Concerned about the future of square dancing in the NNJSDA area?
Help us reach out to the non-dancing world with ABC Square Dance.

From the computer of... **Rusty & Richard Ball, NNJSDA Presidents**

The time has come around again for the annual President's message welcoming our new graduates into our dances and our clubs. We'd like to take this opportunity to share two things we learned from two good caller/teachers.

The first one is a "non-call" from our "old" caller/teacher, Dick Mazziotti: "mingle." This may not be a recognized call, but it is very popular among newer dancers. When a call is missed, everyone just wanders around "mingling" with the rest of the folks in the square. It seems like the more new dancers there are in a square, the longer they "do the mingle."

Then, there is the helpful hint that is always stressed by caller/teacher Fran Wadel: getting into lines when a square breaks down. From normal lines, a "standing square" is better prepared to get back in the action. During a tip, a caller will call "normal lines" to help squares that have broken down get moving again. One way to keep squares from "doing the mingle" and help new dancers learn how to quickly form normal lines is to dance with them. And experienced dancers have to go to summer dances to do that.

Some good news is that there are a lot of new dancers this year. To keep them dancing and to help your club be strong, we recommend that at least 50% of your seasoned dancers and all of your new dancers come to The Gathering in September. Why? Because the new dancers will learn some exciting things about square dancing outside the world of classes and club activities. The enthusiasm of new dancers is catching. And seasoned dancers could really use that extra boost from hearing what other successful clubs, dancers, and callers have done to make belonging to a club fun again.

This being the 50th anniversary of the NNJSDA, it is the 49th for our beloved *Grand Square*. We have had only four editorial teams since 1965! When you see the Kanters and the Thompsons at the Association's 50th anniversary party on May 31, remember to give them a hug for their hard work over the last eight years on this wonderful pocket guide to dancing. Besides editing the best square dance magazine in the country (we're only a bit proud of it!), this year they have gone from scissors, tweezers, and hot wax to the digital age! An absolutely marvelous job!

Welcome, new square dancers! See you all in a square! And remember: Dance, dance, dance; have fun, fun, fun!

AleMo Squares had a grand New Year's Eve party with lots of food, music, and dancing. We had a ball. On January 9, we started our raid season by visiting Cross Trail Squares. They were excellent hosts.

February was filled with all sorts of fun. On February 2, we attended a major barn dance at our host church, Our Lady of Grace. Also, on the same date, another group of AleMos attended a Chuck Wagon dinner-dance hosted by caller Lee Kopman and his wife, Lilith. Lee was great, and Lilith did an excellent job leading the line dancing. Later in the month, on February 24, we held a very successful Chinese Auction/Dance. We look forward to a continued good season.

As *Grand Square* goes to press, we are all praying for our past president, Vincent Nunziato, for a rapid recovery from heart complications. We need you, Vince. You are the reason our raid program and classes have been so successful this season.

We have both a Mainstream and a Plus class running Monday evenings. In January, Jean and Bob Tekin, Donna and Ralph Serio, Joan and Bill Sevchuk, and Karen Van Ravenswaay graduated from Basic; they will be finishing Mainstream in June. Diane Coffman, Sharon Duncan, Sylvia and Bryan Fountain, Charyl Greenberg, Curtis Kraut, Barbara and John Marlowe, Alexis and Frank Sica, and Francesca and Wes Thielke graduated from Mainstream and are now learning the Plus program. Some of these dancers are attending club Mainstream dances.

We are partnering with the Flutterwheels for a special summer dance on Sunday, July 13 for new graduates, angels, and anyone else who would like to attend. There will be a pot luck lunch at 1:00 pm, followed by dancing until 5:00 pm at the Bound Brook United Methodist Church. The callers will be our teachers. There will be a number of terrific dancing opportunities this summer, especially for new dancers. In addition to the dances sponsored by the CCNJ and the NNJSDA, the Five Clubs will be hosting dances which alternate Mainstream and Plus.

[This is part of a series of articles highlighting people active in the NNJSDA.]

Joyce and Jim Kelly

From high school through an active retirement, Jim and Joyce Kelly have shared their lives, love, and laughter. They were introduced at a party as teenagers when Jim lived in Guttenberg and Joyce in nearby Cliffside Park, marrying two years later.

While raising three children (James, Michael, and Karen) in Lyndhurst, Jim was a manager at Economics Laboratories and Joyce worked at ITT Corporation. After moving to Bridgewater, Jim was a production manager at Magruder Color and Joyce was a secretary for the president of Ortho Pharmaceuticals. She later became a travel manager at AT&T, a job that took her to a number of other states and countries.

Joyce & Jim Kelly

Jim and Joyce were deeply involved with the children's activities, including their daughter's ice skating competitions and their sons' sports ("lots of fun and tears," said Joyce). When the children got older, the Kellys saw a square dance demo at a fair in Watchung and took lessons at Somerset Hills Squares in 1981. "Little did we realize that square dancing would change our lives," they noted.

Through dancing, Jim and Joyce met new friends. They visit many other clubs and have attended 24 national conventions to date, beginning with the Kentucky convention that drew 30,000 dancers. They've also danced in England, Hawaii, Canada, and Bermuda. "Our most memorable experience (although there were many) was in England," said Joyce. During the *tea* break, the English dancers learned that their visitors had taken the "underground" to the dance and insisted on driving them back to the hotel. On another occasion, they called a club in Washington, DC to confirm the dance location, and discovered the entire group was going to raid another club. The dancers invited the Kellys to join them for dinner and the raid. "We had a wonderful time with dancers we didn't know. This happens over and over again."

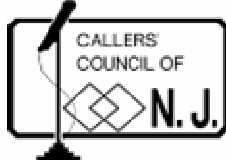

Jim and Joyce have tried to share that same good will in their own square dance work, which is considerable. They've been presidents, vice presidents, raid chairs, and class coordinators for Somerset Hills, Valley Squares, and Reelers. In the mid-1980s, they were vice presidents and presidents of the NNJSDA, initiating the honorary life member award and raids by the NNJSDA Board to member clubs. They have chaired four Mini-Festivals and have booked the hall for over 15 years.

The Kellys credit John and Mary Aquino with being their mentors. Still very active in the square dance world, Joyce and Jim also enjoy spending time with their children and seven grandchildren. "Having a wonderful family and great friends are the best things that have happened to us," said the Kellys. "See you in a square!"

Have any Saltwater Taffy to Share?

Do you bring boxes of saltwater taffy back from the shore, but the sweets never get eaten? We'd like to put the Jersey treats on the NNJSDA exhibit table at the National Convention in Kansas for passersby to sample. If you can contribute taffy (from 2008 only, please), kindly give it to Lise Greene, NNJSDA 3rd Vice President for Publicity, no later than at the May 31 anniversary dance. Thank you!

The CCNJ hosted its annual class dance on February 24, 2008. We were very happy to have nine (count them, nine!) squares dancing for most of the afternoon. This tells me a couple of things. First, the hard work of many square dancers brought students to the clubs and then got the same students to venture out of the safe zone of their class to dance to

callers other than their teacher. Second, there is great support from angels who came to the dance and danced with the students. This combination made for a lively, fun dance. Thanks to Ron Kapnick, CCNJ Vice President, who organized the dance, but did not call; to Ruth Edison, who provided lots of refreshments and hard work in the kitchen; to the callers, Gardner Patton, John Kaltenthaler, Fran Wadel, and Pat Push, who shared the calling duties with me; to the partners of the callers, Diana Patton, Freddie Kaltenthaler, Peg Millar, and Roy Gotta, who helped with filling in squares and with refreshments. Thanks to Sal and Mary Alessi, who handled the treasurer's table and filled in where needed.

Our callers' class has started the second series of sessions, and the participants are making great progress. Some of the experienced callers are sharing a tip with these new callers to help them get experience.

Overall, I am getting a feeling of hope that our beloved activity will continue in some way in Northern New Jersey. See you in a square!

Betsy Gotta, CCNJ President

Summer Dances are the best place to fine tune your dance skills,
meet other dancers, and have a *GREAT TIME!*

Wear your club name badge. It's an easy way to make friends.

Square up with experienced dancers. They're happy to lend a hand.

Square up close to the callers so they can more easily help you.

Listen carefully to the callers. Ask them for help between tips.

Take the adjacent hands at the end of every call to help reduce goofs.

When you do break down, and we all do, square up, heads slide to the right,
form normal lines, and listen for the next call you can do from lines.

Dance to different callers. Variety is the spice of life and dancing.

Go out for ice cream and laugh about what a good time you had.

Elvis was in the building... and so were Tennessee Ernie Ford, Patsy Kline, Lesley Gore, Jimmy Buffet, and a host of other artists. They were all present in spirit at Belles & Beaux' February 20 dance courtesy of Wayne Applegate's karaoke machine and several club members and guests who stepped up to the mike. Dave Stewart was particularly impressive (a little scary even) as he channeled The King on "I Can't Help Falling in Love with You." Ray Keywork delivered a passionate version of "Sixteen Tons," and Deb and Isabel Kool teamed up on "Crazy." Karen Berrie served up a helping of teenage angst on "It's My Party," while yours truly brought chants of "Salt! Salt!" from the Parrotheads in the group with his rendition of "Margaritaville." All in all it was a fun night, and we had five squares to share it.

There was more fun in April when Linda Millian presented another one of her theatrical productions, "The Cat Who Had a Sweet Tooth," at our annual Murder Mystery Dance. Linda's cast also included Richard Ball, Margaret Guyre-Kenter, Brenda Sherman, Doris Wilson, Ed Tripp, and the Berries.

May will bring another enjoyable Mystery Bus Raid coordinated by Richard and Rusty Ball, as well as our graduation dance to welcome Fran Wadel's latest crop of new dancers.

We're back in the air-conditioned comfort of the Elmwood Park VFW for the summer, so take a break from the heat and dance with us.

Northern New Jersey Round Dance Leaders Council

Welcome to the world of round dancing! The NNJRDL is composed of cuers from New Jersey, New York, and Pennsylvania. "Thank you!" to our officers for jobs well done.

Our Spring Festival of Rounds, held March 9 at the Mt. Horeb United Methodist Church in Warren, NJ, featured an "all-request" program, which was very successful and enjoyed by all.

If you enjoy round dancing, the summer offers many opportunities to dance, from the many local clubs to the National Square and Round Dance Convention (in Wichita, Kansas this June). Check out this issue of the *Grand Square* for more information. Hope to see you (in) around!

CIRCLE EIGHTS – Haworth

MS - PL tip

www.sqrdance.org/Circle8

4 Fri. Sept-June 1

Cong. United Church of Christ, 276 Haworth Ave.

The winter of 2008 was a busy one for Circle Eights. The new year brought four raids. On January 23, we raided Cross Trail Squares with 24 members. Not only did we bring three squares, but also three award-winning chefs for their bake-off. Richard Carpenter delighted the dancers with his homemade bread, Bob Bachmann appealed to all with his ambrosia, and Walt Churchill pleased the palates with his apple cake. All of the chefs received wooden spoons and the gratitude of the crowd for their efforts. We warmed up a cold winter's night dancing to Betsy Gotta. Our February raid was to Y Squares in Clark, NJ. Ten of our members enjoyed themselves dancing under the direction of Dan Koft. Our farthest raid took us 60 miles to dance with the Kittatinny Rangers to Charlie Kittner. Thirteen of our members joined in their "Pie Night" of pizza and dessert pies. In the month of April, Circle Eights raided RocklandRockytops.

Back on the home front, nine squares participated in our successful club dance in January. With its Super Bowl theme, many of the dancers donned football jerseys to dance to the calls of Dan Koft. Unfortunately, our Presidents' Dance was snowed out, but we came back with "Irish eyes smiling" and welcomed students to our March club dance with Don Coy calling.

Speaking of students, congratulations to our five new Mainstream graduates who were feted at a dinner and ceremony at their final session in April. In addition, congratulations go to six of our members who completed their Plus lessons with Andy Woerner, our club teacher. We are looking forward to seeing them practice their Plus moves at future dances.

The months ahead are promising to be filled with fun. Our May club dance with Mickey McFarland and our club Pot Luck Dinner will put us in a springtime mood. Our June Hawaiian Ice Cream Social with Howard Richman is a "cool" way to start the summertime. We might even squeeze in another raid!

Happy summer to all!

In Memoriam

Wilson Hoff, Caller

We are deeply saddened to inform you that Wilson Hoff passed away. During more than 50 years of calling, he was also a teacher who touched many of our lives.

Wilson was born in 1919 and raised on a farm in Woodsville, NJ. He married Sarah (who went by Sally) and they had a son, Walter. Wilson was a farm manager in various locations and was active in the Grange, a farmers' organization. In 1948, the Hoff's began traditional-type square dancing at their local grange.

In 1952, the same year Wilson switched careers by taking a position with Johns-Manville as a machine operator, he offered square dance lessons to 20 children ages 9 to 16 and started a 15-year stint of calling for adult traditional square dances at different granges. The music was provided by a live five-man band in which Wilson played bass. Though he developed a lung condition due to the asbestos in his work area, Wilson found that square dance calling actually helped his lungs.

In 1963, the Hoff's took modern western square dance lessons in Harding Township. Four years later, Wilson took calling lessons in the new style. He became a member of CALLERLAB and started teaching for Warren Wheelers and Reelers in 1968, later adding Bee Sharps and Hunterdon Flutterwheels, a club that Wilson founded. The Hoff's danced through A1 and also learned round dancing, but he taught only Mainstream and Plus. Sally died in 1989.

At a Lakeland Squares dance in 1993, Wilson met a widow who was also named Sally. They married in 1994. Despite Wilson's health problems, including bouts of pneumonia and two heart surgeries, the Hoff's stayed active. He led the Flemington Golden Squares senior citizen club until two years ago, and continued calling for seniors in Glen Gardner until December 2007. In addition to dancing, they bowled at least twice a week with the Spicy Seniors in Frenchtown. They also enjoyed pinochle and hand-and-foot. "I kept track," said Sally. "We played 2,004 games during our marriage. The night before Wilson went into the hospital for the last time, we tied."

Wilson Hoff

Gardner Patton, a square dance teaching colleague, noted that Wilson was passionate about dancing. "He converted his garage into a square dance hall *with heat and air conditioning* and parked his car outside." Also, said Gardner, Wilson "would call a dance even when he was in so much pain that he could hardly climb the stairs to the stage. He loved square dancing and the dancers, and they loved him."

Peggy and Steve Koehler of Bee Sharps said that many of their happiest times have been made possible because of Wilson's love for people and square dancing. Ken and Kathleen Heaphy, Bee Sharps presidents, also felt lucky to be among Wilson's students. "He had a great sense of humor, was kind and patient," said Ken. He added: "It is quite fair to say that he changed the lives of hundreds of people. Instead of sitting home watching TV, we are now dancing and enjoying exercise, good music, and fellowship. Wilson truly left this world a better place. Thank you, Wilson." As two of Wilson's students, Mark and I say "Amen." *Lise Greene*

Even though a number of our club members head south for the winter, our dances have been well attended with as many as eight squares on the floor. Thanks for visiting us; we love seeing you! Old Man Winter was kind to us this year with only one dance canceled due to the weather. In 2008, Cross Trail Squares is celebrating its 40th anniversary as a club. At the time of writing this article, we are excitedly looking forward to a special dance in April with Tim Marriner calling.

We had our first, but certainly not our last, Men's "Bake-Off" contest in January called "Men in Aprons." There were over two dozen entries from our club as well as other clubs. The judges not only evaluated the entries but had to keep shooing away dancers looking to sample the goodies before the judging was completed! Once the judges finished their work, the tables were surrounded by hungry dancers trying to get their hands on cakes, pastries, and other goodies. All entrants received a prize which included wooden cooking spoons, pot holders, and a special apron. Check our website for pictures from the event.

We have already completed our 2007/2008 raid schedule with the final raid to Hunterdon Flutterwheels in early February. A fun evening was had by an enthusiastic group which included many newer dancers. If you've never danced at Flutterwheels, you need to check out their location. It's like dancing in a mountain lodge, complete with a fireplace!

We currently have seven students including several teens taking lessons on Tuesday nights. We are looking forward to their graduation by the end of the school year.

Chris. O'Connor: 201-797-6145

As our name "Fun at Dancing" indicates, we do have fun at our club. Thanks to all our members, all the other dancers who visit us faithfully, and all the clubs who have raided us. Our attendance has grown, and we almost always have four squares. The great callers we have make Mainstream interesting and "fun."

On Valentine's Day, everyone got a special heart to wear.

We want to make special mention of our new members: Carol Freemyer, Jim VanRensailer, Pauline DuBois, Rhoda Lieberman, and Alice DeLancey.

Of course, we have to thank our president, Chris. O'Connor, otherwise known as the "Pillsbury Doughboy" since Halloween, for all the great tasting homemade goodies he makes for every dance.

It is with a sad heart that I report Marj Gould, of F.A.D. and Belles & Beaux, passed away on March 16 after a long illness. Marj was a kind person, a great angel, and a joy to know. She and her husband, Warren, are past presidents of our club.

If you want good food, great callers, and FUN, please join us anytime.

Leo & Corinne Eckmann: 973-379-3901 Zip Code **07081**

I believe the 15th Anniversary Harmony Dancers, Inc. Club Booklet summed things up quite well:

“In 1988, Hindy and Joe Kaspar, then presidents of Somerset Hills Square Dance Club, became concerned with the on-going loss of members and guests attending the club’s dances. One evening, after a dance, Hindy and Joe discussed their concern with caller Brian Fugere and learned that, indeed, other clubs had similar concerns. Somerset Hills’ Board of Trustees 1989 approved contacting other area clubs. This outreach resulted in the merger by May 1989 of Somerset Hills, a club of 25 years, Dancing Squares, a club of 40 years, and Hill City, a club of 35 years. Representatives from each club comprised a new executive board for the new club, Harmony Dancers, Inc.

Harmony Dancers is a compilation of the efforts of many dancers, callers, and cuers. Square dancing needs them all and requires that they work together. The Club thanks YOU for taking an active part and for helping to make Harmony Dancers a success.

But a club does not run on dancers, callers, and cuers alone; behind the scenes are those who make the club go. They prepare and distribute flyers, handle refreshments, make and put up decorations, hold office, go on raids, march in parades, and put together club histories. Many of the jobs we do are not recognized but are an integral part of the puzzle. Harmony Dancers takes this opportunity to thank our members and friends for their pride, and the time and effort that was provided.”

May 3 will be Harmony Dancers’ last dance. We thank our members and friends for supporting our club and making square dancing *FUN*.

Since Hix & Chix has been idling through the winter while our esteemed leaders, John and Connie Huettemann, were enjoying sunny Florida, we have no dance activities to report.

However, the passing of Joe Passaro in January has left a void in our ranks. Even when he could no longer dance, he came to watch and talk. Many of us have personal reminders of his wood-working skills such as square dance couples, cutting boards, and napkin holders that we received as gifts or prizes. Thank you, Joe.

Remember to watch for our Summer Specials flyers!

It is with great sadness that we say goodbye to our beloved square dance caller, teacher, and friend, Wilson Hoff. He started the Hunterdon Flutterwheels back in 1972 and only recently retired as a caller after 54 years. He enriched the lives of so many people through square dancing over the years. Wilson was a faithful husband to his wife, Sally, a wonderful father, a jokester, and an avid card player. He will be missed.

On a happier note, it was our pleasure to introduce square dancing to 50 people at our Open House on February 10. Our class on Sunday afternoons has three squares dancing, with everyone doing well and having fun. A thank you goes out to all the angels for their help with the class.

Cross Trail Squares raided us in February with two squares. Thank you!

Any time you are in our area on the first and third Fridays, please join us for good dancing and good fellowship. The food's not bad either, and the wood floor is spectacular. See you there!

Poster/Flyer Contest Winners

We are pleased to report that nine excellent entries were received in the 2008 Poster/Flyer Contest. The NNJSDA Executive Board members reviewed the submissions at their March meeting and were very impressed with the creativity of the square dance community.

Margaret Kenter of Belles & Beaux was awarded first place and will receive a special dangle. Her entry will be used on the cover of the September *Grand Square* and prepared as a poster/flyer for clubs to use in advertising their fall classes.

Bill Smythe of Bee Sharps won second and third place for two of his entries. They, and the other entries, may be used by the NNJSDA for future advertising.

Colleges Are Square Dancing: Square Dancing as a College Course

(Inspired by an article in the *Chicago Tribune* December 10, 2007.)

About 1 million people worldwide perform some form of modern square dancing. While many are drawn by the camaraderie, there are others who are intrigued by the underlying mathematical concepts. Our activity has something for everyone. It spans from one nighters, open houses, and ABC Dance, which use approximately 20 calls, through Challenge 4, which incorporates nearly 1,000 calls and 100 “concepts.”

At its highest and most complicated levels, puzzle lovers, engineers, and computer and math geeks dominate the ranks. It is, therefore, no surprise that square dance clubs at Stanford University and Massachusetts Institute of Technology are thriving. MIT’s club, Tech Squares, teaches its class the Basic, Mainstream, and Plus calls in weekly lessons from September through December.

In Naperville, IL, North Central College’s fledgling club, the Square Roots, has a different recruiting tool: offering square dancing as a college course! David Schmitz, a math professor at the college, has square danced for more than a decade. Like many square dancers, he worries about recruiting new dancers, and so he pitched a three-week course to college officials in hopes of exposing young people to an activity that lured him when he was a graduate student. Generally, those who signed up for the course were math, science, or computer majors.

Allie Hays’ friends had a good laugh when they heard about the class she had signed up for at North Central: Mathematics of Square Dancing. Hays thought it was

Lakeland Squares will be shifting its regular dance nights to twice a month, 2nd and 4th Tuesdays, beginning in October, 2008. Check the *Grand Square* fall issue for our September transition schedule. We will schedule a barn dance on most 5th Tuesdays, starting with September's. We will list each open house in our *Grand Square* ad, so keep an eye out.

In January, we enjoyed our third annual club dinner, a Chinese banquet chaired by Jessica Wu. She arranged with the restaurant proprietor for an unusual and delicious assortment of oriental dishes. This was a highlight of a cold mid-winter month.

In April, we graduated five dancers: Gill Collins, Fran De Palma-Iozzi, John Lu, Irene Michels, and Judy Tibbits. We welcome them to our square dance family.

We are happy that we did not have to cancel any dances due to snow. Our attendance has increased lately thanks to our new dancers as well as some experienced dancers who had not been to our club dances for quite some time.

Have you ever wondered what it is like to be Club President? Our Fifties dance on February 1 was an interesting night. The day was very windy and rainy, but I did not cancel the dance because the forecast was for the weather to improve during the evening. Driving home from work, my car was pelted with very heavy rain, and colder temperatures were approaching. I received an email from our club secretary asking if we should make Roy and Betsy Gotta drive down in the awful weather. Oh, boy! It was too late to cancel at that time; people would already be on their way to the dance! I picked up Elaine Hart, the club vice president, and she wondered if we would get a square. I was relieved to see that by the time Betsy started calling, we had two squares on the floor. The weather did indeed break, as predicted, and dancers continued arriving until after 9 pm. We even had three squares dancing! Our

We have enjoyed some exciting additions to our callers list. Nick Martellacci, a caller who hails from Brooklyn, did the honors at our Valentine's Day dance. It was the first time in Ramblers' history that we had the pleasure of his company, and there was probably a little nervousness on both sides as to its outcome. I'm delighted to say (especially since I'm in charge of hiring the callers) that Nick was a hit. His unique musical stylings, easy pace, and dry wit kept the fun going. Nick will be back in July, 2008 and in 2009.

Two weeks later we had the pleasure of dancing to the wonderful music and calling of Mike Jacobs at our 2008 Leap Year Dance. Like Nick, it was the first time Mike called at Ramblers. With luck and a not inconsiderable amount of persistence, it will hopefully not be the last.

Between May and September we have a really strong program studded with winners. For complete details, go to www.middletownramblers.org.

Remember that we dance every Friday, even during the summer. So if your club is on hiatus during this time, know that you will be warmly welcomed when you come down to Croydon Hall in Middletown, New Jersey. We hope to see you there.

Ramble on!

Motiv8ors and the NNJSDA mourn the loss of our dear friend and fellow square dancer, Joe Passaro, at the age of 91. With his genuine warmth, he was a friend to everyone. Although Joe was no longer dancing, one would frequently spot his big smile when he stopped by at square dances. Joe was a member of Hix & Chix for over 25 years. He was also a member of Cloverleaves and a charter member of J&M Squares, the precursor of Motiv8ors. A desire to celebrate Joe's 90th birthday was the inspiration for our club's group birthday/anniversary party in December, 2006. Joe will forever be remembered as the designer and builder of the NNJSDA carousel, which is displayed at our Mini-Festivals and the National Square Dance Conventions each year. May Joe rest in peace in square dance heaven. To view a video lovingly made by John Aquino in memory of Joe, go to www.johnaquino.com/JoePassaroSD.wmv.

We welcome Scott Thompson back to New Jersey after a half year in Israel, learning Hebrew and working on a kibbutz. As much as he enjoyed his time there, he missed his square dancing. A mere two weeks later, his parents, Jan and Louis, traveled to Israel for an amazing two-week vacation.

We extend best wishes to Dot Ferine as she recovers from an infection at an old hip surgery site and a recent hip replacement surgery. We are looking forward to her once again joining us on the square dance floor.

We always book a variety of talented and entertaining callers. Then, our appreciative dancers complete the formula for a fun evening of square dancing. It is only with a healthy attendance that Motiv8ors can continue to offer top-notch Advanced and Challenge dancing in northern New Jersey throughout the year. For dancing that promises to have something for everyone, come to Motiv8ors. Remember: Our hall is air-conditioned, a definite plus during the summer months.

We returned from our winter break on March 5, and I am happy to report that we had more than four squares of dancers even with a number of our members still in Florida.

Congratulations to Peggy Koehler who became a flower show judge a year ago. She has to continually enter flower shows and earn blue ribbons to keep her status. In the New Jersey Flower and Garden Show on February 14, she took several blue ribbons in both Horticulture and Design. Peggy is currently president of the local Bridgewater Garden Club which participates in decorating the Governor's Mansion for the Christmas holidays. She is also a district director for the Garden Clubs of New Jersey. There are over 100 clubs in the state.

Joe Landi told us about his month in Florida with his camper. He visited many snow birds and had a great time.

The Reelers had a graduation for their Mainstream class at the regular dance on March 7. We were happy to have Rosann Flynn, 2nd Vice President of the NNJSDA, there to tell our students about the Association. She also gave them packets with more information.

While our class was small, all our students were eager to learn and have already started their Plus lessons, so ably taught by Fran Wadel. Thanks to Bear and Av Brady for being Class Coordinators. They have worked hard and have done a great job. We also appreciate those members who have been angels these past months.

If you know anyone who missed our classes and might like to learn to dance, bring them to our Friendship Dance on September 19 free of charge. Our Mainstream classes will start a few days later on Tuesday, September 23.

Also attending our graduation were 23 enthusiastic dancers from Kittatinny Rangers. It was great fun dancing with you, and we promise we will return the raid. The Reelers once again expect to complete the Association's raid program. We have enjoyed visiting your clubs, and we invite you to come and dance with us at ours.

Everyone enjoyed our President and Pie Night Dance on February 15. Who doesn't love pie? We still have our Ice Cream Night, and then we look forward to our Pot Luck Supper on June 6.

RocklandRockytops is happy to welcome our new Mainstream graduates: Netty DelVecchio, Dave Dupas, Pat Hoffman, Judy Hoffmann, Grace Meyer, Fran Parise, Helen Rossler, Justin Warren, Del Wittenberg, and Sophia Zawalick. Most of these enthusiastic new dancers have already attended several student dances and are looking forward to honing their new skills at club dances. Of course, all have a life outside of square dancing – Justin is employed by the NY Giants champion football team and was thrilled to go with his team to Arizona in February for the Super Bowl!

We were pleased to have seven squares, including 14 students, at our student dance in February. Fran Wadel, teacher exemplar of our class, was the caller and provided the novice dancers with a fun-filled evening. Many thanks to all the angels who attended as well.

Nine squares was the total attendance at our March dance. That included not only many Hudson Valley dancers since it was our HV Dance of the Month, but also a much-appreciated raid from NJ's Lakeland Squares.

This summer we once again will be dancing in air-conditioned comfort at our regular location, the West Nyack Firehouse. Plus dances will be held on third Fridays, while Mainstream dances will continue on second Fridays.

Also on our agenda, due to their success last year, will be introductory dances for newcomers from 7:30 to 8:30 prior to our Mainstream dances in June through October. These evenings allow non-dancers to experience the joys of square dancing and hopefully encourage them to sign up for our next class in the fall. So, spread the word to your family and friends, and bring them down to RocklandRockytops.

Have a great summer! See you in a square!

Our Toys for Kids dance in December went on successfully despite less than ideal weather conditions. Many thanks to all those who braved the elements, especially the raiding Y Squares. We even had a “part 2” at our next dance where we provided another opportunity for those who chose not to fight the elements to donate toys for a great cause. Proceeds were forwarded to a local organization, St. Peter's Family Care Center.

We were also treated to a raid from Brooklyn's AleMo Squares (22 dancers strong!) at our last dance in February. With the continuing rise in gas prices, the dedication and spirit shown by clubs who coordinate and hold raids can't be underestimated. Thank you, AleMo, for your enthusiastic support!

At our February dance, Howard Richman, another of our favorites, called to a lively floor of six squares. We welcomed raiders from Belles & Beaux and Western Wheelers, as well as a good representation from RocklandRockytops. Thank you to all our visitors for an impressive turnout.

We did not dance in March since our dance night fell on Good Friday. Our April dance, which has not taken place yet as of this writing, will feature another of our favorite callers, Dan Koft. I am sure that Dan and our square dance friends will make it another enjoyable and successful evening.

Congratulations to Fanny and George Meyer on the arrival of their first great-grandchild, a bouncing boy. Fanny reports that the new arrival is cute, cuddly, and contented, and is bringing them great joy.

We look forward to dancing with you in May. Then, we wish you a wonderful summer. Be sure to come back in October when Tenakill Twirlers begins the club's 58th season of our favorite activity, square dancing!

talented bakers and snack designers we have! Just like IHOP advertisements, “Come hungry, leave happy” applies here. What more can we ask of this activity: great dancing (best exercise ever), yummy treats, and really important, super camaraderie.

Our raid program is going very well, thanks to our coordinators, the Flanderas. We hope they experienced a square dance while they vacationed in Japan. At home, we have enjoyed some very nice raids by several clubs. Raids are a very important part of square dancing, more so now than ever. It’s such a great way to communicate, hear different ideas, and meet such nice people.

Two Plus classes, taught by Andy Woerner and Fran Wadel, are in full swing in the area. Western Wheelers wholeheartedly invites new dancers to visit our club upon completion of their lessons. We’ve all been there, and we do our best to make new people feel welcome, right from the get-go.

Our caller/cuer line up since New Year’s was Andy Woerner, Dan and Kathy Koft, Wayne Applegate, and Roy and Betsy Gotta. Our regular club cuer is Peg Millar.

We have enjoyed good attendance at all of our dances throughout the season. Because of all of the above, I feel square dancing is growing again and hopefully will continue in this mode. Now, with all this information before you, maybe you’d like to “Come join us; you’ll like us, the Friendly Club!”

Our dedicated refreshment chair, Marianne Harris, has been under the weather of late. We send her our best wishes for a speedy recovery.

Classes are still going strong. They’re being held one hour before our regular dance time of 2:30 pm on Sunday afternoon.

Please note that our regular dancing season ends with our June 1 dance. If you’re looking for a great way to spend a weekend afternoon, please consider spending time with our family-friendly club. You’ll never regret it.

Email Announcements

The NNJSDA maintains an email event announcement list. Everyone subscribed to the list receives announcements of Association and club events, dance cancellations, and other information of general interest to the square dance community. Anyone on the list can also send such announcements. It's a quick, free, and effective way to communicate with each other.

Ken Robinson, Webmaster, has set up the system in a way that prevents unauthorized access to the list—only persons who can receive can send, so no spammers. No subscriber has access to the email addresses of other subscribers. Names and addresses are never shared with any person or organization.

Individuals may subscribe by visiting nnjsda.org and clicking on “Sign up for the NNJSDA Event Announcement Email List,” or by sending a blank email message to squaredance_info-subscribe@nnjsda.org. Clubs are encouraged to send their club email list to Ken. He will email anyone not already a subscriber, explain the list's purpose, and invite them to subscribe.

Subscribers have the option of receiving a “digest” version of the collected announcements once a day or once a week instead of one at a time. And anyone can UNSUBSCRIBE at any time. Contact Ken at kenrbnsn@nnjsda.org for info.

Colleges Are Square Dancing continued from page 26

pretty funny herself at first. “Are you kidding me? That’s a reach,” said the senior math major. But after spending three hours a day for two weeks memorizing almost 100 dance calls, then weaving in and out of complicated formations on cue, she changed her mind. Amid constant movement, she had to visualize and use math concepts that many college math majors don’t study until their fourth year. During breaks in the dancing fun, the students discussed snippets only math lovers could appreciate: the number of permutations possible in one call or how a rectangle formation could be sheared to create a parallelogram “concept” of a typical call. “It’s math in motion,” says Professor Schmitz.

David Schmitz likens square dancing to solving a Rubik’s Cube. Caller Sandra Bryant compares calling to moving chess pieces around a board to music. “It’s like puzzle-solving in real time,” says caller Clark Baker. A computer programmer who has been dancing with Tech Squares since 1974, Baker laments that it’s a constant battle to fight the stereotype of a jug of moonshine and hay bales.

How to entice college students to try square dancing? Perhaps the answer lies in the expression, “Try it; you’ll like it!” Nathan Pierson, a North Central freshman in math who took the square dance course and is considering joining the club, had this to say, “This is a much more intellectual experience than my preconception. And it was just a lot more fun than I thought, too.”

GoodSearch: Supporting your favorite organizations by searching the Internet or shopping online

GoodSearch’s slogan: You search or shop... We give!

An easy way to support the charities and schools you care about is through a new Yahoo-powered search engine and online shopping mall, GoodSearch. When you make GoodSearch your default search engine, it works just like Google or any of the others. The difference is that GoodSearch will make a donation to your designated charity or school every time you search the Internet or make a purchase at one of their partner merchants (including Target, Gap, eBay, Macy’s, Best Buy, Barnes & Noble, and hundreds more).

How? Go to www.goodsearch.com. Click on the “participating non-profits” link at the bottom of the main page to select the organization you would like to designate as the beneficiary of your searches, and then enter it in the box under “Who do you GoodSearch for.” To add GoodSearch to your toolbar or make it your default search engine, click on “Add GoodSearch” or “Make GoodSearch your homepage” and follow the instructions.

Although the NNJSDA is not eligible to receive donations in this way because we are not a registered non-profit, the new ARTS (Alliance of Round, Traditional, and Square Dance) is one of the many thousands of participating organizations. It’s listed as “ARTS Dance – Alliance of Round Traditional and Square.” You can even add your favorite charity if it’s not already listed.

It doesn’t cost the user anything because the money comes from the advertisers and the stores.
