club you have taken lessons with. However, resist the temptation to join several clubs unless you have all the time in the world and want to adopt square dancing as your entire life. It is not fair to join a club that you will not be willing to work for. "What? I heard someone say, work? What do you mean, work?" Well, Virginia, there is no Santa Claus and keeping clubs healthy takes lots of work on the parts of the members. However, one of the great joys of square dancing is the social enjoyment of helping run a happy and healthy organization.

Etiquette at the Dance:

- If they frown at you, smile back. Remember, some people were born with lips that could bite the heads off nails, or it may be that they are frowns of concentration.

- When the needle goes down, square up immediately. **Do not walk past a square that is forming to join another square across the room.** Get into the first available square and do so quickly.

- If the square does break down, either talk lots and score high in "mill arounds," or make facing lines and get ready to continue to dance. Your choice.

- **Never, never, never walk out of a square.** You can put up with anything for the seven minutes of an average tip.

And remember our motto here at camp, "When all else fails, blame it on the caller." Happy dancing.

Letters to the Editors. . .

Questions: Is club attendance down from previous years? Is it difficult to find officers? Is the current class enthusiastic about joining the club?

Answers: Yes, but we can't figure out why. Yes, but we can't figure out why. So far, but we keep losing them and don't know why.

I believe there is a solution, based on listening to dancers from successful clubs elsewhere in the country. But it would require a radical change in thinking, and would only work if all the clubs worked together in a spirit of cooperation for the benefit of the activity. **Hold class the same night as the club dance.**

Can't be done you say. Why not? Some couples are unable to dance at a local club as often as they wish because the local club dance is on the same night as their home club's class night and they want to angel. Another club is unable to get enough angels for class because their dancers are already out three nights a week and don't want to give up another night. Many club officers are running themselves ragged, trying to be at every class, their own club, and visit other clubs. Students and new dancers see this and say not me. Try a positive approach instead. **Hold class the same night as the club dance.**

This has been done successfully in other parts of the country. Students feel part of the club from the very beginning; angels have another free evening; club officers don't have so much pressure.

Are we interested in the activity or just our night out? In a few years, will our favorite club still be there when you want it? Perhaps now is the time to take some positive action, radical as it may seem.

Please jot down your thoughts and send your comments to **Grand Square.**

Dot Loewenstein, Caller

A number of us have been discussing how wonderful the **Grand Square** has been and we wish to inform you that we certainly appreciate all the work that you've been doing to make it so enjoyable to read. Thank you.

There is a point though that we thought you might consider: either indicate both pages (for the ad & for the report) in the index, or cross reference both, or put both the ad and the report on the same page. This might make it easier to find the report.

Again, thank you for all the work and time you have been giving for the publication.

Ruth Cohen, Kings Squares

Editors' Note: Listing the page number for both the ad and the report in the Index

would still make it difficult to find the report. Which page number is the ad and which is the article? Putting the page number of the report on every ad would take lots of work and time, but something we will consider for the future.

Placing the ad on the same page as the article gives you only half as much publicity. We put the club reports in alphabetical or, as is this year's case, reverse alphabetical order. It should take only a moment to find a club report. Placing the club ad where it 'looks' the best is very important. We try very hard to rotate the ads so everyone has a good spot in the issue. We also do not place ads for clubs that would be in conflict. For example: Kings Squares dances on 1 & 3 Sundays. We will not put an ad for F.A.D. or Motiv8ors on the same page as your report or your ad. We are always looking for ways to improve and thank you for your suggestions.

Our HiLo St. Patrick's Party dance on March 19 was well attended. Class dancers from several other clubs came and enjoyed the calling of Gary Potts, our class teacher. Club members, who are unable to act as angels, got a chance to meet our class members and welcome them into our ranks. We expect that all our class members will attend the summer Plus Workshop program and be ready to fully participate as we start the '93-'94 season. We also welcome any other dancers who have completed the Mainstream program, or who know the Plus figures and just want to brush up, to come and join us at our regular dance location on Tuesday evenings for the Workshop.

WHAT CALLERLAB MEANS TO ME

by Tony Oxendine

Had someone asked me five years ago, "What does Callerlab mean to you?" my answer probably would have been, "Not much." Funny how things change over the years. When I was first invited to join Callerlab back in 1978, I considered it a great honor. I was absolutely thrilled to attend my first convention. I was awestruck to see "legends" in the flesh. I was overwhelmed to see multitudes of callers assembled in one building. Amazingly, it was still just Sunday night.

The reality crept in. I watched this multitude of callers argue at length over what I thought were very trivial matters. I watched these "legends" join in the confusion. I saw, what I thought, countless hours being wasted at the meetings that I attended. Nothing was being accomplished. People that I had never heard of were getting the coveted Milestone Award. I sat at the banquets and wondered where in the world did our Board of Governors come from. These people were so out of touch with the real world of dancing. They were only on the board to serve their own egos.

So, I did what seems to be the popular thing to do. I attended the conventions, went to the meetings and I even joined a few committees. But I didn't really participate in anything. My mission, primarily, was to complain and gripe.

Eventually, a strange thing happened. I found myself actually caring about what happened inside this organization. I decided to **get involved**. Then, even stranger things began to happen. The "trivial" things that were being argued about didn't seem so trivial anymore. Many valid points, by concerned

callers, were being brought up at these meetings. Time, that I once thought was being wasted, was actually being taken up constructively. Like within any large corporation, changes take time. Rash and quick decisions are usually not in the best interest of the organization. I learned about the Milestone recipients and I discovered that **all** of these people were more than deserving of this award.

Finally, the strangest thing of all happened. I ran for and was elected to the Board of Governors. On the board, I discovered, were some of the hardest workers within Callerlab. I discovered that serving on the board was pretty much a thankless job, so these people surely weren't in it for their egos. They truly loved both the square dance activity and Callerlab. To my amazement, these board members accepted me almost immediately. Having been somewhat of a "rogue" for most of my calling career, I was very pleasantly surprised. I could not believe that they were interested in my input.

I can truly say that it has been a humbling experience serving on the board. I am extremely honored to have served with the past and present board members. I have also developed a great respect for our office staff. Their hard work ensures that the wheels of this great organization run smoothly.

What does Callerlab mean to me? It is the heart and soul of our activity. To be a member of Callerlab means that you have to care about square dancing (even if only a little). I care. I care about both the activity and our organization. I care enough to try to make a difference. **DO YOU?**

(Editors' Note: Although Tony speaks about Callerlab, his words could be echoed by many NNISDA board members as well as your club's officers and board members. If approached to serve for your club, do your part.)
