*From the desk of....* JOHN & JOAN BERG, NNJSDA PRESIDENTS

As we turn over the reins to new Presidents, and this being our last message as NNJSDA Presidents, we would like to leave you with some of our thoughts on square dancing. Please remember that these are our thoughts and not necessarily those of the NNJSDA or any of its members.

As we travel the country attending festivals and conventions, or attending meetings, or reading the some of the national publications, the one question that is asked the most is, "What is happening to square dancing?" The answer to this question is simple, "We are what's happening to square dancing." Let's think about this for a moment. Each year we recruit fewer students; therefore, we have fewer graduates. The clubs have fewer members. There are fewer dancers to fill the many leadership positions in the clubs and clubs start to take a lesser role in the "Wonderful World of Square Dancing." But most of all, because we have fewer dancers, we will now have fewer students.

Because of this trend, many articles are being written criticizing square dancing. They criticize the length of lessons, the way we dress, the cost of halls, callers, and subsequently the cost of dances. They also say that other forms of dancing, such as western dancing, line dancing, etc., has had an impact on square dancing. These are **EXCUSES**, not reasons.

WE the dancers are the main reason for the decline in the popularity of square dancing. Square dancing has always been a numbers game. The higher the number of students, the more graduates; the more graduates, the more club members. The more club members, the more square dancing enthusiasts, and so on. We're sure you have the picture by now. If all of square dancing's critics would spend as much time showing the world the good side of square dancing and less time criticizing it, we're sure that we can reverse the present trends.

*"ONE SQUARE IS FAIR"*

### *Presidents' Letter continued from page 3*

Let's take a moment to look at the **EXCUSES**. When we think back to our student days, it was a fun time. If we ever thought of stopping it was because we were having trouble learning, not because it was too long. However, our instructor had the patience of a saint. Those many angels who came each week in square dance clothes were an inspiration to us all. We were made to feel that we had to graduate so we could "belong." That is just what we did and we have never regretted it. Some say we should relax our attitude on square dance clothes. Some even feel that we should abolish them. Just imagine the NY Giants showing up at the Meadowlands in jeans and sweatshirts to play football. Our critics say that square dance outfits cost too much. Then these same people will purchase western clothes, boots and a Stetson to line dance. It is not necessary to spend a fortune; a few simple outfits will suffice. However, if you want more, it should be available. It's like driving a Chevy or a BMW; after all they will both get you to your destination. Now let's look at the cost. It's your choice.

You can rent a movie, buy a bottle of soda, a bag of potato chips or you can square dance, both for under \$10.00. Would you rather be a couch potato or a smiling, fit square dancer? The choice is yours.

As you can see, the decline is our fault. We are taking square dancing for granted. To many of us square dancing is a way of life. Not a day goes by that it doesn't touch on our lives. In some way, it is up to us to see that the rest of humanity learns about square dancing. It is time to return to our roots. Let's adopt a student and double our membership. **WE CAN DO IT.** Square 'em up.

*John & Joan Berg, NNJSDA Presidents*

**AL'e'MO SQUARES -- Brooklyn, NY** **MS/PL tips**  
**2 & 4 Sun. Sept-June** **Ft. Hamilton Comm. Rec. Bldg., Ft. Hamilton**

We've had a busy and eventful couple of months. We gave a demo at the Menorah Nursing Home, where 95% of our audience were in wheelchairs. As we left, the following Indian prayer came to my mind, "I complained about my shoes until I saw others without feet." Don & Dot Coy were our callers on this visit of mercy, and they got them to wave their arms and sing along. It made it all worth while to invest the few hours we did to entertain them. We have another two demos planned, one at the St. Francis Nursing Home and then we are back again at the Menorah Home. We are also on the road again with three raids: the first at Ocean Waves, the second at Tenafly Squares, and the last at Tenakill Twirlers.

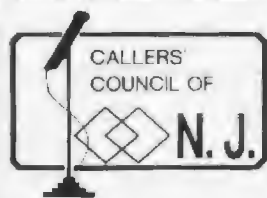

Dot Coy became a grandmother for the first time. She doesn't look a day older! The only thing that we have noticed is that she walks and dances about two feet off the floor. With the first grandchild, you gotta expect that. The son of our VPs, Sam & Minnie Santiago, was married this past month. They didn't lose a son, they gained a tenant for the apartment that Sam refurbished. Lucky people!

We are ready for the Convention that our own Don & Dot Coy are the Chairpersons. We are very proud of them. We are also getting ready for our Graduation, and here again we are so grateful for Don & Dot for doing a great job. We must have the most enthusiastic graduates in many years. They are trying hard.

As Presidents of your club, how would you like to get a phone call at 3:00 P.M. in the afternoon that the hall you're dancing in that evening has a 48-degree temperature? It seems that there was a heating problem earlier in the week, but they thought it would be corrected by Friday. Evidently, it was not. It was too late to cancel the dance, so three members brought lots of sweaters and sweatshirts for dancers to wear. Fortunately, there was heat in an adjacent room and the kitchen where we placed our refreshments, which were plentiful; so the dancers had a warm place to go in between tips. After dancing 10 to 15 minutes, many of us were comfortable without sweaters. By the end of the evening, the temperature read 60 degrees. We want to thank everyone for their patience and understanding. Our four squares had a super time thanks to Marion Pearce and Russ Booz.

We want to thank Hix & Chix for such a big group raiding our February 9 dance, which featured Al Kaesler and Dave Roberts (we had seven squares). Also thanks to Valley Squares for their raid on February 23, where Dick Mazziotti and Al Spinks were our caller and cuer (we had 5 squares). A great time was had by all at both dances. We love raiding other clubs as much as we love being raided.

At press time, our students are eagerly awaiting graduation in April, when they can get out and dance, dance, dance! And an eager group they are!

Our series of student dances helped to reinforce Dick Mazziotti's teaching, as did Dick & Laurie's M&Ms - if you don't know what this is, call the Mazziottis, or ask any Belles & Beaux officer. M&M is a great idea - so it was probably Laurie's suggestion. In any case, Dick did another great job with our class.

And many, **MANY** thanks to the multitude of angels who came to class each week as well as our student dances. This kind of support and encouragement is what helped our new dancers all year long, and they will continue to need more during the summer as they hone their newly acquired skills. I know it's sometimes hard for those of us who have been dancing for a few years to remember what it was like right after graduation, but we did still need encouragement from the "old timers." So be sure to get out to those Mainstream dances this summer and smile away! Next to eating, smiling should be what we do best!

Just remember: "square dancing is friendship set to music," so get out this summer and show our newcomers just how friendly and welcoming we can be!

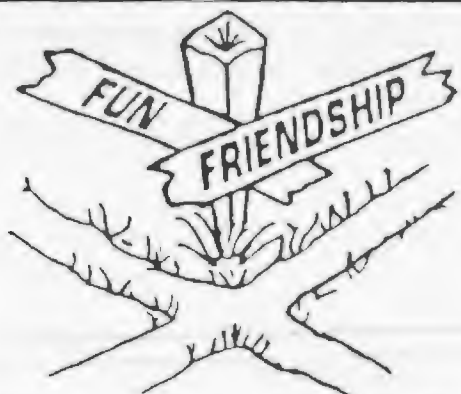

This year we are starting our summer series in June at the air-conditioned VFW Hall in Elmwood Park. Remember: we move to Tuesdays for June, July and August. Have a wonderful summer.

**4th Fri. Sept-June      St. Luke's Episcopal Ch., Mass. & Grant Aves.**

As we draw to the close of another season, we can reflect back upon a very productive year under the able leadership of our Presidents, Susan Jurgensen & David Wolin.

We graduated 16 students in April and welcomed them into our club. They're an exceptional group of outgoing individuals and will certainly make a positive contribution to our club in the months ahead. In fact, the Adlers and Firestones have already agreed to share the responsibilities of Class Coordinators in the fall.

Don't forget to mark the 4th Friday in May on your calendar, when we will hold our 2nd Annual Chinese Auction. You may remember the valuable prize we had last year, thanks to the great job by the Franchinos. Nancy & Bob have even better surprises planned for this year, so don't miss it. In June, we will have our annual Pot-Luck Supper with dishes that you will smack your lips on. Just sign up to bring your favorite dish. Guaranteed you will not go home hungry. Mike & Sally Schein have agreed to chair the supper again and are busy organizing the menu. See what success will do; they're at it again.

We hope to see you all at the Summer Dances and again in the fall on the 4th Friday of every month. We will have our 3rd Annual Autumn Leaves Dance at the Boy Scout facility in Alpine on the last Sunday in October. This dance should prove to be even bigger and better than the last one, so make your plans early.

After the blizzards we came back full speed ahead with Howard Richman. His energy and enthusiasm helped to keep us warm and happy. It was great to be dancing again after our case of cabin fever.

Valentine's Day was extra special for us, with Brian Fugere and Al Spinks. There were kisses for all guests (chocolate ones, that is), a delicious selection of pies (it was Pie Nite), and party games. Brian led us through his version of Spin the Bottle, Post Office, and Musical Squares (instead of chairs). He even supplied 3 CASH PRIZES for the lucky winners! All this fun and dancing too!

As for our Carnivale, one word comes to mind: WOW! It was awesome! Imagine Tim Marriner and 30 squares (you read it correctly - 30) of enthusiastic dancers with many in festive costume. There were balloons, streamers, refreshments galore, SPIRIT, FUN HOOTS, and CHEERS. What a party! This was our second annual Carnivale. If you missed out on the fun, you'll have another chance next year.

Just a little note: at our Carnivale and other dances we draw many single dancers who mix and match during the evening. Louis and I keep an eye out and make sure nobody is left out.

We had a full house for our March 9 dance with Jim Snyder (just missing the latest snowstorm by one day!). Jim's calling was up-beat and entertaining, keeping us invigorated and smiling throughout the evening. This was followed by fun and challenging dancing to the calling of John Kaltenthaler and Mark Franks. They always have some tricks up their sleeves.

We finished off our 43rd season with style. The talented Pete Diven (MD) both called and cued for us on April 27th. We will again have the pleasure of dancing to Pete' dynamic calling at next year's Carnivale. Will Larsen (CT) did the honors at our Prom Nite on May 11th. Tuxedos, cocktail dresses, and gowns were a smashing way to complete another successful season. Will will also help us start off next season with a bang on the 4th Saturday in September, so mark your calendars.

And so, we say good-bye to another very enjoyable dance season. Don't forget the Five Clubs Summer Dance at the First Presbyterian Church of Roselle, which begins the 2nd Friday in June. Have a fun, relaxing, and healthy summer. We look forward to seeing you over the summer, and in September at our opening dance at the Stelton Community Center.

Cross Trail Squares successfully danced around the snowflakes and got itself into high gear in 1996. We once again shared good times with our friends on Pie Night (this year it was pizza). We were a caller's nightmare at our Valentine's Day Dance with everybody seemingly in red and white. Fortunately, club caller Bob Mitchell was, as always, up to the challenge. At our Presidents' Day Dance, we were proud to host the Presidents of eight other NNJSDA clubs for a square dance with "executive privilege."

We also held our 28th Annual Cross Trail Squares Dinner Dance in March with 82 club members dancing to the calls and cues of Bill & Joan Wagner. It was the 13th year that Bill & Joan led us in dance. Between the good dancing, good food, and good friends, a wonderful time was had by all.

The club once again sponsored a bus trip to Atlantic City with 46 would-be high rollers. All our intrepid travelers enjoyed the action of the casinos, the jokes of our club Presidents, and each other's company.

Our raid schedule included a stop at Belles & Beaux where we were proud to put 20 dancers on the floor including all of the club officers. (Contrary to rumors, we did not hold a board meeting during the third tip.)

Cross Trail Squares is also proud of members Sal & Mary Alessi, who have been nominated as the next Presidents of the NNJSDA, and of Rich & Linda O'Keefe, who have been nominated as the NNJSDA's 2nd Vice Presidents.

I don't know who has a connection with the weatherman, but we have had many snowy close calls, but so far have not had to cancel any dances. So whoever you are, keep up the good work.

Our Round Dance Special with Ron Rumble was well attended and plans are in progress to continue this enjoyable affair for next year. Plus workshops are currently in progress at the Chisholm School on Sunday nights with Dick Lighthipe teaching. Thanks to all the angels who are helping out. It was wonderful to have such a great turnout of club Presidents at our Presidents' Dance. Fourteen President couples from other clubs joined us that night.

Harmony Dancers paid the tuition for eight members to complete a CPR course at Overlook Hospital. The following dancers are now certified in that skill: Herb Rivkin, Diana Taylor, Jim Malcolm, Leo Eckmann, Corinne Eckmann, Roger Remington, Jude Remington, and Wayne Schroeder, along with Jack Trainor and Irene Spangler who had previously taken the training.

As I write this, the sun is shining and the snow is melting. As you read this, hopefully, the sun is shining and the grass is growing. Deja vu? Yes. I wrote those same words last January and here in mid-March they are still appropriate.

Hix & Chix had a Chinese Auction during our January 25th dance. Thanks primarily to Gloria Wyman and Connie Huettmann for organizing it. We had a great time, especially one couple (who shall remain anonymous) who cleaned up, so to speak.

Finally, our annual dinner-dance March 10th was a fun time for all. John K. and Nick Raspa did the squares and rounds. Dancing in a "square" with two couples in each head position, and one couple in normal side positions, made for a really fun tip. And as always, the Paterson Brownstone's food, service, and atmosphere were superior. Enjoy your summer dancing!

It doesn't seem possible that the square dance season is coming to an end for another year. I guess it's true that time flies when you are having a good time.

We would like to thank all the officers we had this year. They really did a good job. We would also like to thank all the clubs that came to raid us. And a big thanks go to Peg Dockry and Wilson Hoff for calling and cueing our dances.

We would like to give special thanks to all the dancers who visited us and to all the Flutterwheels' members who came faithfully and supported us. Thank you all. See you in a square.

It's the Reelers' 35th Anniversary. We plan to celebrate at our dinner dance on April 19 and to honor charter members, Betty & Dave Manning.

Our class continues with eight students. Several of them have gone to student dances in the company of our Presidents, Marion & Bill Grady, and have enjoyed them greatly.

We raided Lakeland Squares in February and are planning to raid Richmond Dancers and Country Promenaders in April. It was a pleasure to welcome the green and white throng of Garden State Campers on Pie Night in February.

After boasting in the last issue that our dance schedule had escaped all the snowstorms, we were snowed out on February 16.

We mourn the passing of member Margaret Brownell, whom many of us admired for her capacity to enjoy life in good times and bad.

We hope this finds you as full of vigor and optimism as springtime itself.

Happy to say our graduates are dancing weekly and enjoying it more all the time. We had a class dance at B&B in Bethlehem, PA. Seventeen club members went and had some happy times. We raided Lakeland Squares with our students for a class dance. Again, more than two squares went. Everyone enjoyed Bob Robinson's calling. We take a lot of pride in our students.

We take the same pride in our caller and instructor Mickey McFarland. She has a great gift for teaching with humor. We are fortunate indeed to have her. Many, many thanks from our Mainstream and Plus class, Mickey. We enjoyed having Q.T. too!

We had over 100 dancers at our Luau Dinner Dance in March. Everything about the day was memorable. Joe Fioretti and Marvin Northrup kept the squares moving fast while Al & Gale Spinks worked their magic with rounds. Heartfelt thanks to Donna Poyer and her committee.

We'll close with a blessing. All our members are back and healthy as we go to press. OK people, go Yellowrock your partner.

After this past hard winter and then not dancing in January and February, we really looked forward to our March Pie Dance. Our bakers outdid themselves with pumpkin, pecan, apple, and types of lemon pies. Those pies that were not consumed by the end of the evening were auctioned off by our infamous auctioneer and President, Chuck Hatfield. Our caller, Dalt Young, getting into the spirit of the evening, put on a baker's hat and apron. We can always count on him to wear something appropriate. We were raided by Warren Wheelers who performed their covered-wagon routine to everyone's delight.

At our St. Paddy's Dance, the refreshment table had a definite Irish look from the cream puffs with green-colored filling on down to the spearmint leaves candy. As has become the custom, Charlotte Miller and Dottie Snyder were the hostesses for this dance. Dalt wore his green derby and sang *Danny Boy* and *Wearing of the Green*. Ed Miller cued a contra dance to a lively Irish tune and got a good group up on the floor.

Ending on a sad note, our sympathy goes out to our Treasurers, Alberta & Bob Decker, for the loss of their son, Charles (Chip) Decker, through illness.

Every Sun. Jul & Aug

Midland Ave. at Spring Valley Rd.

Alt. Site: 1st Presby. Ch, Maplewood & Sherwood, Clifton

Winter just keeps coming back to give us one more jolt; but, surely as you are reading these lines, spring will have come. We deserve some warm weather after the winter we have just come through. Members of our Advanced class are dancing with us on a regular basis now, and we certainly welcome them to Motiv8ors with warm enthusiasm.

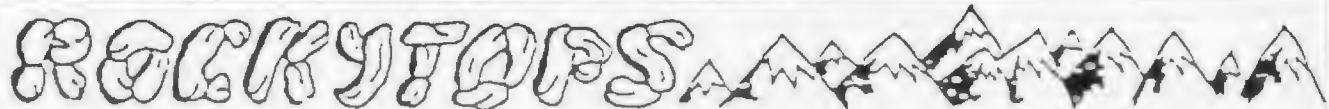

As the dance year winds down, it is most appropriate to express appreciation to all the club members who shared the various responsibilities of making a successful year. There are 27 individuals on the staff of Motiv8ors, several of whom filled more than one role. We thank you very much for your contributions. A special round of applause goes to Janet Eller and Conrad Yanis, our Presidents for the past two years. Janet & Conrad are turning the gavel over to Grace & Steve Weinstein for the coming year.

We are continuing to meet occasionally at our alternative location in Clifton. Our members and friends find this location easy to reach, roomy and comfortable for dancing. It is especially convenient for people coming from the south or west. Three upcoming dances are scheduled at the alternative location in May and June; however, events beyond our control may necessitate changes in these arrangements. Please consult our latest flyers for the most current schedules. If there are any questions, feel free to telephone Conrad & Janet at 201-470-8563 or other club officers for the correct information regarding the dance locations. We don't want anyone to miss any of the fine callers we have slated for the spring and summer. See you there in a square!

Square Dancers everywhere are interested in exchanging ideas on promoting square dancing and bringing new friends into the activity. The 1996 Promo-Pak is a packet of promotional ideas offered by Legacy to clubs and associations as a help in recruitment for their next dance sessions. Traditionally, September was celebrated as Square Dance Month in the U.S. In other countries, the time frame for beginning classes differed. Now that many group are offering square dancing to the public at 10 or 12-week intervals, the Promo-Pak is useful on a year-round basis.

The 1996 theme is: "On Line, In the Round and Square." The poster, which is included in the packet and can be used for promotion, will reflect this theme, in an effort to appeal to the computer interests of those we are inviting to join the square dance activity. The Promo-Pak will be available for mailing on May 20.

Goodness, but that dance season passed quickly! Our last dance, with its wonderful covered-dish supper, is upon us. Please plan to join us for our traditional end-of-season bash the first Wednesday in June. Call the Hendersons or the Nitzsches for reservations.

We have one more A-1 Special on the 5th Wednesday in May. Check our flyers and ad for details. Our January 30th Special was quite a success. In addition to a large crowd, there was a surprise anniversary celebration for the McCabes. The Groths provided a cake, and the Hoelles brought a beautiful arrangement of flowers for the occasion. Congratulations, Isabelle & Doug, on your 48th!

Harry Henderson took quite a spill on an icy path and injured his ankle. We certainly hope for a quick recovery. Harry & Dot are indomitable, though. Regardless of the handicap, they arrive to prepare the coffee, etc., for the refreshment table.

We enjoyed our Valentine's Day raid to Cross Trail Squares very much. Hearts and flowers filled the evening. Also, we raided Country Promenaders on their Carnivale Night and delighted in Tim Marriner's excellent calling. Preceding this dance, we gathered for a spaghetti dinner prepared and served by the members of the Jazz Band of Middlesex High School. The McCabe's grandson is a member of the band, and we were happy to support their event.

We have a great deal of fun at our dances. Our Presidents, Hilda & Bill Groth, see to it that everyone has a good time. They have led our group through another successful season; and we are all very appreciative of their commitment. Our club's support of John Kaltenthaler's Advanced class is indicative of the Groth's abiding interest in square dancing and their desire to encourage dancers in the Advanced program. Thanks from all of us, Bill & Hilda!

We also express our gratitude to Joe Landi for coming such a long way to call for us. His cheerful countenance and relaxed demeanor make for a happy dance. Won't you come out and dance with us? All who dance the A-2 program are most welcome. You have only learned A-1? Then watch for our occasional A-1 Specials. See you soon!

**RICHMOND DANCERS --Staten Island, NY****PL****2 & 4 Sat. Sept-June****All Saints Church, 2329 Victory Blvd.**

What a winter! Staten Island broke records for the snowiest and coldest winter ever. But that didn't deter Richmond Dancers to go off on successful raids to Y Squares, Ocean Waves, and Staten Square Set, under the very able leadership of Frank & Shirley Bellotti.

Thanks are also in order for our Vice Presidents, who coordinate and present such wonderful refreshments at each dance. It's so good to have new dancers take part in our favorite activity and do it so graciously. Remember to line up prospective members for our next RIOS class - keep our dream alive.

Did you know that Pete & Joan Yuskevich just had a new grandchild? That brings their current total to 13 - a baker's dozen. What Richmond Dancer President has been taken for Santa Claus? Clue, his initials are B.A.

It was great to see the Dunlops back from yet another trip (this time down the Amazon). The Bichlers and Yuskeviches are back from Florida and the Branigans are back from Arizona. All looked well, tanned and ready to dance at our March 9 party.

Congratulations to opera fans Marcia & Sandy Rubenstein on the 60th Anniversary of Marcia's parents.

Well we certainly welcome SPRING, hoping you are all well and looking forward to dancing with ALL including those who have not ventured out in the cold. We are off today on a Caribbean cruise, but we'll see you soon. God bless all.

### **ROCKYTOPS of ROCKLAND – Pearl River, NY PL/A-1 tip 1st Fri. Oct-June Pearl River United Meth. Ch., John St. at Franklin**

The cold and the snow forced us to cancel our February dance, but our March dance was exceptional. There were 14+ squares dancing to the challenging calling of Mark Franks. We were raided by Western Wheelers, Circle Eights, and the North Jersey Campers. As always, there was terrific round dancing cued by Nick & Carole Raspa. Our raid to Hi Taws was a great success with over 30 RockyToppers in attendance.

It's great to see Bob & Arlene Stams back on the dance floor again. John & Joan Berg are stepping down as Presidents of the NNJSDA after three years. We thank them for their dedication and hard work. We also congratulate them as new grandparents.

The A-2 class sponsored by Motiv8ors and taught by Roy Leber is making excellent progress. There are two squares of students and several angels from RockyTops. That's what square dancing is all about, passing on the fun and helping others to become better dancers. Several RockyTop members have signed up for C-1 classes. We wish them well.

Please join us for an enjoyable night of square and round dancing. There's always a warm reception, wonderful dancing to terrific regional callers and great cueing by Nick & Carole Raspa, and always a large assortment of tempting refreshments.

Our Pearl River location is 20 minutes from the intersection of GSP and Rt. 80 Saddle Brook and 10 minutes from Exit 172 of the GSP.

**SEE SAW SQUARES -- Upper Saddle River, NJ MS/PL/CW**  
**PL - 3 Sat. Sept-June Old Stone Ch. Ed. Ctr, 500 East Saddle River Rd.**

See Saw members and guests enjoyed dancing to the calling of Roy Leber at our Chinese Auction night in January; Dan Koft at our Hawaiian Night in February; and Randy Page at our Wearin' of the Green Dance in March. We raided Hi Taw Twirlers, Hix & Chix, Western Wheelers, RockyTops, Tenakill Twirlers, and Circle Eights. We were raided by many of the same clubs as well as by Motiv8ors.

Although most of our dances are now the Plus program, we're planning a Mainstream special the first Saturday in June featuring the calling team of Gerry & Chuck Hardy. That dance will also feature our annual resale of gently used square dance clothing - a great opportunity for new dancers to build their square dance wardrobes.

See Saw Squares welcomes visitors, both couples and singles. We hope to see you on the dance floor soon.

Another square dance year is almost over and we've again been fortunate to have had an excellent year due to our varied and capable callers and our dedicated and friendly dancers.

We have two classes this year. Our Wednesday class will graduate on June 3 and our Tuesday class will be ready this summer. Kudos to our hard-working angels who have been so faithful and who have done wonders for us all. Several of our lady angels are learning the man's part and some can already dance both parts, so when you come to dance at Spinning Wheels, everyone usually has a partner.

This summer we will be having dances twice a month at Temple Emanuel on Rt. 202 in Oakland, which is healthfully air-conditioned. Bob Robinson is our very talented caller and will keep everyone on their toes.

We hope to see you on one or every Monday evening. You'll be greeted warmly and be happy you came.

Be sure to have your Freeloader Card signed by the Treasurers at the NNJSDA Summer Dances. The card is in the packet you received from the NNJSDA at your graduation.

STATEN SQUARE SET -- Staten Island, NY

PL

1 & 3 Sat. Oct-June

St. Alban's Ch, 76 St. Alban's Pl.

It seems as if the dance season is just getting underway and here we are getting ready for spring and summer dances. WELCOME SWEET SPRINGTIME!

Congratulations to Joe & Eleanor DiGiacomo. They celebrated their 50th Wedding Anniversary on February 2nd. We wish the love birds many, many more happy years.

Peg & Dick Corney have been enlarging their clan this year. On March 9th, daughter Debra was married, and they have also added 2 new grandsons making a grand total of ten grandchildren with five of those under the age of one. Our very best wishes to the bride and groom, babies and their parents, and especially to Peggy & Dick.

Get well wishes go out to Tony Franco, who is recovering from a heart attack and to Tony Attanasio recovering from knee surgery. Jack Nevins is going in for surgery on March 26th, so by the time this is being read, we hope all will be well with him. Our best wishes for speedy recoveries to all of them.

Welcome to all new graduates; it is our wish that you may be fruitful and multiply. We hope to see you dancing real soon and have a great summer and look around for people to bring into square dancing.

TENAFLY SQUARES -- Haworth, NJ

2nd Fri. Sept-Jun

St. Luke's Episcopal Ch, Mass. & Grant Aves.

A couple days before our February Sweetie Pie Night Dance, there were two severe water main breaks in nearby Milford. The complicated detours made Manny Amor late for the start of the dance. Every place he asked, nobody knew where the church was! (And we think square dancing is the world's best-kept secret!) After two rounds by Nick Raspa, Jim Broderick called a singer to fill time until Manny arrived to complete the evening. Attendance was boosted by a raiding party from Belles & Beaux. And everybody enjoyed the great selection of homemade pies.

In March Mother Nature did it again with a six-inch cover of white stuff, so we had to cancel our student dance.

We hope that you'll look for flyers for the Moonlight on the Hudson in June. Recent graduates as well as experienced dancers are welcome to this annual event, which takes place - rain or shine - in an outdoor pavilion overlooking the Hudson River.

Our January dance, with Don Coy calling and Nick Raspa cueing, was well attended in spite of forecasts for bad driving conditions after the dance. Men outnumbered the women and Nick proved to be a versatile partner!

In February, Mother Nature forced us to cancel what was to have been our biggest dance of the year with Howard Richman calling and two clubs raiding. How much more of this beautiful (?) snow can we take?

For our St. Patrick's Dance it didn't snow; we had rain instead. Flooded roads and accidents made our caller Don Coy a few minutes late. The evening was saved by raiding parties from Hi Taw and Al'e'Mo Squares led in procession by a half-square of visitors from See Saw Squares.

C'mon over and enjoy our dances. You're always welcome.

Spring is here! Carl Hanks is due to return on March 21st. We've missed his fine calling. The March 7th dance had to be cancelled because of bad weather, but there should be no problem with our remaining six dances.

April 20th is the 10th NJ Square & Round Dance Convention in Trenton. It's a great opportunity to dance to many callers, shop to excess, and see impressive dancing demonstrations. Hope you made it.

Richard Stogniew has returned from his bypass surgery in fine form. Our other ailing members are on the mend. Hope everybody is back in a square soon.

Over two squares raided Country Promenaders this month. We had a recent raid on Bee Sharps, too. Come dance with us on the 1st and 3rd Thursdays. We are a friendly club with good calling and good dancing. See you in a square.

2 & 4 Sat. Sept-June Refrmd Ch of Oradell, 641 Church St (cor. Kinderkamack)

Sure and b'golly, the snow has melted! In spite of the weather, weather, weather, we have enjoyed some real super theme dances, thanks to the ingenuity of the Wymans and Terris, our special events coordinators. Terrific-Ts resulted in a large variety of great T-shirts with which we decorated the entire perimeter of our dance hall. Most beautiful, funniest, most risqué, you name it, you found it on a T.

Eileen Leber, once again, brought her 1,000 lights to brighten up our festive Mardi Gras. The Beckmanns (world travelers) had an endless assortment of Mardi Gras decor and items to share with us, including lovely pins and assorted beads worn by our executive board and, of course, Jerry's pizzelles were absolutely delicious. Roy Leber complimented the atmosphere with his Dixie Land Style coordinated calls.

Silent Auction could have been called Pat Broderick night, as she needed help carrying out her winnings. Remember that lucky number, Pat!

During this summer, we strongly urge all to try to attend the NNJSDA Summer Dances. Encourage new graduates; adopt a couple going back into square dancing (we did); angel at a workshop; spread the news about upcoming classes and workshops. We were all at one time in our square dance history looking for assistance from experienced dancers. **Let us dance together - let's keep square dancing going and growing.**

# SQUARE VIEW

BY  
MANNY AMOR

"I HOPE HE CALLS  
A DIVE THRU."

One of my personal focuses when looking at an outfit is the belt. I want to see it enhance the outfit, not be an afterthought or a distraction. It is getting harder and harder to find just the "right" belt buckle these days, and in Threads Magazine I found some information that led to making my own buckles ("Custom Buttons that Shine", by Jeffrey Mayer, Jan, 96.) Now, I am no jeweler, sculptor, nor artisan. But if I can start with a hunk of plastic clay and end up with a buckle that I am not embarrassed to wear, so can you.

And it is so much fun--a whole new craft with millions of possibilities.

It starts with the polymer compound ("clay") sold in craft stores under various names--Fimo, Friendly, Sculpey, Cernit, etc. These bake to hardness in 10-30 minutes in the oven. One 2oz. package makes at least 2 buckles, plus earrings, a pin, buttons, etc--and costs less than \$2! Either pick a color to match the fabric, or make the buckle out of any color and then paint it. I used matching fabric paint on one, and rubbed another with metallic gold "stuff", sold in the same display as the clay. The article also describes gold leaf application.

Figure 1.

The basic design is also very flexible. The simplest was a 3" x 4" flat rectangular shape with a slit at each end (fig. 1) for the belt to loop through; I closed the ends of the belt with Velcro. I pressed and baked another onto the front of a bought buckle I always thought was ugly with a capital "ug"; I wanted to take advantage of the metal belt loops on the back.

For a third I bent 2 belt loops out of a hanger (fig. 2); these were poked through a bottom layer of clay, and covered with the top layer, gently pressed together. Once it is baked, the loops are quite firm.

Figure 2. BUCKLE END VIEW

Some information about this clay I learned by reading and experimenting:

- \* It is extremely light (earrings) and strong (belt buckles).
- \* It does not shrink or expand when baked. What you make is what you get.
- \* Layers stick together when pressed firmly--and the bond is permanent when baked.
- \* Except for some yellowing in the translucent clay, it retains its color perfectly--the raw color is the baked color. Knead two colors together to make a new color.
- \* Roll it, mold it, make snakes or braids, use cookie cutters--get the kid in you involved. Sculpey comes out of the package soft and pliable; Fimo is hard and crumbly until it is kneaded.
- \* Sculpey bakes in 10-20 min./275°, Fimo 20-30min./265°. Fimo gives a maximum temperature warning, but I baked them both at 275° and couldn't tell the difference.
- \* Bake it on a smooth surface (disposable pie pan, etc); it will pick up a texture. Position a piece carefully or it may distort; I propped some up with foil "pillows".
- \* It dries according to the thickness of the finished design--1/4" about 10 minutes, 1/2" - 3/4" about 20-30. Overbaking darkens a piece in spots.
- \* Don't like the baked product? It can still be drilled, cut, sanded, painted, glued.

Let me know if I left anything out. Have fun!

## Northern New Jersey Round Dance Leaders Council

Spring has sprung, summer has only just begun, the best of the dance season has yet to come. Weekends and festivals galore are ever in abundance to tempt your dancing palate. The Northern New Jersey Square Dance Association hosts summer dances to reach out and support both new and seasoned dancers. Support your Association and attend all of the summer dances your schedule will allow, and at the same time reinforce all the wonderful steps you have learned. An added bonus is the good fellowship you will share and you will undoubtedly meet "new" friends. Be sure to visit the various clubs presenting summer dances you can't help but enjoy. Check the many flyers and the **Grand Square** ads and you will find that many of the summer dances do have round dancing available. P.S. You are allowed to ask the cuer to "do" the dances you know. Cuers enjoy dancers who dance, and will do all they can to promote your dancing pleasure.

We would once again encourage those dancers who, having enjoyed the New Jersey Square & Round Dance Convention, might want to consider attending the National Square Dance Convention in San Antonio, Texas this year. Attending the Convention and concentrating on the Round Dance Program can only enhance what is always great fun. Each day starts with the Showcase of Rounds, where you are afforded a wonderful opportunity to see choreographers exhibit their dances. The afternoon can be spent by attending a teach workshop on the dances that you especially liked in the showcase. A syllabus is available to help you in following the program and to choose (that's the killer) which of the many teaches you might want to attend. In between times, if you elect to skip lunch and have a very late dinner, there are clinics that are held during those times for the hearty. Of course, the many square and round dance friends you see will understand as you whiz by with little or no time to stop to chat. They will understand that contented smile you are wearing as you wave and promise to visit with them real soon.

## HAND-TO-HAND COMBAT

by Dick Mazziotti, Caller/Teacher

If Lloyd Shaw would have known what he was talking about, our activity would be called "hand-to-hand" dancing, not square dancing. Unfortunately, Mr. Shaw saw fit to concentrate on the music and traditions of square dancing than in renaming it to teach people some 40-50 years later how to do it. Yes, dear reader, it's time for the quadrennial admonishment about holding hands.

Hands, hands, hands. The manipulators of violins and sledge hammers. The abode of several hundred of the body's bones. You hand someone your hand to shake hands and show you are handy.

Have you ever noticed while square dancing that some good dancers always seem to know where they are, and perhaps where you should be. These people are blessed with "situational awareness," that is, knowing if they are in a line, two-faced line, wave, diamond, etc., and whether they are centers or ends, boys or girls. If you watch closely when you see one these dancers in action, you will notice that while their hands never leave their arms, they are constantly, consistently, every-chance-they-get touching hands with those dancers next to them.

This laying on of hands at every opportunity is the glue that keeps a square together and dancing. Dancers who do not touch do not dance a lot. They tend to get struck by the dreaded mill-arounds. If you would like to be one of those really good dancers, touch hands at every opportunity.

Having said that, there is a down side. Touching hands with other dancers is good. Grasping hands with other dancers is bad. The hand contact, while ever so necessary, requires a light but persistent touch. Some dancers appear to be forever falling out of a lifeboat. Their grip leaves indentations in steel.

*Mazziotti Column continued from page 48*

Their hold continues long past the next two moves. One finds oneself desperately shaking them off in an attempt to keep dancing and avoid being forever joined at the wrist. The only protection I have been able to come up with against these bonecrushers is to never let them get a complete grasp. Just tap their hand and move on.

As you make contact with more experienced dancers, you will find that a dosado is not necessarily a dosado, and circle to a line often bears no resemblance to a circle, as well as other fillips and embellishments dancers add to the calls. You were taught the correct way to do the calls. Most really good dancers are able to do the flourishes, but restrain themselves unless they are in a complete square with others willing to join them. The choice is yours.

But if you don't want to do a "wrap-around" dosado, simply grasp your skirt or belt buckle in both hands, and do a regular back-to-back move. The "slap & slide" often replacing circle to a line is more difficult, but not impossible to avoid. Watch some of "Mazziotti's Raiders" as they insist on really circling to a line.

And ladies, you paid enough money for those skirts, both long and short. The dancing looks and feels so much better when you use them to style your moves. The flowing grace of a well-handled skirt adds to everyone's enjoyment of the dance, including your own. And let's face it, in spite of the emphasis we tend to put on technical details, the whole idea is to have fun. See you on the dance floor.

**M & M SQUARES – Park Ridge, NJ**

**Basic**

**1st Saturdays**

**Pascack Reformed Church, Pascack Rd**

M&M's Basic Program has been enjoying some successes. We have been dancing 8-9 squares at the Basic Program, Interesting Level, and have been getting support from dancers from all programs. A group of C-1 dancers joined us recently for some fun, especially during the hot hash halfway through the evening. Please note, we will not be teaching a class. There are already many clubs with classes. Support them and help them and get students to them. We will continue to provide dancing at the Basic Program, Interesting Level.

Our June dance has been cancelled in favor of See Saws, who are having a Mainstream dance the same night. We are not in competition for dancers. For this reason, for now, M&M's will remain a caller-run club. We do not want to siphon off dancers who might be needed as officers in other clubs to be officers at M&M.

We would welcome raids by any club interested in dancing the Interesting Level at the Basic Program. We in the process of deciding, with our dancers, whether to continue to dance over the summer. Look for flyers (and let us know if you think we should continue over the summer). Thank you to all the Mainstream, Plus, A-1&2, and C program dancers who are supporting this effort.

**49th NATIONAL SQUARE DANCE CONVENTION**  
**Baltimore, MD - June 21-24, 2000**  
**"Cruise News"**

The Victory Dance, snowed out in January, has been rescheduled for Sunday, May 26, 1996 from 3 to 6:00 P.M. at the Baltimore Convention Center, Sharp Street entrance, Hall D. This is two blocks from the Inner Harbor. Tickets are \$5.00 per person and dancing will be Mainstream with Plus tips and Phase II & III rounds. We will have a Color Guard for the Authentic Christening of the "The Baltimore 2000," the official "J Boat" of the 49th NSDC. All area callers and cuers are invited to help us celebrate. For information call: Dick & Linda Peterson, General Chairmen of the 49th NSDC, 301-345-7450; or Joe & Norva Pope, Assistance General Chairmen, 410-255-0620.

Introduction to the Executive Board directing our cruise toward the 49th NSDC continues. Rolle & Marian Williams have been appointed Program Chairmen. The Williams started dancing lessons in Oxon Hill, Prince George County, Maryland. They retired to Bethany Beach, Delaware and have been as busy as ever including participating on the committee that helped pass the Bill that made square dancing the State Folk Dance for Maryland.

The General Chairmen has selected the Committee Chairmen using the same criteria: people who love square dancing and who have particular skills to fill specific needs. Your skills and love for square dancing are needed to fill the more than 3000 jobs that must be done to create a NSDC. Some tasks must be completed early in the five-year period prior to the event; others don't start until much closer to the Convention. Check with your local square dance organization to find out how you can volunteer.
