

ADD A NEW DIMENSION TO YOUR LIFE
LEARN TO SQUARE DANCE

**You do not need previous knowledge of square dancing or a partner,
and the fun starts right away.**

Learn the Basic/Mainstream program of square dancing steps that become uniquely configured in exciting and seemingly limitless patterns.

It's exhilarating, relaxing, and fun – and you don't even realize you're exercising.

Enjoy the teamwork of the square while meeting new people and making new friends.

Some experienced square dancers from RocklandRockytops Square Dance Club will be present at each session to dance with you.

After completing the Mainstream program, you will have the option to become a member of RocklandRockytops Square Dance Club and will be able to dance at any Mainstream square dance club locally, in the region, the country, or the world!

Lessons will take place on Tuesday evenings, beginning on
Tuesday, October 2, 2018, at 7:00 PM,
