*From the computer of.....* Frank & Helaine Penn, NNJSDA Presidents

Our ascendancy to this office has come about, as you know, due to the untimely resignation of our predecessors. We must admit that it is a bit unsettling to realize that there is much historical background, nuances, and precedence which we lack. Having said that, there is much that we have to offer in the way of general background preparation and a dedication to serve, which, we feel, will justly compensate. We, therefore, wish to be viewed as your nominal leader, with the burden of responsibility for the effective and efficient operation of the NNJSDA resting on the shoulders of each of you who comprise the membership of each of the member clubs.

We assume the mantel of leadership at a time when new ideas, varied opinions, and creative skills will be needed in order that we may resuscitate ourselves. In order for us to be of maximum service, it will be critical that communications are always open and are continuously flowing, fully recognizing each other's rights to respectfully and amicably disagree. Admittedly, we are at a critical turning point, which should prove to be exciting and exhilarating. This may require the need to "dust-off" some of the old practices and re-examine them. We may need to reach out and attempt some bold and new innovations, and we may need to look at re-deploying some of our current resources in order to stimulate new growth, increase member(s) participation, and achieve great financial parity. All of us, each and everyone, ought to revive an old song and use it as our daily motto: "Accentuate the Positive, and Eliminate the Negative." The time may be now that we ought to take a more positive view of involving our member clubs, of cultivating "fertile

We appeal to and respectfully request each of you to re-commit and re-dedicate your services and talents toward working for the greater good that will accrue to each of who is committed to square dancing in general and, particularly, to square dancing in the Northern New Jersey area.

As your nominal leaders, we welcome the opportunity to work with each of you and trust that each and every member within the embrace of the NNJSDA will accept the challenge of working together to insure that square dancing remains alive, well, and re-newed as we dance together in Friendship and Fun well into the 21st century. Respectfully,

## LETTERS TO THE EDITORS...

This letter is in response to the letter from Frank & Nan Habersberger, published in the May-August Issue. We would like to take issue with several of the statements contained in the letter and then express an opposing viewpoint.

The Habersbergers mention the standardization started by "Pappy" Shaw in 1935. This is probably in reference to Shaw's "Cowboy Dances" published in 1939 with descriptions and illustrations of square dance figures and dances. It should be noted that the book was primarily a reference manual for traditional, visiting couple-type dances. Of the 68 square dances (for one square only) described, only 8 are not visiting-couple dances. The first real attempt at standardizing Western Square Dancing began around 1963 or 1964 with Bob Osgood's Golden Ribbon Committee. That led to the establishing of the *Sets In Order Basic Figures*. The letter mentions that this standardization was started so that square dancers could dance the same calls at any location. What the Habersbergers fail to mention is that by the mid 1970s (with no nationally defined levels), it was becoming virtually impossible to do just that: Travel to a dance and know what was going to be called. True, each figure had a definition, but which figures would be used at a dance was anybody's guess. "Club level" was loosely defined as the figures described in the *Sets In Order Handbook of Basic and Extended Basic Calls*. Unfortunately, there were hundreds of other figures out there that clubs and/or callers had used to expand their repertoire. With each club having their own "favorite" extra calls, it was sometimes an adventure to travel to another club.

This chaos can be illustrated by the way halls were labeled at the National

## LETTERS TO THE EDITORS...

In May 1999, we completed five Patron Cards in a little more than one year. These are our 3rd, 4th, 5th, 6th, and 7th cards with 22, 17, 18, 17, and 18 proper signatures respectively. Originally we thought we might complete two cards until the 65% rule came into effect when we decided to give our personal support to as many clubs as possible as Patrons. We hope this gesture might lead other dancers to become active Patrons. In addition, we feel saddened by the demise of 1/4 of the Association clubs since we graduated in 1995 and we hope this will not continue.

Another square dance milestone occurred for us on May 8th. We completed our 5th Century Book for our 500th (all different) callers. To eliminate duplicate callers, we recorded each callers' name and date in chronological sequence, then transferred these names to an alphabetical list so if a duplicate appeared, it could be compensated for by an additional name. On the latter list we recorded sequence number, caller name, caller hometown, date of the dance, name of the dance, and its location. At this point, we have danced in 26 states and Canada, with 119 different clubs on their regular nights plus numerous conventions and believe we have covered more than 65,000 miles. We may have pushed ourselves a bit, but at 70++ it's "do it while you can."

Presently only 100, 200, and 300 Century pins are available. We're working with the editors of *Northeast Square Dancer* magazine to get the Century Club people to produce a 400 and 500 pin. We think we see some progress on this subject.

Al'e'Mo Squares believes it is bucking the trend in square dancing. Our club is growing; our officers are dedicated; our callers/teachers, Don

& Dot Coy, are great. Some of our dancers may not be polished, but we all are happy dancers. We just want to dance for fun and do good work.

On April 25, we graduated ten students. Our Native American Dance on May 23 raised \$450, which we donated to three Native American schools, including Park Ridge, South Dakota. (Park Ridge was the venue for one of President Clinton's recent trips to severe poverty-stricken areas.) On June 6, we planted a tree in memory of Mike Forte, one of the nicest people any club could have. Also on June 6, we demoed at the Bay Ridge Community Council's Family Picnic at Fort Hamilton Army Base.

We collected a substantial amount of clothes which Don & Dot Coy trucked to Kentucky for the survivors of spring flooding and also to Pine Ridge. Recently Al'e'Mo donated \$250 to the Colonial Pals, a square dance club for physically challenged dancers, run by our own Arnold Walker.

One of President Vincent Nunziato's innovations is the use of bus transportation going on raids and other square dance functions. This is a real boon to our dancers. We have lots of plans for the future and God willing we will continue to support square dancing for fun and good work.

We had quite a 1998-99 square dance season with 4 to 6 squares at almost all of our dances and we graduated 8 students in June. Wilson Hoff (our best teacher and caller) did a wonderful job teaching Main-stream and Plus. Every year he turns out extraordinary graduates.

Believe it or not, the Bee Sharps have been all over the world this season. Nancy & Vic Ammons went to Paris. Irma Huhn, Joan Spagnola, and Steve & Peggy Kohler went on tour to Germany, Paris, and Venice. Jan Ross went to Antarctica. Clem & Fusaka Yeager went to Japan. Yours truly went to Arkansas for an army reunion and then on to Branson, Missouri, to see many country western shows, stars like Mel Tillis and Andy Williams, and the Spirit of the Dance with the famous Irish step dancers. We also had some dancers go to Florida. I don't know how we managed to maintain such good attendance with everyone traveling so much. Thanks to all our visitors who came and enjoyed themselves.

presidents of Circle Eights. Susan is also the author of *The Bell Ringer*, the B&B newsletter.

We wish to thank '98-'99 co-presidents Margaret Guyre and Richard Ball for the great job they did, and NNJSDA Delegates/Historians Edna & Ken Franz. They have held these positions for several years—very good job and many thanks. Edna & Ken are charter members of B&B (also famous genealogists).

Our annual meeting June 9 was well attended with the installation of new officers. Rusty Ball chaired the event. The Mystery Bus Raid was a moderate success. We could have used more participants. However, summer dances at the VFW Hall in Elmwood Park were a real joy because the hall was air-conditioned. B&B will hold its 20th Anniversary dance on October 20, 1999 with national caller Ed Foote. Central School, Maple Avenue, Glen Rock, NJ is the place. Come and help us celebrate.

dinner before our May dance. It was attended by more than 50 dancers (from our club and other clubs). Delicious home-cooked food, great desserts, and lots of good conversation. We want to thank everyone in our club for their hard work on our many committees. Our club is successful because we share the tasks necessary to run the club.

The June 11th Moonlight on the Hudson Dance, sponsored by Circle Eights, Belles & Beaux, and Tenakill Twirlers, was fantastic. We were in the Alpine Boat Basin and danced outdoors in the covered pavilion. Howard Richman and Nick Raspa were excellent. We had about 125 dancers and lots of food. Some of us came early and picnicked before the dance. It was a great evening of dancing with old and new friends.

Circle Eights will hold an Open House for our Mainstream class on Monday, September 13, 7:30 p.m., in the Westbrook Middle School, 560 Roosevelt Blvd., Paramus. Andy Woerner will be the instructor. We expect over 100 people again. We are looking forward to our 6th Annual Autumn Leaves Dance on Sunday, October 24, at 2 p.m. It is an exciting new location: the Palisades Center in West Nyack.

When summer makes that turn to fall, a part of me always wishes that time would stop. Then I remember two things that make me welcome the fall season. My kids go

back to school and all my friends at Cross Trails get back together for another season of club dances. We are once again sponsoring classes and, with the help of our ace teacher, Ron Kapnick, hope to graduate another class of dancers. Let's all do what we can to support new dancers; they are our future.

As always, the welcome mat is out at Cross Trail and we promise the dancing, the snacks, and the conversation to be first class. And remember Cross Trails may be habit forming, but at least we are Y2K compliant.

In May, our Ice Cream Social was hosted by Carol & Ray Proulx. Different flavors of ice cream along with toppings of syrups, strawberries and crushed nuts were served. A tray of homemade cookies quickly disappeared along with the ice

cream. The Beach Party was hosted by all club members. Casual dress was the style for the night as was appropriate for a beach party. Franks, salads, watermelon, and chips and dips, were served. Richmond Dancers made the long trip from Staten Island to raid us. In celebration of our Beach Party, everyone received a 4th of July dangle. It made us feel that summertime was right around the corner.

our club. This included a special plaque, a certificate of achievement, flowers, a sheet cake, and best wishes for their upcoming move to Lakehurst.

Our former long-time President, Dorothy Fels, agreed to take the job for another year. She has a good team to help her. In May, Dorothy and her sister, Marj Gould, traveled to North Carolina to visit a brother, and in June made their yearly trip to Jackson, Wyoming to visit their nephew. They sure get around. The Clampets, Dexters, and O'Connors all went to Mickey McFarland's weekend in the Poconos in June. F.A.D. means "Fun At Dancing."

We would like to welcome the entire square dance community back to our old home at Chisholm School, now known as Chisholm Community Center. In addition to a new home, we have a beautiful new

wood floor, new kitchen, and brandy-dandy new parking lot, complete with an easy-access rear entrance to the hall. We certainly hope you'll come and check out our "new/old" digs.

So, did everyone have a wonderful summer? We at Harmony started out do-si-doing down the boulevard, under a rather hot early-summer sun, at Scotch Plains' annual Memorial Day Parade. We were met all along the route by thunderous applause and heartwarming enthusiasm. The day was capped off with a lovely BBQ at our house—good dancing, good food, good friends. Doesn't get any better'n this, folks!

Then we danced our way into summer at the NNJSDA and Five Clubs Summer Dances, to be all ready for our 10th season. And speaking of our 10th season, we would certainly like to cordially invite all our square and round dance friends to join us in celebrating our 10th Anniversary with a Gala Dance on November 6th. Big John Kaltenthaler will be at the helm, and we plan on having a rocking good time. Hope to see you all there.

P.S. Harmony is sponsoring a Mainstream class this year beginning Sunday, September 26, 7 p.m. at Chisholm, so please be sure to tell all interested family and friends in the greater Springfield area. Okay!

We have secured a **new hall** for our dances: the **Church of Good Shepherd, Prospect Ave. and New Bridge Rd.** in Bergenfield. In addition to our dances, we will also have beginner and advanced round

dance classes. We have plenty of room so plan to attend, have a great time, and help to make our return to our activity a resounding success.

Our first dance of the season will be on Tuesday, September 28, with Joe Landi calling. We will continue dancing on the 2nd & 4th Tuesdays through May. Tom Denniston cues the rounds at all of our dances and we have a great line up of callers. Tom and Ellen McCabe will be teaching beginner round

Last Dance Sept. 16, 1999

VFW Hall, 6 Veterans Place

At this writing, Hix & Chix has held two of our scheduled four summer dances. Jim Synder kept nine squares busy and happy in June. Unfortunately, Joe Fioretti had to cancel his July appearance. However, "Doc" Grey from Florida filled in to call a 10-square floor. The Ken Bauer dance in August will be history when you read this.

However, we want to put in a plug for Dee Dee Dougherty, who will call our last dance on September 16. Rounds at all dances are cued by the Raspas, of course!

Before the square dance season ended in June, we welcomed new members Betty Oldenburg and Ed & Dottie Wallace to our club. We are always happy to have new dancers join our club. June 12, we successfully put on our 23rd Dinner Dance,

which was called by Chuck & Gerry Hardy. We had many talented members work very hard on decorations for the dance and crafts for the Chinese Auction. We are pleased their efforts were so well received. Club members Art & Shirley Richards opened up their home and pool for a picnic in July. The combination of good friends and good food was a real winner.

July and August saw many of our members volunteering to help the Hunterdon County Park System with the Music Under the Stars Program. The music was great and we had the opportunity to do a good deed. The Holcumbe Jimison Farmstead Museum invited our club to demo at their Farm Festival. Our dancers are always grateful for the opportunity to bring the joys of square dancing to more people. We are also happy to welcome visiting dancers to our wonderful wooden floor dance hall.

Paul passed away after a long illness and Bud's death was rather sudden. Bud was a long-time member of the Reelers. They will both be missed.

This year, as usual, we had quite a variety of callers. Our raid program was very successful and we were able to make our raid quota. We also have been raided, in turn, by many clubs and we want to thank all of you who came. It is this attendance that helps keep our club active and vibrant.

Thanks are also due to our various officers who worked so hard this year and to those of you who volunteered to take an office next year. It takes many people to keep our club "Reeling." See you in the fall if not at one of our raids this summer. Have a happy!

We ended another successful year with our delicious pot-luck supper. Bob Mitchell called and we always have a great time when Bob is our caller. Thanks to Deanne Emory for filling in for Karen Kushla and cueing. We were pleased to see so many of our students at the dance. Keep coming. It gets easier if you

keep dancing. Recently, some Ironia Reelers joined the dancers from Lakeland Squares and put on a demo for the Adult Day Care Center at Morris Hills Nursing Facility with Pal Johnson calling. We were well received by the people and were happy when they got up to dance with us. They have already asked us to come back again, and it will be a pleasure.

Unfortunately, we lost two of our members, Paul Regan and Bud Lawson.

Looking back over the past year the Rangers were busy, busy, busy. We kept hearing bells—wedding bells that is. Molly Chaplin and Nick Golio were married, and Tammy Place and Dave Anderson tied the knot in June. We wish both

couples much happiness in their lives together.

We had a lot of fun going "Around the World" at our annual spring dinner dance, and thank all who came and joined us on the "trip." In May, we were delighted to welcome new graduates: Jay Zappa, Nick Golio, and Pat & Rich Gleason. It's great to see their enthusiasm. Thanks, Donna and Mike, for taking such good care of the class this year. We tried something different this summer in having three class dances in June, July, and August.

At our last dance of the year, our annual pot-luck dinner, we had the sad

task of saying goodbye to our long-time members and friends, Leslie & John Schwenker, who are heading down to their new home in South Carolina. We certainly thank them for all their hard work and dedication to the Rangers over the years. We will really miss them, but they've promised to come back and visit so we look forward to that. On July 11, the Rangers were busy splashing and having a great time at our annual picnic and swim party at Sally Mason's, who graciously opened her home again to us.

We eagerly look forward to the fall and a new season of fun and dancing. We are happy to welcome Jay & Barbara Ten Eick as our new Presidents. On September 21, the Rangers are having an Open House at Halsted School for prospective new students. Len Anfinson will again be the instructor.

## LETTERS TO THE EDITORS...

What most of us love about square dancing is that we are having fun and we are exercising at the same time. Our calendars are filled with events to attend. We are always sure to meet old friends and make new ones.

I urge you to put up the flyers for your new classes in the local libraries, food stores, bookstores, and anywhere else they will let you. Send press releases to your local papers. Every new dancer is a potential new friend and can help your club thrive and grow. If you dance only Plus or higher, come back to a Mainstream dance and support our new dancers, our recruitment efforts, and show up at our open houses. Someone was there for you when you began to dance. Can you be there for someone?

D & R SQUARES ARE HAVING A BENEFIT DANCE!

THE DATE IS FEBRUARY 12, 2000.

TIMES AND LOCATION WILL FOLLOW

THIS YEAR WE HAVE CHOSEN TO BENEFIT THE HENDERSON STARS AND MERCER ARCHANGELS AGAIN. FOR THOSE WHO DON'T KNOW, THESE ARE HANDICAPABLE SQUARE DANCERS INSTRUCTED BY MICHELLE MCCARTY THROUGH THE ARC ORGANIZATION.

### THE NEW JERSEY CONVENTION PARTY!!!

That's what it is—a GOOD TIME for all dancers, with exhibits, shopping, and eating together as no one can dance for 12 hours straight, though some try. When: Saturday, October 9, from 10 a.m. to 10 p.m. Where: South Brunswick High School, Ridge Road. Directions are included in ad. Cut the directions out and attach it to your NJ map. Though your map may not show South Brunswick, the directions will get you there with no hassle.

A new twist: The High School Parents Organization is holding a Barn Dance in the evening, open to the public, in a separate room at the school. Here's our chance to show non-dancers the fun we have and how friendly we are. So stop by for a tip or so with these local folks and spread the word. You'll have as much fun as they do.

Pay at the door? Yes, you can. New graduates are especially encouraged to attend.

To volunteer for the 12th NJSRDC, contact Jim & Deanne Emory at 516-876-8704. For registration information, contact Terry & Frank Kaiss, 215-843-9968. Convention web address: <http://www.rbnsn.com/sdcnj/njsrdc.html>

Pack away those tents, trailers, and luggage for a while—think fall and advanced dancing. Reporting from the NSDC in Indianapolis: Regulars at Mt. Squares Mary & Sal Alessi, former NNJSDA Presidents, revealed that out of 10,015 dancers only 62 were from NJ. The city was beautiful and the natives spoke with a "Southern" accent. The Race Track

and Scottish Rite Cathedral were special attractions. NJites included Betsy & Roy Gotta, and Ruth Edison & Ron Kapnick.

From Iris & Ed Zimany, we've learned that on their vacation to Sun City West, AZ they visited former Presidents of Mt. Squares, Betty & Paul Stone, who are looking very well and happy. Side trips took them to Walnut Creek Canyon and the south rim of the Grand Canyon. They attended a square

dances and met other former Presidents of Mt. Squares, Ann & Ron Read. Greetings were sent to all of us folks back east who remember them. As Ed & Iris send the *Grand Square* to the Stones, we'll respond with a big "Hello" from all of us. We miss them.

Mary Jane & Greg Roome traveled to the Land of the Midnight Sun with Lloyd & Ruth Larsens, who now live Spring Hill, FL. Elsie & Bill Beebe should soon be back from an extended vacation by trailer to Nova Scotia. Pat & Walt Sickles will hit the vagabond trail in their motor home using a special P.O. address set up for such travelers to keep in touch. Joan & George Shults have opted for a home in Florida. There must be some good dancing there, but for the inveterate winter residents of NJ, we'll begin September 15 doing A-2 with a change to A-1 for the three months after the holidays. Come on over—we'll turn the heat on for you.

The highlight of our spring '99 season was our Nickelodeon Dance on June 13. Gals in poodle skirts and guys in muscle shirts danced to Nick Martellacci's rendition of 50s tunes.

Fifties memories were shared by all, and Arlene Stams even wore her own authentic Sweet Sixteen sugar cube corsage. We were happy to have many new Mainstream graduates at the dance.

Rockland Promenaders welcomes our own MS graduates: Loretta Babcock, Jasmin Carrion, Neddie Hernandez, Mal & Lynn Michel, and Doug Scouten. Thanks go to Patsy Lisak, class coordinator, and all the angels who helped make the '99 class a success.

Summer is such a wonderful time to catch up on the great outdoor sports: biking, tennis, golf, and just walking. Even those hot, humid days were welcome (if you had air-conditioning). The Becks and Blottners had a wonderful vacation in Italy and the Samaljians and Blottners went on a C-2 weekend.

Eileen & Larry Landon (past

Presidents) send their best to all. There was an excellent turnout for Glenn Matthew in May. June brought Tim Crawford and his one-man show. His funny quips and fast talking kept the dancers moving and laughing. July brought Joe Fioretti up from Florida with his smooth calling. Joe stated that he will no longer be coming up to call during the summer because of his family's business. Our thanks to Karen Kushla for cueing as Nick & Carole Raspa enjoyed a much-needed vacation in Spain.

As usual, our refreshment committee is doing an excellent job keeping the dancers well fed. Recently, Fanny Meyers reminded me that square dancing is an "interactive activity"—eye contact, smiling faces, and a warm, firm grip as you dance around the square.

The fall is the perfect time to get back to basics—dancing that is. Please help out as angels; we all need to be touched by an Angel. We look forward to seeing you on the dance floor with great callers and our excellent cuer, Nick Raspa. We are 10 minutes from GSP Exit 172 or the Tappen Zee Bridge.

We've had quite a busy summer with a very successful garage sale at the hall where we hold our dances in North Brunswick, and we then participated in the Five Clubs dances. Some of us even went traveling to the NSDC in Indianapolis.

Thanks to everyone who supported our 45th Anniversary Dance in June. What a great day it was! I THINK by now the "old-timers" of

the club have recovered from those two "aerobic tests" -er, dances of the afternoon! (Sorry, you'll have to ask about that one...) This summer we tried something a little different—we held dances in July and August for the first time. Thanks to those of you who came out and supported this effort.

As a result of our "experiment in scheduling" last season, we plan to stick to Sunday afternoons this season, so look for our flyers. We hope to see you.

Our May 31st march in the Wayne Memorial Day Parade and our picnic at our President's home that day had us all enjoying great food and great fellowship. Some of our dancers who have not been able to attend dances due to poor health

were able to attend the picnic and it was great seeing all of them again. We are hopeful that everyone will be able to join us again at our dances this season.

This summer we danced at the air-conditioned VFW Hall in Elmwood Park where we had a wonderful time and now we are set for another great year of dancing at the Wayne Civic Center. As usual, we will continue with our regular format: 1.) a structured Plus workshop from 8-8:30 p.m. where each week a new call is introduced and the previous week's call is reviewed;

## AULD LANG SYNE

### THE FIVE CLUBS

Should auld acquaintance be forgot,  
 And never brought to mind?  
 Should auld acquaintance be forgot,  
 And days of auld lang syne?

CHORUS:

For auld lang syne, my dear,  
 For auld lang syne,  
 We'll tak' a cup o' kindness yet,  
 For auld lang syne!

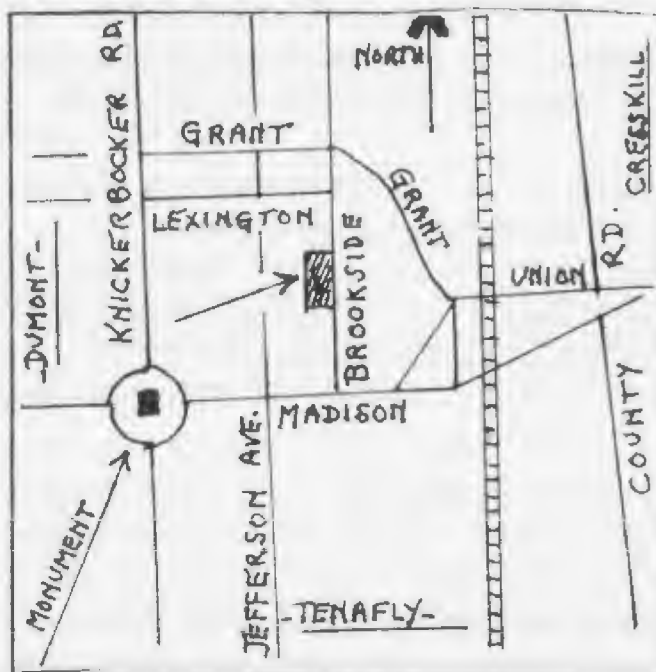

This great song is sung everywhere in the English speaking world. The melody is ancient, from Scotland. Robert Burns, who heard an old man sing it in a tavern in the 1700's, is usually credited with writing the lyrics.

Our treasurers of the past three year, Dot & Bill Stevens, have returned from a much-deserved cruise to Alaska.

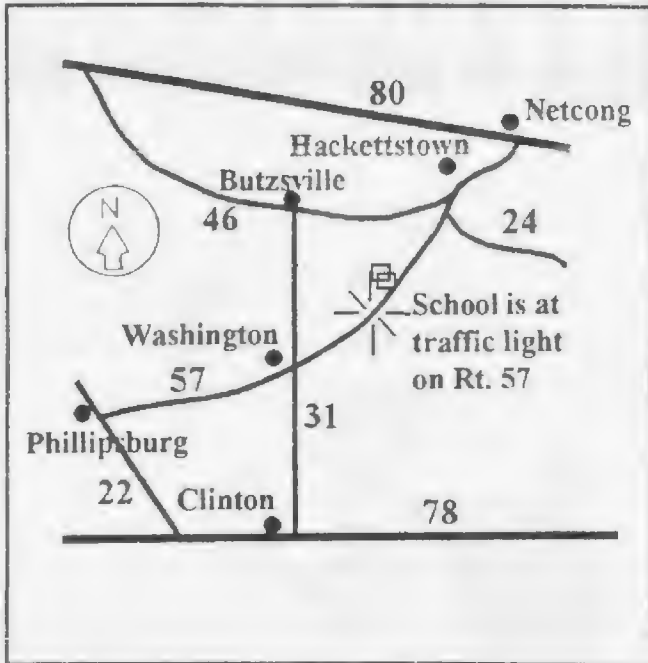

Our pot-luck supper was a big success with a pleasing variety of scrumptious dishes.

We'll be adding some contra dances to our coming square dance season. As I'm writing this, we're looking forward to our annual mid-summer dance at St. Marks and our picnic at Doc & Esther Wassers.

Hi everyone. Hope you had a great summer and survived this heat. It certainly has been hot! Our summer dances have been cool, thanks to the air-conditioned hall at Roselle Park.

Y Squares is looking forward to our Open House and the start of new classes. Our graduates have been dancing up a storm—oops, I've got weather on the brain (which is melting in this heat). But seriously, we hope all the new dancers will join us at Y Squares. It's a great place to fine tune your dancing skills.

Etiquette: "The forms required by good breeding or prescribed by authority to be observed in social or official life."

Etiquette at the dance: "The accepted behavior required to provoke smiles instead of scowls from one's dance associates."

Evening approaches. Sometime during the day, one or the other of us will be asking, "Shall we go to the dance tonight?" All too often the answer is, "Nahh."

What provokes such an answer, when we all know that all square dancers would rather square dance than do anything else? Sometimes it's just being at the wrong end of a long day and we're too tired. Sometimes it's a caller we've just danced to and would rather not again. Sometimes it's a club where we do not feel welcome. Sometimes it's snobbishness that we're A-2 dancers and the dance is Mainstream. Or we're "good" dancers, and the dancers at this dance are not so "good."

Let's take a look at some of the reasoning above and see if we can talk each other into going to more, not fewer, dances this summer and fall.

Too tired/too long a day: Certainly health consideration should take precedence, and dancing, or any other physical activity performed when exhausted is not good. But it should be remembered that laughter, social contact, and some exercise, are all strongly recommended for getting a good night's sleep. In other words, when you're feeling tired and out of sorts, an evening of light exercise, good friends, and a good time can actually make you feel better and sleep better than being a slug sitting at home.

Consider the poor caller. While we may enjoy dancing to some more than others, I'll tell you a little secret about "good" dances versus "not so good" dances. Callers can have an effect on the dance, but it is you, the dancers, who set the tone for each dance. At some clubs, the dancers ignore the caller and caller's partner, gather in the back of the hall, talk with each other in cliques, ignore strangers and square up reluctantly. At others, the caller is greeted, someone makes sure his or her partner is offered a chance to dance (not required—offered), dancers coming in are met at the door and made welcome, and dancers not only square up right away, but they banter with the caller, offer refreshments, etc. Which dance do you think will be upbeat? I can tell you, with the best of intentions, any caller faced with a dour, sour crowd of dancers will not present as "good" a dance as when made to feel welcome and part of the party.

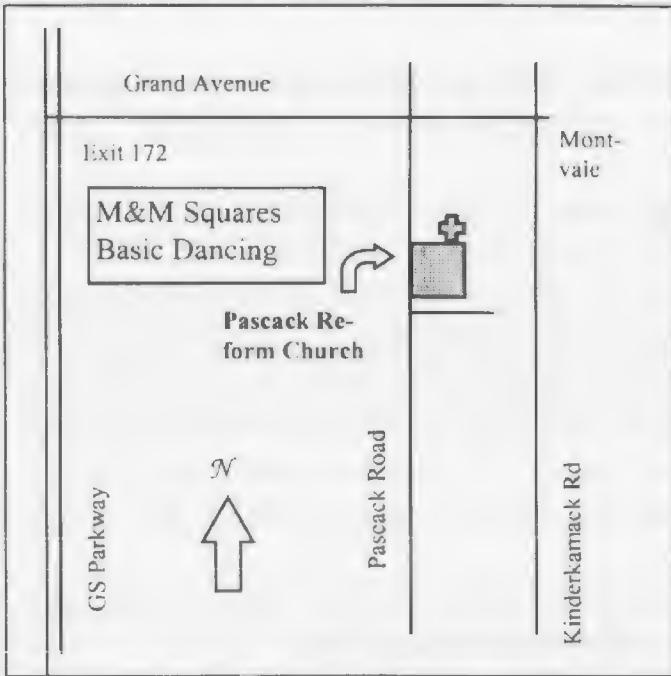

"Higher level" dancers who do not want to dance at "lower levels" are like people who eat only dessert. They know it's not healthy to avoid the basic food groups, but they gorge on sugar and cream. The activity, and their dancing abilities, suffer. As we have seen over and over again, some of the difficult calls for all dancers, including those who dance Plus, Advanced, and Challenge, continue to be the Mainstream calls. Dancers who regularly avoid Mainstream dances are also withholding their considerable dance talents to make the Mainstream experience enjoyable for everyone.

"Good dancer/bad dancer." Sometimes clubs acquire a reputation for being a "good" dancing club or a "bad" dancing club. Incidentally, most clubs go through this, even the ones which announce themselves as "high level." Well, if you consider yourself a "good" dancer, and you go anyway, you raise the level of the floor; you contribute to the dance experience for other dancers; you make the club just a little better each time you go. In other words, you are really being a

Conventions. In 1967, there were Programmed Squares and Programmed Relaxed Squares. In 1970, there were Programmed Squares, Challenge, and Hot Hash. In 1975, there were Programmed Squares, Advanced, Hot Hash, and Challenge. (Notice that Hot Hash has gone from being harder than Challenge to being easier.) In 1976, there were plateaus A, B, C, and D. Throughout all of this confusion, Callerlab was formed to try and standardize the activity and create a structure for its continued growth and expansion. The "lists" did not create the levels, they simply defined the ones that were already there and provided for future changes. Being a folk activity, square dancing will continually evolve and change. The system of lists was designed to try and accommodate this evolution.

The Habersbergers' letter mentioned a "new generation of callers" that, in 1990, advocated a new program called "Square Dance." To call the American Callers Association a new generation of callers is incorrect. The ACA was formed by two callers, each with over 30 years' calling experience, who quit Callerlab because they were not getting their way. The new "Square Dance" program that they were proposing would have taken at least 30 weeks to teach. A careful examination of their program reveals that they eliminated very few of the figures that currently exist on the Mainstream and Plus lists. They simply grouped them into "families" so it looked like a shorter list.

Between us, we have attended 63 National Conventions, and been on enough panels that we can't remember all of them. We have also served on and moderated panels at Callerlab, Roundalab, and Legacy. The questions about shortening the lists, combining the lists, and reducing the teaching period have been discussed at all of these. Every time serious research has been done, proposals presented, and votes taken, the results have been the same. **There is nothing wrong with our activity!** We have a product that is enjoyable and 100% politically correct. There is no downside to our product. The problem is not with what we dance. Everyone at a dance, regardless of the level, is there enjoying themselves. The biggest problems facing square dancing are recruitment and retention. They are problems because of bad marketing and bad attitudes. Each one of these could be discussed at considerable length, but we will address each of them briefly here.

**Marketing:** As long as we have this "hee-haw" image of a bunch of hicks in outlandish costumes having a s--- kicking good time, we will never grow. Callerlab is in the process of raising tens of thousands of dollars for the expressed sole purpose of hiring a top-notch professional market research firm to figure out how to get our message to the public.

We, in the meantime, need to realize that recruitment isn't a six-week hard sell just before classes begin. It is a year-round soft sell, taking every opportunity to explain our aerobic, mentally challenging, social activity. Our demos and beginner dances must have music that is tailored to that specific audience, both dancers and spectators. We need to have people asking us when they might try this, not us begging them to "take square dance lessons." The length of lessons has nothing to do with whether people will join. Whether it takes 10 weeks or 30 weeks, if people are enjoying themselves, with friends, in a party/dance atmosphere, they will continue.

The decline in numbers is not due to deterioration of our activity. It is due to a failure to keep up with the changing times. Remember, during our rise in numbers, we didn't have to compete with the Internet, fitness clubs on every

The informal dance held on the last Wednesday of June was well attended and voted a resounding success by all who were there.

The early Wednesday class had fun learning *Cha* and *Answer Me* and they are looking forward to the next "teach." Unfortunately, we are missing Charlie & Pat Fitzpatrick from this class as Charlie had surgery recently. All of us wish him a good recovery. The dancers at the late Wednesday class enjoyed learning the international fox-trot, *Orient Expresss*, and then got themselves into the strangest contortions as they mastered "the snake" in *Dance Magazine*. As the terminology, dance steps, and the rythm of the meringue were new, the class members were pleased when they mastered the dance. The class that meets early on Thursdays worked on *Woodchopper's Ball* and are beginning to learn the bolero. They are hoping that vacation time does not interrupt too many lessons. The basics class meets late on Thursdays and they are making good progress with both the two-step and the waltz. They are now beginning to learn jive.

By the time you read this, summer will be over and we hope that you will join us on the dance floor. Same location as Lakeland Squares; see map on page 35.

corner, and Blockbuster Video. Many of the baby boomers that we lost dropped out because they had kids. What provisions have been made for families at square dances to maybe get some of them back? How many adults will take an adult education class a couple times a week? Has anyone considered teaching square dancing two nights a week and thus getting an entire set of lessons completed in 12 weeks? This is where our efforts should be directed. Our folk activity has evolved to its present state because this is what the dancers have chosen to do. Now we need to concentrate on convincing the rest of the world that our product is worth buying into.

**Attitudes:** The Habersbergers talk about twice as many Plus clubs as Mainstream clubs in their area. They then comment that if we had this new program, then 72% of their clubs could accept new graduates. In other words, the Plus clubs can't accept new graduates. Why? Is dancing Mainstream too demanding for Plus dancers? Do the Plus clubs even offer lessons? Do they offer lessons and then not teach all the way to Plus, or not provide the new dancers a place to dance? We have a Mainstream club which just celebrated its 45th anniversary. The club presidents are C-4 dancers. The other officers are Advanced dancers. The entire membership includes only one "Mainstream" couple; the rest dance Plus or "higher." The club absolutely refuses to become a Plus club because they believe there must be places for Mainstream dancers, and they still enjoy the sociability of the Mainstream club.

Many years ago, there was a Plus 1 and a Plus 2 program (Callerlab encourages the use of the word "program" instead of level). In an effort to encourage more Mainstream clubs, the Plus 1 program was combined with the Plus 2 program to make it more a jump from Mainstream to the next program. The American mentality always equates more with better. Who is to say that with the proposed new programs, the new Advanced program would not gradually become the equivalent of today's Plus program?

In closing, let's put this talk about changing the programs behind us. It has been debated for over five years. The ACA tried to build an organization around it, and their numbers have dwindled dramatically. Callerlab spent two years developing a proposal based on the concept of changing the entry-level program, and it was defeated by a vote of the general membership. Time after time it has been decided that there is nothing wrong with our product. Let's stop trying to change the product, and start trying to sell the product.
